### Charter Contract Academic Performance Trends

Academic outcomes are measured over time are the leading factor in any charter contract renewal recommendation to the GVSU Board of Trustees. GVSU recommends that boards and schools engage in conversations to see if the school has made meaningful, measurable progress toward its educational and other charter contract goals. See Appendix for explanation on calculations.

### Achievement Performance Compared to Peer Schools Over Time

### Growth Performance Compared to Peer Schools Over Time

Note: Grade levels for which growth data are available for 2021-22 are limited due to no state testing in 2019-20 and low participation in state testing in 2020-21. Elementary grades did not receive a growth score.

### M-STEP Proficiency Trends by Subject

\* Data suppression

### Appendix

#### Academic Achievement:

As measured by the state assessment, the school's percentage of total tested students in all tested grades identified as proficient in all tested subjects or identified as college ready as reported by the Michigan Department of Education will meet or exceed the select peer schools' mean percentage of total tested students in all tested grades identified as proficient in all tested subjects or identified as college ready. Select peer schools are the set of school buildings determined annually by GVSU to be the most demographically, socioeconomically, programmatically, and geographically similar to the school.

● **Exceeds Standards:**

the overall proficiency rate for all M-STEP & PSAT tested subjects and/or SAT total score of the academy is higher than the average overall proficiency rate of statistically similar schools.

● **Meets Standards:**

the overall proficiency rate for all M-STEP & PSAT tested subjects and/or SAT total score of the academy is the same as the average overall proficiency rate of statistically similar schools.

● **Does Not Meet Standards:**

the overall proficiency rate for all M-STEP & PSAT tested subjects and/or SAT total score of the academy is lower than the average overall proficiency rate of statistically similar schools.

#### Academic Growth:

As measured by the state assessment, the school's mean student growth percentile rank in English language arts and math will meet or exceed the select peer schools' mean student growth percentile rank. Select peer schools are the set of school buildings determined annually by GVSU to be the most demographically, socioeconomically, programmatically, and geographically similar to the school.

● **Exceeds Standards:**

for the content area, the overall SGP of the academy is higher than the average SGP of statistically similar schools.

● **Meets Standards:**

for the content area, the overall SGP of the academy is the same as the average SGP of statistically similar schools.

● **Does Not Meet Standards:**

for the content area, the overall SGP of the academy is lower than the average SGP of statistically similar schools.
