MINOR ADVISING FORM FOR
Mathematics with Secondary Teacher Certification (grades 7-12) and Mathematics with Middle Grades Certification (grades 5-9)

Catalog year: 2026-2027 Minor: _____ Student Name _____
Student email _____ Student G# _____

Mathematics with Secondary Teacher Certification (Grades 7-12)

Minimum GPA of **2.7** (as required for teacher certification) and must be enrolled as in a secondary education major (grades 5-12, 7-12, or PK-12) with an accompanying disciplinary content area major. To earn the math endorsement, you must pass the corresponding Michigan Test for Teacher Certification (MTTC) in addition to the MTTC for your initial certification.

Course	Credit	Term	Grade
