*Students who have completed 6 MTH or cross-listed MTH classes (no STA) that count towards the minor and fewer than 20 credits may also count one of the following in the math minor: CIS 263, or another course with a significant mathematics component with the approval of the Mathematics Department Chair.

** MTH 225 may only count toward the minor if MTH 325 is also completed.
*** Students may not count both MTH 302 and MTH 304 toward the minor.
**** STA 220 may only count toward the minor if it is completed along with EGR 220.

*Some course substitutions are possible in specific circumstances or with approval by the chair. These can be found on the Math Policies website: http://www.gvsu.edu/mthpolicies/ under "Students & Curriculum".*
