POLICY STATEMENT

A. Policy Statements

1. As members of an academic community, faculty and staff have a responsibility to abide by ethical principles regarding academic freedom, intellectual integrity, and the fair and respectful treatment of others. The standards contained in this Standards of Conduct for Employees Policy reflect these principles.
2. A violation of this policy occurs when an individual negatively impacts colleagues in the workplace environment by failing to uphold these standards. When an individual's behaviors are out of sync with these standards, the University may address and remediate this behavior through alternative resolution practices and/or other appropriate disciplinary measures up to and including termination of employment.
3. No part of this policy is intended to supersede other university policies or federal, state, or local laws and regulations. Violations of this policy may be addressed in parallel with violations of other policies or laws as applicable.
4. **Standards of Conduct: Guiding Principles.** The following are informed by [the University's mission, vision, and values](#), as well as [GVSU employee core competencies](#). Some of the following language is derived from a similar policy at the University of Connecticut.
 - a. *Knowledge:* Members of the University community value truth, the pursuit of truth, intellectual curiosity, and academic freedom. Our faculty and staff seek to

create new knowledge and are committed to sharing ideas, research findings and the products of intellectual and creative pursuits with the broader community.

b. Honesty: Members of the University community are truthful and sincere in their words and actions and do not intentionally mislead others or provide inaccurate information.

c. Integrity: Members of the University community treat everyone with dignity and respect and take responsibility for their own mistakes. We are driven to be accountable to ourselves and others as a core competency of all employees. This includes following through on words with actions.

d. Respect: Members of the University community seek to foster a spirit of civility and collegiality through open and honest communication. The University honors individuality, respects cultural differences, and demonstrates tolerance for the personal beliefs of all individuals. We strive to protect the health, safety, and well-being of all persons. We protect private and confidential information that is related to our faculty, staff, students, and others. We value an environment that is free from incivility, disrespect, harassment, intimidation, bullying, and violence.

e. Professionalism: Members of the University community expect that the professional standards and requirements that are applicable to academic and other professions comprising our community will be followed. We are responsible and accountable for our actions and are expected to make reasonable efforts to comply with all applicable federal, state, and local government laws and regulations. As individuals and as an institution, we also strive to follow ethical business practices and to act as good stewards of the resources made available to us.

5. This policy requires a good faith commitment to accuracy and integrity in information shared within our community, particularly when it forms the basis of formal inquiries or actions. Maintaining these standards is essential for the integrity of this policy and procedures and ensuring a cohesive and productive academic and work environment.

PROCEDURES

B. Procedures

1. Consultation. Employees experiencing a possible conduct issue should consult this and other relevant University policies and procedures. While informal resolution is encouraged, formal processes may be necessary. Employees should

attempt to address concerns directly with colleagues or supervisors before initiating formal processes. Human Resources offers examples on different avenues to explore to resolve concerns

<https://www.gvsu.edu/hro/restorative-based-alternative-dispute-resolution-1174.htm>

See also [SLT 3.3.1](#) (Non-Retaliation Policy for Faculty and Staff). The Standards of Conduct for Employees Policy exists to support colleagues in formally raising, responding to, and resolving grievances when appropriate. Consultation with a supervisor, other colleagues, the Ombuds Office, and the Human Resources Office is appropriate and valued and may be helpful in framing the concern and identifying the facts of the situation. Resolving a formal complaint about a possible Standards of Conduct for Employees Policy violation can be difficult for all those involved, and the University is committed to supporting all participants, including by keeping them informed of progress as appropriate.

2. Reporting. Potential violations of the Standards of Conduct for Employees Policy can be reported online at <https://cm.maxient.com/reporting.php?GrandValley> or by contacting the Human Resources Office via email at complaints@gvsu.edu.

a. Reports should include a brief description of the matter and a timeline that includes steps taken toward independent and/or informal resolution. Reports may also include identifying information about the involved parties, supporting documentation, and a desired resolution.

b. Allegations of student misconduct should be reported to the [Office of Student Conduct and Conflict Resolution](#).

c. Allegations of discriminatory harassment, including sexual misconduct, should be reported to the [Office of Civil Rights and Title IX](#).

3. Intake. Upon receiving a report, a Human Resources Office designee will schedule an intake meeting within five (5) business days to discuss resolution options. Efforts will be made to hold that meeting within ten (10) business days of receiving the report. The reporting party may decline attendance, understanding that it may limit the University's ability to address the reported behavior.

4. Options for Resolution.

a. Discussion without further action.

b. Utilizing alternative dispute practices. If this occurs, the responding party will be notified of the report and offered the opportunity to begin an alternative dispute resolution process. All parties must enter this process

willingly.

- c. Formal resolution through investigation or appropriate policy mechanisms.
- d. In rare cases of significant disruption or danger to the university community at the determination of the Associate Vice President for Human Resources, or designee, formal processes may be initiated without the reporting party's request. If this occurs, the reporting party will be notified that the matter is being pursued before the responding party is notified.

5. Notification of Appointing Officer. If options 4c or 4d are pursued, the Appointing Officer will be notified as indicated in the appropriate policy mechanism.

6. Fact-Finding. Additional information may be gathered to determine appropriate intervention. In such instances, the Human Resources Office designee will notify the reporting party and responding party that fact-finding is being initiated. The Division of Inclusion and Equity, which coordinates centralized investigations, will appoint a trained investigator to conduct fact-finding. While each investigation is unique, the goal is to resolve this fact-finding within 20 business days from the time the report is assigned to an investigator. Delays will be communicated to both parties.

7. Draft Report. Following fact-finding, a Draft Report summarizing relevant information will be shared with both parties, Appointing Officer and Executive Officer of the responding party, and the Human Resources Office. Both parties have five (5) business days to submit a response to the Draft Report, which will then become part of the Final Report.

8. Decision. The investigator(s) will create a Final Report and determine, based on a preponderance of evidence standard, whether a violation of the Standards of Conduct for Employees Policy occurred. The Final Report will be shared with both parties, Appointing Officer and Executive Officer of the responding party, and the Human Resources Office.

9. Action. If a violation is found, appropriate action will be determined by the responding party's Appointing Officer, in consultation with their Executive Officer and a Human Resources representative. The Appointing Officer will communicate their decision to the responding party within five (5) business days of issuance of the Final Report. At the same time, the Human Resources Office will communicate to the reporting party if action is being taken without disclosing the nature of the action.

10. Appeals. Either party may appeal the decision, in writing, within ten (10) business days, citing reasons for appeal.

a. An appeal can only be based on one of the following reasons which must be identified in the initial appeal notice:

i. Whether appropriate procedures were followed.

ii. Whether the decision was supported by evidence.

iii. Whether all relevant information was available at the time of the original investigation.

b. Appeals will be considered by the Associate Vice President for Human Resources, or designee, with the decision being final.

c. If the Associate Vice President for Human Resources is involved in decision-making at any stage of this process, the Vice President & Chief of Staff to the President, or designee, will handle the appeal.

d. Filing an appeal does not preclude an employee from utilizing the grievance process under a collective bargaining agreement.

e. Written appeals must be sent to complaints@gvsu.edu.

11. Retaliation. Retaliation against anyone who reports ethical misconduct, assists someone filing a report, and/or who serves as a witness during fact-finding is prohibited by the University's Non-Retaliation Policy for Faculty and Staff. Individuals who may have experienced retaliation may contact the Human Resources Office. For more information, see the university's Non-Retaliation Policy for Faculty and Staff.

5. Definitions (Appendix A)

Please see [Appendix A](#) for a list of definitions pertaining to the Policy and related procedures.

6. Mandatory Reporters

All GVSU faculty and employees (including student-employees), Resident Assistants, and Graduate Assistants, other than those deemed Confidential Employees, are Mandatory Reporters and are expected to promptly report all known details of actual or suspected discrimination, harassment, or misconduct to appropriate officials immediately, although there are some Limited Exceptions as defined. Supportive Measures may be offered as the result of such disclosures without formal GVSU action.

Complainants may want to carefully consider whether they share personally identifiable details with Mandatory Reporters, as those details must be shared with the OCRTIX.

If a Complainant seeks formal action in response to their allegations, reporting to any Mandatory Reporter can connect them with resources to report alleged crimes and/or Policy violations. These employees will immediately pass Notice to the OCRTIX (and/or GVPD, if desired by the Complainant or required by law), who will then act in accordance with their procedures.

Failure of a Mandatory Reporter, as described above in this section, to report an incident of discrimination, harassment or misconduct of which they become aware is a violation of GVSU Policy and can be subject to disciplinary action for failure to comply or failure to report. This also includes situations when a violator is a Mandatory Reporter. Such individuals are obligated to report their own misconduct, and failure to do so is also a chargeable offense under this Policy.

A Mandatory Reporter who is themselves a target of discrimination, harassment, or other misconduct under this Policy is not required to report their own experience, though they are, of course, encouraged to do so.

If a student (or a student's parent or other legal representative) informs a GVSU employee of the student's pregnancy or related conditions, in the absence of an associated report of discrimination, harassment, or other misconduct, Mandatory Reporters need not inform OCRTIX. However, the employee must provide the reporting person with information as outlined in the [Pregnancy-Based Grievances and Complaints provision of this Policy.](#)

7. Confidential Reporting Options

The following sections describe GVSU's confidential reporting options for a Complainant (including parents or legal guardians when appropriate):

If a Complainant would like to confidentially access support and resources, the Complainant may speak with Confidential Employees. Confidential Employees are not required to notify the OCRTIX about prohibited conduct under this policy, but will provide information to the reporting individual regarding how to contact OCRTIX, how to make a Complaint, and how OCRTIX can help. There are three categories of Confidential Employees: A) Those with confidentiality bestowed by law or professional ethics, such as lawyers, medical professionals, clergy, and mental health counselors; B) Those whom GVSU has specifically designated as Confidential Resources for purposes of providing support and resources to the Complainant; and C) Those conducting human subjects research as part of a study approved by GVSU's Institutional Review Board (IRB).

A. Confidential Employees by Law or Ethics

For those in category A), above, to be able to respect confidentiality, they must be

in a confidential relationship with the person reporting, such that they are within the scope of their licensure, professional ethics, or confidential role at the time of receiving the Notice. These individuals will maintain confidentiality except in extreme cases of immediacy of threat or danger or abuse of a minor, elder, or individual with a disability, or when required to disclose by law or court order. These employees include the following:

- On-campus licensed professional counselors and staff
- On-campus health service providers and staff

B. Designated Confidential Resources

To enable Complainants to access support and resources without filing a Report or Complaint, if they so choose, GVSU has designated specific employees as Confidential Resources. Confidential Resources are not required to report actual or suspected discrimination, harassment, or misconduct in a way that identifies the Parties. They will, however, provide the Complainant with the OCRTIX's contact information and offer options and resources. Confidential Resources do not have any obligation to inform an outside agency or GVSU official of identifying information or the details of the allegations unless a Complainant has requested the information be shared. These employees include the following:

- On-campus Victim Advocates
- Employee Ombuds
- Student Ombuds

C. Confidential Employees Conducting Human Subjects Research

Those persons conducting IRB-approved human subjects research at GVSU who, during the course of the research, learn of allegations of discrimination, harassment or misconduct, are considered Confidential Employees while conducting the approved study. They are not required to notify the OCRTIX about prohibited conduct under this policy, but will provide information to the reporting individual regarding how to contact OCRTIX, how to make a Complaint, and how OCRTIX can help.

In addition, Complainants may speak with individuals unaffiliated with GVSU without concern that this Policy will require them to disclose information to the institution without permission:

- Licensed professional counselors and other medical providers
- Local rape crisis counselors
- Domestic violence resources

- Local or state assistance agencies
- Clergy/Chaplains
- Attorneys

8. Methods of Notice

If a Complainant would like to report the details of an incident under this Policy, the Notice may be provided directly to the OCRTIX or to a Mandatory Reporter who will notify the OCRTIX through one of the following methods:

A. Making a Report

A Report provides Notice to GVSU of an allegation or concern about discrimination, harassment or misconduct, and provides an opportunity for the OCRTIX to provide information, resources, and Supportive Measures. Such a Report may be made verbally or in writing at any time (including during non-business hours) by using the telephone number, email address, or mailing address of the OCRTIX.

If a Complainant makes a Report but does not wish to file a Complaint, GVSU will maintain the privacy of information to the extent possible. Therefore, a Complainant should not withhold Notice for fear of a loss of confidentiality. By giving Notice, GVSU can discuss the incident and/or provide Supportive Measures as needed to those involved. For more information regarding [Confidential Reporting Options](#), refer to that provision of this policy.

B. Making a Complaint

A Complaint provides Notice to GVSU that the Complainant would like to initiate an investigation or other appropriate resolution procedures. Such a Complaint may be made verbally or through written filing, at any time (including during non-business hours) by using the telephone number, email address, or mailing address of the OCRTIX.

A Complainant may initially make a Report and may decide at a later time to make a Complaint.

A Complainant does not have to be a member of the GVSU community to file a Complaint under the [Jurisdiction](#) of this Policy.

C. Online Submission

A Complainant may submit online Notice at <https://cm.maxient.com/reporting.php?GrandValley>.

Anonymous Notice is accepted. However, please note that in order to properly address or investigate the allegations, the notice may give rise to a need to try to determine the Parties' identities. Please also be aware that Anonymous Notice may limit GVSU's ability to investigate, respond, and provide remedies. It also may not be possible to provide Supportive Measures to Complainants who are the subject of Anonymous Notice.

Measures intended to protect the community or redress or mitigate harm may be enacted in response to an Anonymous Notice.

Reporting carries no obligation to initiate a Complaint, and in most situations, GVSU is able to respect a Complainant's request to not initiate a Resolution Process. However, there may be circumstances, such as pattern behavior, allegations of severe misconduct, or a serious threat to health and/or safety, where GVSU may need to initiate a Resolution Process.

9. Time Limits on Reporting

There is no time limitation on providing Reports or Complaints to the OCRTIX. However, if the Respondent is no longer subject to GVSU's jurisdiction and/or significant time has passed, the ability to investigate, respond, and/or provide remedies may be more limited or rendered impossible.

The OCRTIX will review all Reports or Complaints significantly impacted by the passage of time (including, but not limited to, impacts caused by the rescission or revision of Policy) for determination of whether to act upon it. The OCRTIX may document allegations for future reference, offer Supportive Measures, and/or engage in informal or formal action, as appropriate.

10. Prompt & Effective Response to Allegations

After receipt of Notice through Report or Complaint of prohibited conduct under this policy, GVSU will:

1. Treat the Complainant and Respondent equitably.
2. Offer and coordinate Supportive Measures, as appropriate, for the Complainant.
3. Offer and coordinate Supportive Measures as appropriate, for the Respondent, if GVSU initiates Formal Resolution (Grievance Procedures) or offers an Informal Resolution process to the Respondent.
4. Notify the Complainant, or if the Complainant is unknown, the individual who reported the conduct, of the Grievance Procedures and the Informal Resolution process, if available and appropriate.
5. If a Complaint is made, notify the Respondent of the Grievance Procedures and the

Informal Resolution process, if available and appropriate.

6. In response to a Complaint, initiate GVSU's Grievance Procedures or Informal Resolution process, if available and appropriate.
7. In the absence of a Complaint, or in the case of withdrawal of any or all of the allegations in a Complaint, and/or in the absence or termination of an Informal Resolution process, make a fact-specific determination regarding whether the OCRTIX will initiate a Complaint itself.
8. If the OCRTIX initiates a Complaint itself, make reasonable efforts to notify the Complainant prior to doing so and appropriately address reasonable concerns about the Complainant's safety or the safety of others.
9. Regardless of whether a Complaint is initiated, take other appropriate prompt and effective steps in effort to ensure that conduct prohibited by this Policy does not continue or recur within GVSU's education program or activity, in addition to providing remedies to an individual Complainant.

For additional information regarding the Resolution Process under this Policy, please review the [Resolution Process for Alleged Violations of GVSU Policy Prohibiting Discrimination, Harassment and Misconduct](#).

11. Disability-Based Grievances and Complaints

Allegations of discrimination, harassment or misconduct on the basis of an actual or perceived disability, including instances in which the provision of reasonable accommodations has allegedly had a discriminatory effect, will be resolved under this Policy and related procedures.

However, grievances or complaints related to one's disability status and/or type of accommodation provided, are addressed as outlined in GVSU's [ADA Accommodation Policy for Faculty, Staff and Students with Disabilities](#).

12. Pregnancy-Based Grievances and Complaints

Allegations of discrimination, harassment or misconduct on the basis of an actual or perceived pregnancy, including instances in which the provision of reasonable accommodations has allegedly had a discriminatory effect, will be resolved under this Policy and related procedures.

However, grievances or complaints related to one's pregnancy status and/or type of accommodation provided, are addressed as outlined in GVSU's Pregnancy, Childbirth and Pregnancy Related Conditions Policy.

When a student (or a student's parent or other legal representative) informs a GVSU employee of the student's pregnancy or related conditions, in the absence of an associated report of discrimination, harassment, or other misconduct, Mandatory Reporters need not

inform OCRTIX. However, the employee must provide the reporting person with the OCRTIX's contact information and inform that person that the OCRTIX can do the following in effort to prevent sex discrimination or hostile environment based on the student's Pregnancy or Related Condition(1):

- Inform the student of their rights under this Policy;
- Provide reasonable accommodations, including private space and a reasonable break for lactation;
- Allow voluntary leave of absence, as medically necessary, and reinstatement upon return;
- Ensure individualized reasonable modifications are provided as needed (and as defined in the related Pregnancy Policy);
- Refrain from requesting supporting documentation when a) it has already been provided, 2) it relates to lactation needs, c) it is obvious, d) it constitutes a routine or simple modification, or e) other non-pregnancy related students receiving the accommodation obtain it without supporting documentation.

13. Scope

This Policy is not meant to inhibit or prohibit educational content or discussions inside or outside of the classroom that include germane, but controversial or sensitive, subject matters protected by academic freedom.

This Policy prohibits all forms of discrimination, harassment or misconduct on the basis of the identified Protected Characteristic(s), and may be applied to incidents, to patterns, and/or to the institutional culture or climate, all of which may be addressed in accordance with this Policy.

This Policy is only applicable to alleged incidents of discrimination, harassment or misconduct that occur on or after September 6, 2024. For alleged incidents occurring prior to September 6, 2024, the policy and procedures in place at the time of the alleged incident apply.

Applicable versions of those policies and procedures are available from the OCRTIX and online at <https://www.gvsu.edu/titleix/policy-procedures-59.htm>.

This Policy applies to all faculty, employees, students, and other individuals participating in or attempting to participate in GVSU's program or activities, including education and employment.

14. Jurisdiction

This Policy applies to alleged discrimination, harassment or misconduct occurring in circumstances where GVSU has disciplinary authority at or during GVSU's education programs and activities (including locations, events, or circumstances in which GVSU exercises

substantial control).

This Policy applies to alleged incidents occurring within any building owned or controlled by a GVSU-recognized student organization.

This Policy also applies to alleged off-campus misconduct if the effects of that conduct are to objectively limit or deny a person's access to GVSU's education program or activities.

GVSU may also extend jurisdiction to online conduct occurring on campus or off-campus when the conduct affects a substantial GVSU interest. For more information regarding online conduct, refer to the [Online Discrimination, harassment or misconduct provision](#) of this policy.

A substantial GVSU interest includes, but is not limited to, prohibiting the following related conduct:

1. Any action that constitutes a criminal offense as defined by law. This includes, but is not limited to, single or repeat violations of any local, state, or federal law.
2. Any situation in which it is determined GVSU that the Respondent poses an imminent and serious threat to the health or safety of any student, employee, or other individual.
3. Any situation that significantly and objectively impinges upon the rights, property, or achievements of others, significantly breaches the peace, and/or causes social disorder.
4. Any situation that substantially interferes with GVSU's educational interests or mission.
5. Any situation that is sufficiently serious that it objectively denies or limits a GVSU community member's ability to participate in or benefit from GVSU's programs or activities. Objectivity is based on a reasonably prudent person in like circumstances.

For disciplinary action to be issued under this Policy, the Respondent must be a GVSU faculty member, student, or employee at the time of the alleged incident. If the Respondent is unknown or is not a member of GVSU community, the OCRTIX will offer to assist the Complainant in identifying appropriate institutional and local resources and support options, and GVSU will implement appropriate Supportive Measures and/or remedial actions (e.g., trespassing a person from campus) where necessary. GVSU can also assist the Complainant in contacting local or institutional law enforcement if the individual would like to file a police report about criminal conduct.

All vendor employees serving GVSU through third-party contracts are subject to these policies and procedures given their employer's agreement to be bound through the respective contracts.

When a party is participating in a dual enrollment/early college program, GVSU will coordinate with the party's home institution to determine jurisdiction and coordinate providing Supportive Measures and responding to the complaint under the appropriate policy and procedures

based on the allegations and identities of the Parties.

When the Respondent is enrolled in or employed by another institution, the OCRTIX can assist the Complainant in contacting the appropriate individual at that institution, as it may be possible to initiate a process under that institution's policies.

Similarly, the OCRTIX may be able to assist and support, through remedial measures, a GVSU student or employee Complainant who experiences discrimination elsewhere (such as in an externship, study abroad program, or other environment external to GVSU where sexual harassment or nondiscrimination policies and procedures of the facilitating or host organization may give the Complainant recourse).

15. Supportive Measures

GVSU will offer and implement appropriate and reasonable Supportive Measures to the Parties upon Notice of alleged discrimination, harassment or misconduct. Supportive Measures are non-disciplinary, non-punitive individualized services offered as appropriate and reasonably available. They are offered, without fee or charge to the Parties, to restore or preserve access to GVSU's education program or activity, including measures designed to protect the safety of all Parties and/or GVSU's educational environment and/or to deter discrimination, harassment, and misconduct.

The OCRTIX promptly offers to make Supportive Measures available to the Parties upon receiving Notice. At the time that Supportive Measures are offered, if a Complaint has not been filed, GVSU will inform the Complainant, in writing, that they may file a Complaint with GVSU either at that time or in the future. The OCRTIX will work with a party to ensure that their wishes are considered with respect to any planned and implemented Supportive Measures.

GVSU will maintain the confidentiality of the Supportive Measures, provided that confidentiality does not impair GVSU's ability to provide those Supportive Measures or investigate and resolve the allegations. GVSU will act to ensure as minimal an academic or occupational impact on the Parties as possible. GVSU will implement measures in a way that does not unreasonably burden any party.

These Supportive Measures may include, but are not limited to:

- Referral to counseling, medical, and/or other healthcare services
- Referral to the Employee Assistance Program
- Referral to community-based service providers
- Education to the institutional community or community subgroup(s)
- Altering campus housing assignment(s)

- Altering work arrangements for employees or student-employees
- Safety planning
- Implementing contact restrictions (no contact orders) between the parties
- Academic support, extensions of deadlines, or other course/program-related adjustments
- Assistance with obtaining a PPO or Cease and Desist through referral to GVPD.
- Class schedule modifications, withdrawals, or leaves of absence
- Any other actions deemed appropriate by the OCRTIX to address the objective harm

Violations of no contact orders or other restrictions may be referred to appropriate student or employee conduct processes for enforcement or added as Collateral Misconduct allegations to an ongoing Complaint under this Policy.

The Parties are provided with a timely opportunity to seek modification or reversal of GVSU's decision to provide, deny, modify, or terminate Supportive Measures applicable to them. A request to do so should be made in writing to the OCRTIX. An impartial employee, other than the employee who implemented the Supportive Measures, who has authority to modify or reverse the decision, will determine whether the decision is sufficiently inconsistent with the definition of Supportive Measures to warrant modification or reversal. GVSU will also provide the Parties with the opportunity to seek additional modification or termination of Supportive Measures applicable to them if circumstances materially change. GVSU typically renders decisions on Supportive Measures within seven (7) business days of receiving a request and provides a written determination to the impacted party(ies) and the OCRTIX.

16. Online Discrimination, Harassment or Misconduct

GVSU policies are written and interpreted broadly to include online manifestations of any of the behaviors prohibited by this Policy, when those behaviors occur in or have an effect on GVSU's education program and activities, or when they involve the use of GVSU networks, technology, or equipment.

Although GVSU may not control websites, social media, and other venues through which the alleged discriminatory or harassing communications are made, when such communications are reported to GVSU, it will seek to address and mitigate the effects. This effort may include use of the Resolution Process to address off-campus, online conduct that objectively interferes with a person's access to or participation in GVSU's education programs or activities.

17. Inclusion related to Gender Identity/Expression

GVSU strives to ensure that all individuals are safe, included, and respected in their education and employment environments, regardless of their actual or perceived Gender Identity or

Expression, including intersex, nonbinary, transgender, agender, two-spirit, gender-expansive, and gender-diverse students and employees.

Discrimination, harassment or misconduct on the basis of Gender Identity or Expression is not tolerated by GVSU. If a member of the GVSU community believes they have been subjected to prohibited conduct under this Policy, they should follow the appropriate reporting process described herein.

In upholding the principles of equity and inclusion, GVSU supports the full acceptance of those who are gender expansive and seeks to eliminate any stigma related to gender identity and expression.

GVSU is committed to fostering a climate where all identities are valued, contributing to a more vibrant and diverse community. GVSU will administratively address issues that some students and employees may confront because of their actual or perceived Gender Identity or Expression as they navigate systems originally designed around the assumption that gender is binary. As our society's understanding of gender evolves, so must GVSU's processes and policies.

Concepts like misgendering and deadnaming may not be familiar to all but understanding them is essential to GVSU's goal of being as welcoming and inclusive a community as possible.

Misgendering or mispronouncing is the intentional or unintentional use of pronouns or identifiers that are different from those used by an individual. Unintentional misgendering or mispronouncing is usually resolved with a simple apology if someone clarifies their pronouns for you. Intentional misgendering or mispronouncing is inconsistent with the type of community we hold ourselves out to be and may constitute a Policy violation if the effect is objectively greater than *de minimis* harm (objectively significant enough to limit or deny a person access to or participation in GVSU's education programs or activities).

Deadnaming means using someone's birth-assigned (cisgender) name, rather than the name they have chosen following a change in gender identity.

Unintentional deadnaming can often be addressed by a simple apology and an effort to use the person's chosen name. Intentional deadnaming could be a form of bullying, outing, or otherwise harassing an individual, and thus may constitute a Policy violation if the effect is objectively greater than *de minimis* harm (objectively significant enough to limit or deny a person equal access to or participation in GVSU's education programs or activities).

This Policy should be interpreted consistent with the goals of maximizing the inclusion of all gender identities for students and employees, including:

- Maintaining the privacy of all individuals consistent with law;

- Ensuring all students have equal access to educational programming and activities;
- Facilitating participation in programs and activities by providing all student access to facilities, including restrooms and locker rooms. For a list of gender-inclusive restrooms and locker rooms on campus see our [Facilities Services](#) page;
- Ensuring all employees have equal access to employment opportunities and work, service, or health-related facilities;
- Providing professional development for employees and education for students on topics related to gender inclusion;
- Encouraging all students and employees to respect the pronoun usage and identities of all members of the GVSU community.

18. Prohibited Conduct-Discrimination or Harassment Offenses

Students and employees are entitled to an educational and employment environment that is free of discrimination and harassment.

The sections below describe the specific forms of legally prohibited discrimination and harassment on the basis of actual or perceived Protected Characteristics, that are also prohibited under GVSU Policy.

When speech or conduct is constitutionally protected, it will not be considered a violation of GVSU Policy, though Supportive Measures will be offered to those impacted.

All offense definitions below encompass actual and/or attempted offenses.

Any of the following offenses can be charged as or combined as pattern offenses, in which case the Notice of Investigation and Allegation (NOIA) will clearly indicate that both individual incidents and a pattern of conduct are being investigated. A pattern may exist and be charged when there is a potential substantial similarity to incidents where the proof of one could make it more likely that the other(s) occurred, and vice-versa. Patterns may exist based on target selection, similarity of offense, or other factors. Where a pattern is found, it can be the basis to enhance sanctions, accordingly.

Violation of any other GVSU policies may constitute discrimination or harassment when motivated by actual or perceived Protected Characteristic(s), and the result is a limitation or denial of employment or educational access, benefits, or opportunities.

A. Discrimination

Discrimination is different treatment with respect to a person's employment or participation in an education program or activity based, in whole or in part, upon the person's actual or perceived Protected Characteristic. Discrimination also includes a failure to provide reasonable accommodations as required by law or

policy, such as for a person's disability, religion, or creed.

Discrimination can take two primary forms:

1. Disparate Treatment Discrimination:

Any intentional differential treatment of a person or persons that is based on a person's actual or perceived Protected Characteristic and that:

- - Excludes an individual from participation in;
 - Denies the individual benefits of; or
 - Otherwise adversely affects a term or condition of an individual's participation in a GVSU program or activity.

2. Disparate Impact Discrimination:

Disparate impact occurs when policies or practices that appear to be neutral unintentionally result in a disproportionate impact on a protected group or person that:

- - Excludes an individual from participation in;
 - Denies the individual benefits of; or
 - Otherwise adversely affects a term or condition of an individual's participation in a GVSU program or activity.

B. Discriminatory Harassment

Discriminatory Harassment includes all of the following:

- unwelcome conduct on the basis of actual or perceived Protected Characteristic(s), that
- based on the totality of the circumstances,
- is subjectively and objectively offensive, and
- is so severe or pervasive,
- that it objectively limits or denies a person's ability to participate in or benefit from GVSU's education programs or activities

C. Sex-based Harassment (Applicable under Title IX, Title VII, and the Fair Housing Act)

Sex-based Harassment is a form of sex discrimination and means sexual harassment and other harassment on the basis of sex, (2) including sex stereotypes, sex characteristics, and Pregnancy or Related conditions; sexual assault, dating violence, domestic violence, and stalking.

1. Quid Pro Quo Harassment:

- an employee agent, or other person authorized by GVSU
- to provide an aid, benefit, or service under GVSU's education program or activity,
- explicitly or impliedly conditions the provision of such aid, benefit, or service,
- on a person's participation in unwelcome sexual conduct.

2. Hostile Environment Harassment:

- unwelcome sex-based conduct, that
- based on the totality of the circumstances,
- is subjectively and objectively offensive, and
- is so severe or pervasive,
- that it objectively limits or denies a person's ability to participate in or benefit from GVSU's education program or activity

GVSU reserves the right to address sex-based conduct and/or harassment that (1) does not rise to the level of creating a hostile environment, or (2) that is of a generic nature and not based on a Protected Characteristic. Addressing such conduct will not result in the imposition of discipline under GVSU Policy, but may be addressed through respectful conversation, remedial actions for the affected persons, community education, and/or effective Informal Resolution mechanisms.

For assistance with Informal Resolution techniques under these circumstances, contact the Office of Civil Rights and Title IX.

Separate treatment on the basis of sex in the context of sex-separate living facilities and sex-separate athletic teams is not discrimination.

D. Gender-identity or Sexual Orientation-based Harassment

Gender Identity-based Harassment and Sexual Orientation-based Harassment are forms of discrimination and include harassment on the basis of gender identity or sexual orientation,(3) including related stereotypes or characteristics.

1. Quid Pro Quo Harassment:

- an employee agent, or other person authorized by GVSU
- to provide an aid, benefit, or service under GVSU's education program or activity,
- explicitly or impliedly conditions the provision of such aid, benefit, or service,

- on a person's participation in unwelcome sexual conduct because of their actual or perceived gender identity or sexual orientation.

2. Hostile Environment Harassment:

- unwelcome gender identity or sexual orientation-based conduct, that
- based on the totality of the circumstances,
- is subjectively and objectively offensive, and
- is so severe or pervasive,
- that it objectively limits or denies a person's ability to participate in or benefit from GVSU's education program or activity

GVSU reserves the right to address offensive conduct and/or harassment on the basis of gender identity and sexual orientation that (1) does not rise to the level of creating a hostile environment, or (2) that is of a generic nature and not based on a Protected Characteristic. Addressing such conduct will not result in the imposition of discipline under GVSU Policy, but may be addressed through respectful conversation, remedial actions for the affected persons, community education, and/or effective Informal Resolution mechanisms.

For assistance with Informal Resolution techniques under these circumstances, contact the OCRTIX.

19. Prohibited Misconduct-Sexual Assault (4)

The following definitions describe prohibited conduct that constitutes sexual assault:

A. Rape is defined as:

- Penetration, no matter how slight,
- of the vagina or anus of the Complainant,

- oral penetration of the Complainant by a sex organ of Respondent,
- without the consent of the Complainant.

B. Fondling is defined as:

- The touching of the private body parts of the Complainant (buttocks, groin, breasts),
- by the Respondent for the purpose of sexual gratification,
- without the consent of the Complainant,
- including instances where the Complainant is incapable of giving consent because

of their age or because of a temporary or permanent mental incapacity.

C. Incest is defined as:

- Sexual intercourse,
- between persons who are related to each other,
- within the degrees wherein marriage is prohibited by MI law.

D. Statutory Rape is defined as:

E. Dating Violence is defined as:

- violence,
- on the basis of sex, gender identity or sexual orientation,
- committed by a person,
- who is in or has been in a social relationship of a romantic or intimate nature with the Complainant.
 - The existence of such a relationship shall be determined based on the Complainant's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition—
 - Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
 - Dating violence does not include acts covered under the definition of domestic violence.

F. Domestic Violence(5) is defined as:

- violence,
- on the basis of sex, gender identity or sexual orientation,
- committed by a current or former spouse or intimate partner of the Complainant,
- by a person with whom the Complainant shares a child in common, or
- by a person who is cohabitating with, or has cohabitated with, the Complainant as a spouse or intimate partner, or
- by a person similarly situated to a spouse of the Complainant under the domestic or family violence laws of MI, or
- by any other person against an adult or youth Complainant who is protected from that person's acts under the domestic or family violence laws of MI.

20. Prohibited Misconduct-Stalking

The following definition describes prohibited conduct that constitutes stalking:

A. Stalking is defined as:

- engaging in a course of conduct,
- on the basis of sex, gender identity or sexual orientation
- directed at the Complainant, that
- would cause a reasonable person to fear for the person's safety, or
- the safety of others; or
- Suffer substantial emotional distress.

For the purpose of this definition-

- Course of conduct means two or more acts, including, but not limited to, acts in which the Respondent directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.
- Reasonable person means a reasonable person under similar circumstances and with similar identities to the Complainant.
- Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling.

21. Prohibited Misconduct- Sexual Exploitation

The following definition describes prohibited sexual misconduct that constitutes sexual exploitation:

A. Sexual exploitation is defined as: (6)

- A person taking non-consensual or abusive sexual advantage of another, that does not constitute Sex-based Harassment as defined above,
- for their own benefit or for the benefit of anyone other than the person being exploited.

Examples of Sexual Exploitation include, but are not limited to:

1. Sexual voyeurism (such as observing or allowing others to observe a person undressing or using the bathroom or engaging in sexual acts, without the consent of the person being observed)
2. Invasion of sexual privacy (e.g., doxxing)

3. Knowingly making an unwelcome disclosure of (or threatening to disclose) a person's sexual orientation, gender identity, or gender expression
4. Taking pictures, video, or audio recording of another person in a sexual act, or in any other sexually related activity when there is a reasonable expectation of privacy during the activity, without the consent of all involved in the activity; or exceeding the boundaries of consent (such as allowing another person to hide in a closet and observe sexual activity, or disseminating sexual pictures without the photographed person's consent), including the making or posting of non-consensual pornography
5. Prostituting another person
6. Engaging in sexual activity with another person while knowingly infected with human immunodeficiency virus (HIV) or a sexually transmitted disease (STD) or infection (STI), without informing the other person of the virus, disease, or infection
7. Causing or attempting to cause the incapacitation of another person (through alcohol, drugs, or any other means) for the purpose of compromising that person's ability to give consent to sexual activity, or for the purpose of making that person vulnerable to non-consensual sexual activity
8. Misappropriation of another person's identity on apps, websites, or other venues designed for dating or sexual connections (e.g., spoofing)
9. Forcing a person to take an action against that person's will by threatening to show, post, or share information, video, audio, or an image that depicts the person's nudity or sexual activity
10. Knowingly soliciting a minor for sexual activity
11. Engaging in sex trafficking
12. Knowingly creating, possessing, or disseminating child sexual abuse images or recordings
13. Creating or disseminating synthetic media, including images, videos, or audio representations of individuals doing or saying sexually-related things that never happened, or placing identifiable real people in fictitious pornographic or nude situations without their consent (i.e., Deepfakes)

22. Prohibited Misconduct-Retaliation

The following definition describes prohibited conduct that constitutes retaliation:

A. Retaliation is defined as:

- Adverse action, including intimidation, threats, coercion or discrimination
- against any person,
- by GVSU, a student, employee, or a person authorized by GVSU to provide aid, benefit, or service under GVSU's education program or activity,
- for the purpose of interfering with any right or privilege secured by law or Policy, or

- because the person has engaged in protected activity, including reporting information, making a Complaint, testifying, assisting, or participating or refusing to participate in any manner in an investigation or Resolution Process under the GVSU Policy Prohibiting Discrimination, Harassment And Misconduct Procedures, including an Informal Resolution process, or in any other appropriate steps taken by GVSU to promptly and effectively end any discrimination or harassment in its education program or activity, prevent its recurrence, and remedy its effects.

The exercise of rights protected under the First Amendment does not constitute retaliation (7).

It is also not retaliation for GVSU to pursue Policy violations against those who make materially false statements in bad faith in the course of a resolution under the GVSU Policy Prohibiting Discrimination, Harassment and Misconduct. However, the determination of responsibility, by itself, is not sufficient to conclude that any party has made a materially false statement in bad faith.

Peer to Peer Retaliation is also prohibited.

23. Other Prohibited Misconduct

The following definitions describe other conduct prohibited under this Policy, if such conduct is on the basis of Protected Characteristics and does not otherwise meet a definition of prohibited misconduct under the Policy:

A. Bullying is defined as:

- repeated and/or severe aggressive behavior,
- that is objectively likely to intimidate or intentionally hurt, control, or physically or mentally diminish the Complainant, that is not speech or conduct that is otherwise protected by the First Amendment.

B. Endangerment is defined as:

- threatening or causing physical harm,
- extreme verbal, emotional, or psychological abuse, or
- other conduct which threatens or endangers the health or safety of any person or damages their property

C. Hazing is defined as:

- any act or action,
- which objectively does or is likely to endanger the mental or physical health or safety of any person
- as it relates to a person's initiation, admission into, or affiliation with any GVSU

group or organization

For the purposes of this definition:

- It is not necessary that a person's initiation or continued membership be contingent upon participation in the activity, or that the activity was sanctioned or approved by the student group or student organization, for an allegation of hazing to be upheld.
- It shall not constitute an excuse or defense to a hazing allegation that the participants took part voluntarily, gave consent to the conduct, voluntarily assumed the risks or hardship of the activity, or that no injury was suffered or sustained.
- The actions of alumni, active, new, and/or prospective members of a student group or student organization may be considered hazing.
- Hazing is not confined to the student group or student organization with which the person subjected to the hazing is associated.

24. Unauthorized Disclosure: (8)

Distributing or otherwise publicizing materials created or produced during an investigation or Resolution Process is prohibited except as required by law or as expressly permitted by GVSU.

Publicly disclosing institutional work product (produced, compiled, or written by GVSU for purposes of its investigation and resolution of a Complaint) that contains personally identifiable information without authorization or consent is also prohibited.

Parties and Advisors are prohibited from disclosing information obtained by GVSU through the Resolution Process, to the extent that information is the work product of GVSU or contains personally identifiable information, without authorization.

Violation of this Policy provision may be subject to significant sanctions.

25. Failure to Comply or Process Interference

Intentional failure to comply with the following OCRTIX actions is a violation of this Policy:

- reasonable directives of OCRTIX in the performance of their official duties, including with the terms of a no contact order;
- emergency removal or interim suspension terms;
- sanctions;
- terms of an Informal Resolution Agreement;
- mandated reporting duties as defined in this Policy

Intentional interference with the Resolution Process is a violation of this Policy. Such

interference can include but is not limited to:

- Destruction of or concealing of evidence;
- Actual or attempted solicitation of knowingly false testimony or providing false testimony or evidence;
- Intimidating or bribing a witness or party

26. Consent, Force, and Incapacitation

As used in this Policy, the following definitions and understandings of Consent, Force and Incapacitation apply:

1. Consent is defined as (9):

- knowing, and
- voluntary, and
- clear permission
- expressed by word or action
- prior to engaging in and during sexual activity.

Consent is active, not passive. Silence, or lack of resistance, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in sexual activity.

Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity. Consent may be withdrawn at any time as long as the withdrawal is reasonably and clearly communicated by word or action. If consent is withdrawn, that sexual activity should stop.

Previous relationships or prior consent cannot imply consent to future sexual acts. Consent cannot be given by an individual who one knows to be – or based on the circumstances should reasonably have known to be – incapacitated.

Individuals may experience the same interaction in different ways. Therefore, it is the responsibility of each party to determine that the other has consented before engaging in the activity.

An individual cannot consent who has been coerced, including being compelled by force, threat of force, or deception; who is unaware that the act is being committed; or who is coerced by a Supervisory or disciplinary authority.

Consent may not be given by a person who has not reached the legal age of consent under applicable law. Being impaired by alcohol or drugs will never function as a defense for any

behavior that violates this Policy.

Proof of consent or non-consent is not a burden placed on either party involved in a Complaint. Instead, the burden remains on GVSU to determine whether its Policy has been violated. The existence of consent is based on the totality of the circumstances evaluated from the perspective of a reasonable person in the same or similar circumstances, including the context in which the alleged misconduct occurred and any similar and previous patterns that may be evidenced.

Going beyond the boundaries of consent is prohibited misconduct. Thus, unless a sexual partner has consented to slapping, hitting, hair pulling, strangulation, or other physical roughness during otherwise consensual sex, those acts may constitute dating violence or sexual assault. (10)

2. Force is defined as:

- the use of physical violence, and/or
- physical imposition
- to gain sexual access.

Sexual activity that is forced is, by definition, non-consensual, but non-consensual sexual activity is not necessarily forced. Force is conduct that, if sufficiently severe, can negate consent.

Force also includes threats, intimidation (implied threats), and coercion that is intended to overcome resistance or produce consent (e.g., “Have sex with me or I’ll hit you,” which elicits the response, “Okay, don’t hit me. I’ll do what you want.”).

Coercion is unreasonable pressure for sexual activity. Coercive conduct, if sufficiently severe, can render a person’s consent ineffective, because it is not voluntary. When someone makes clear that they do not want to engage in sexual activity, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive. Coercion is evaluated based on the frequency, intensity, isolation, and duration of the pressure involved.

3. Incapacitation is defined as:

- a state where a person is incapable of giving consent.

An incapacitated person cannot make rational, reasonable decisions because they lack the capacity to give knowing/informed consent (e.g., to understand the “who, what, when, where, why, and how” of their sexual interaction).

A person cannot consent if they are unable to understand what is happening or are

disoriented, helpless, asleep, or unconscious for any reason, including because of alcohol or other drug consumption.

This Policy also covers a person whose incapacity results from a temporary or permanent physical or mental health condition, involuntary physical restraint, and/or the consumption of incapacitating substances.

Incapacitation is determined through consideration of all relevant indicators of a person's state and is not synonymous with intoxication, impairment, blackout, and/or being drunk.

If the Respondent neither knew nor should have known the Complainant to be physically or mentally incapacitated, the Respondent is not in violation of this Policy. "Should have known" is an objective, reasonable person standard that assumes that a reasonable person is both sober and exercising sound judgment.

27. Standard of Proof

GVSU uses the preponderance of the evidence standard of proof when determining whether a Policy violation occurred. This means that GVSU will decide whether it is more likely than not, based upon the available information at the time of the decision, that the Respondent is in violation of the Policy as alleged.

Absent the necessary proof, a Respondent is not considered in violation of the Policy and is presumed not to have violated the policy unless and until such proofs are made.

28. False Allegations and Evidence

Deliberately false and/or malicious accusations under this Policy are a serious offense and will be subject to appropriate disciplinary action. This does not include allegations that are made in good faith but are ultimately shown to be erroneous or do not result in a determination of a Policy violation.

Additionally, witnesses and Parties who knowingly provide false evidence, tamper with or destroy evidence, or deliberately mislead an official conducting an investigation or resolution process can be subject to discipline under appropriate GVSU policies.

29. Consensual Relationship Policy

GVSU recognizes there are inherent risks in any romantic or sexual relationships between persons in unequal positions, such as faculty member-student, Resident Assistant-supervisory student, or supervisor-employee. Any persons engaging in such relationships are subject to GVSU's [Consensual Relationship Policy, SLT 9.2](#).

This Policy (Policy Prohibiting Discrimination, Harassment and Misconduct) will also apply to

allegations of prohibited conduct under this Policy within such consensual relationships. Where the alleged prohibited conduct is by an Employee, Informal Resolution will not be permitted.

30. Resolution Process Confidentiality & Privacy

GVSU makes every effort to preserve the privacy of those involved in a process under this Policy.

Except as permitted or required by law, and applicable regulations (e.g., FOIA, Title IX, Family Educational Rights and Privacy Act (FERPA) and its implementing regulations) (11)(12), or to fulfill the purposes of this Policy, GVSU will not share the identity of:

1. any individual who has made a Complaint under this Policy;
2. any Complainant;
3. any individual who has been reported to be the perpetrator of discrimination, harassment or misconduct;
4. any Respondent; or
5. any witness

Additional information regarding confidentiality and privacy can be found in [GVSU's Confidentiality, Data & Security Policy](#) and in the [Confidential Reporting Options](#) provision of this policy.

For additional information regarding unauthorized disclosure, please refer to the [Unauthorized Disclosure provision](#) of this policy.

31. Interventions to Address Allegations of Discrimination, Harassment or Misconduct.

GVSU uses a number of interventions to address allegations of discrimination, harassment or misconduct, including offering Supportive Measures, initiating a Formal Resolution Process (Grievance Procedures), or engaging in an Informal Resolution Process. These efforts may include, but are not limited to, problem-solving, assistance, intervention, confrontation, investigation, and/or Policy enforcement.

When conflicts arise between the right of members of the community to be free from discrimination, harassment or misconduct, and those exercising their right to religious freedom or freedom of expression, GVSU will seek to balance rights and interests to find mutually agreeable outcomes or compromises. When that is not possible, GVSU will offer remedial solutions and/or enforce its Policies while also respecting the rights of all members of its community.

For questions regarding Expressive Activity on GVSU owned and controlled property, please refer to the relevant provisions of GVSU's [Grounds and Facility Use Policy](#).

32. Emergency Removal, Interim Actions, and Leaves of Absence

GVSU can act to remove a student Respondent accused of Discrimination, Harassment or Misconduct from its education program or activities, partially or entirely, on an emergency basis if an individualized safety and risk analysis has determined that an imminent and serious threat to the health or safety of any student or other individual justifies removal. This risk analysis is performed by GVSU using its standard risk assessment procedures. For additional information on emergency removal, interim actions and leave of absences, see the relevant Policy procedures.

Employees are subject to existing procedures for interim actions and leaves.

33. Federal Timely Warning Obligations

GVSU must issue timely warnings for reported incidents that pose a serious or continuing threat of bodily harm or danger to members of GVSU community pursuant to the Clery Act.

GVSU will ensure that a Complainant's name and other personal identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the potential danger.

34. Amnesty

In the interest of safety and compliance with all relevant laws and regulations, GVSU encourages the reporting of misconduct and crimes by Complainants, Respondents and witnesses. Sometimes, individuals are hesitant to give Notice to GVSU officials or participate in resolution processes because they fear that they themselves may be in violation of certain policies, such as underage drinking or use of illicit drugs at the time of the incident.

It is in the best interests of the GVSU community that Complainants choose to give notice of misconduct to GVSU officials, that witnesses come forward to share what they know, and that all Parties be forthcoming during the process.

To encourage reporting and participation in the process, GVSU offers students amnesty from such policy violations as underage alcohol consumption or the use of illicit drugs, when related to the alleged incident of prohibited conduct.

Student Amnesty

GVSU maintains an amnesty policy for students. For criteria regarding granting

amnesty, please see [GVSU policy STU 10.0](#).

35. Preservation of Evidence

The preservation of evidence is critical to any potential criminal prosecution and to obtaining restraining (protective) orders, and it is particularly time sensitive. Therefore, OCRTIX will inform the Complainant of the importance of preserving evidence at the time of initial receipt of a Complaint.

36. Independence and Conflicts of Interest

The Coordinator manages the OCRTIX and acts with independence and authority, free from bias and conflicts of interest. The Coordinator oversees all resolutions under this Policy and these procedures. The members of the Resolution Pool are vetted and trained to ensure they are not biased for or against any party in a specific Complaint, or for or against Complainants and/or Respondents, generally.

To raise any concern involving bias, conflict of interest, misconduct, discrimination or harassment by the Coordinator, contact the Vice President for People, Culture, and Equity.

Concerns of bias, misconduct, discrimination, harassment or a potential conflict of interest by any other OCRTIX employee or Resolution Pool member should be raised with the Coordinator.

37. Revision of Policy

This Policy succeeds previous policies addressing discrimination, harassment, and/or misconduct, though previous policies and procedures remain in force for incidents occurring before September 6, 2024.

The Coordinator reviews and updates these policies and procedures regularly. GVSU reserves the right to make changes to this document as necessary, and once those changes are posted online, they are in effect.

If government laws or regulations change or court decisions alter the requirements in a way that impacts this document, this document will be construed to comply with the most recent government laws, regulations, or court holdings.

This document does not create legally enforceable protections beyond the protections of the laws of the State of Michigan and federal laws that frame the provisions, generally.

This Policy is effective 09-06-2024.

FOOTNOTES

(1) The following are rights that are also applicable to employees of GVSU with Pregnancy or Related Conditions.

(2) Throughout this Policy, “on the basis of sex” or “sex-based conduct” means conduct that is sexual in nature, or that is directed to the Complainant because of his/her/their actual or perceived sex.

(3) Throughout this Policy, “on the basis of gender identity or sexual orientation” means conduct that is directed to the Complainant because of his/her/their actual or perceived gender identity or expression, including intersex, nonbinary, transgender, agender, two-spirit, gender-expansive, and gender-diverse students and employees and/or because of his/her/their actual or perceived sexual orientation, including members of the LGBTQ+ community.

(4) This would include having another person touch you sexually, forcibly, and/or without your consent.

(5) To categorize an incident as Domestic Violence under this Policy, the relationship between the Respondent and the Complainant must be more than just two people living together as roommates. The people cohabitating must be current or former spouses or have an intimate relationship.

(6) This offense is not classified under Title IX as “Sex-based harassment,” but it is included here in this Policy as a tool to address a wider range of behaviors.

(7) For additional information regarding Expressive Activity refer to GVSU’s [Grounds and Facility Use Policy](#).

(8) Nothing in this section restricts the ability of the Parties to obtain and present evidence, including by speaking to witnesses (as long as it does not constitute retaliation under this Policy), consult with the Parties’ own family members, confidential resources, or Advisors; or otherwise prepare for or participate in the Resolution Process.

(9) The definition of consent under Michigan law is applicable to criminal prosecutions for sex offenses. Such definition may differ from the definition used by GVSU to address Policy violations.

(10) Consent in relationships must also be considered in context. When Parties consent to BDSM (bondage, discipline, sadism, masochism) or other forms of kink, non-consent may be shown by the use of a safe word. Resistance, force, violence, or even saying “no” if part of the kink would be consensual.

CONSENSUAL RELATIONSHIP POLICY

Inclusion and Equity/Office of Affirmative Action

POLICY STATEMENT

Possessing and mastering a range of thoughtful perspectives is necessary for open inquiry, a liberal education, and a healthy community. Recognizing this, the University seeks to include, engage, and support a diverse group of students, faculty, and staff. The institution values a multiplicity of opinions and backgrounds, and is dedicated to incorporating multiple voices and experiences into every aspect of its operations. We are committed to building institutional capacity and strengthening our liberal education through providing an inclusive environment for all of our University constituents.

Article I. Purpose

The University's goals are to maintain a positive work environment and a climate conducive to learning for students. The unequal institutional power inherent in academic and work relationships may heighten the vulnerability of those in subordinate positions. Accordingly, individuals holding positions of authority at the University must be aware of and sensitive to the potential conflict of interest, ethical concerns, and issues of sexual harassment that may occur in consensual relationships. Specifically, the parties to a consensual relationship must be aware that such relationships can create in co-workers and students perceived and real conflicts of interest. These relationships also create an environment of fear of unfair treatment in terms of promotions, grades, professional and/or educational opportunities, etc. This Policy outlines expectations for institutional and individual conduct that apply to all University faculty and staff members and students.

Article II. Consensual Relationships

Consensual romantic and sexual relationships between faculty and their students or between supervisors and their subordinates are inappropriate. Individuals should be aware that these relationships may create a perception of favoritism while the relationships continue. These relationships may be less consensual than perceived by the individual whose position confers power. The relationship also may be viewed in different ways by each of the parties, particularly in retrospect. Furthermore, circumstances may change and the conduct that was previously welcome may become unwelcome. If a sexual harassment complaint is subsequently filed, the argument that the relationship was consensual will be evaluated in light of the power differential in determining whether the University's Anti-Harassment Policy has been violated. Under these circumstances, it will be extremely difficult to use mutual consent as a defense.

Consensual Romantic or Sexual Relationships between Faculty/Staff and Students.

A faculty or staff member who has educational, supervisory, evaluation, advising, coaching, or counseling responsibilities for students shall not assume or maintain those responsibilities for a student with whom the faculty or staff member has engaged in romantic or sexual relations, even if such relations were consensual. Whether such romantic or sexual relationships predate the assumption of educational, supervisory, evaluation, advising, coaching, or counseling responsibility for the student, or arise out of the educational relationship, the faculty or staff member shall immediately disclose the romantic or sexual relationship to his or her Unit Head or supervisor, who shall promptly arrange alternate oversight of the student.

Consensual Romantic or Sexual Relationships between Supervisors and

Subordinates. If a romantic or sexual relationship exists or develops between a supervisor, manager, or administrator and an employee for whom they have professional responsibility, the individuals involved in the relationship must promptly consult the next highest level of supervision (e.g., a supervisor, department head, Vice President, Dean) to determine whether arrangements can be made to eliminate all conflicts of interest. If such arrangements can be made that do not disadvantage the subordinate and are acceptable to the supervisor, manager, or administrator, they must be documented, and ensure that the supervisor does not hire, supervise, advise, evaluate, or otherwise directly influence the subordinate's employment. Relationships between supervisors, managers, or administrators and their subordinates are prohibited when the working relationship is such that it is not possible to eliminate the conflicts of interest. Students employed by the University who supervise other student employees are covered by this section.

Consensual romantic or sexual relationships between students. Complaints concerning relationships between students are governed by the GVSU Student Code.

Article III. Disciplinary Actions

Disciplinary action will be taken against faculty or staff members who violate this Policy, either by entering into or engaging in a sexual relationship with a student or subordinate for whom they have educational, supervisory, evaluation, advisory, coaching, or counseling responsibilities or by failing to report such relationship or failing to cooperate in making alternative arrangements.

Article IV. Confidentiality

Confidentiality of the disclosure of consensual romantic or sexual relationships will be observed to the extent permitted by law and that is consistent with protecting the welfare of faculty, staff, and students and the interests of the University.

ADA ACCOMMODATION POLICY FOR FACULTY, STAFF, AND STUDENTS WITH DISABILITIES

SLT 9.5

Date of Last Update:

Approved By:

- Senior Leadership Team

Responsible Office:

Inclusion and Equity

POLICY STATEMENT

Grand Valley State University is committed to the fundamental academic principles of equity and accessibility by providing all faculty, staff, and students with access to the University's programs, services, events, and activities. The aim of this policy is to support an inclusive academic environment by incorporating design concepts that reduce or remove barriers.

University faculty, staff, and students who are persons with a disability are not required to disclose a disability or to request an accommodation. However, the University cannot accommodate an individual who does not inform the University about their disability and their need for an accommodation. A faculty, staff, or student seeking an accommodation must submit a request to the appropriate Accessibility Resources office (student vs. employee) and

follow its procedures.

Note that the University conducts a survey of faculty and staff for statistical purposes, and this does not constitute a method of disclosure or self-identification consistent with this policy.

If a faculty or staff member requests an accommodation during conversation with a supervisor/unit administrator, the supervisor/unit administrator will refer the faculty or staff member to the Employee Accessibility Resources or its web site [at this link](#). Disclosing a disability to a supervisor does not itself compel an obligation to accommodate.

Reasonable accommodations vary depending on the circumstances of each case. In evaluating alternatives for accommodation, the preferences of the individual are considered, but the ultimate decision regarding what type of accommodation, if any, will be provided is made by the University. Nothing in this document shall be construed to waive the University's right to contest whether a faculty, staff, or student is disabled or is entitled to an accommodation.

Medical documentation, as well as other related materials, will be maintained by the appropriate Accessibility Resources office. Such documentation is kept confidential, except as necessary to administer the accommodation process or otherwise permitted by law. Such documentation may be shared only with those individuals involved in the accommodation process on an as needed basis.

Documentation guidelines and verification forms are available if you need assistance obtaining sufficient documentation www.gvsu.edu/accessibility.

PROCEDURES

Steps for Students Requesting Accommodation(s):

1. Disclose as a person with a disability by application to Student Accessibility Resources (SAR). Indicate the need for accommodation(s) in the application. SAR will contact the applicant to schedule their first appointment
2. Provide documentation of the disability from an appropriate professional. The medical professional must have first-hand knowledge of the condition and a familiarity with the physical, emotional, and cognitive demands of the disability.
3. Attend a first meeting with an SAR advisor to discuss appropriate accommodations. Afterward, the applicant will be provided with an accommodation memo from their SAR advisor that may take 5 to 7 days to complete.
4. Share the appropriate accommodation memorandum "memo" with other university

personnel as appropriate. Accommodations are not retroactive; therefore, it is imperative to deliver new or updated memos in a timely manner.

Steps Faculty and Staff to Request Accommodation(s):

1. Disclose as a person with a disability by application to Employee Accessibility Resources (EAR). Indicate the need for accommodation(s) in the application. EAR will contact the applicant to schedule their first appointment.
2. Provide documentation of the disability from an appropriate professional. The medical professional must have first-hand knowledge of the condition and a familiarity with the physical, emotional, and cognitive demands of the disability.
3. Attend a meeting with an EAR advisor. If work accommodations are needed, the advisor will contact the supervisor/unit administrator and discuss whether an accommodation is warranted, explore possible accommodations, and assess the effectiveness each accommodation would have in enabling the faculty or staff member to perform their job considering the following:
 - a. The essential job functions of the position. The essential functions are the fundamental job duties of the employment position at issue.
 - b. The faculty or staff member's qualification for the position, defined as ability to perform the essential functions of the job with or without reasonable accommodations; and,
 - c. Types of reasonable accommodations, if any, are needed.

During the accommodation request process, Accessibility Resources may:

1. Request additional documentation;
2. Consult with Human Resource office (for employees);
3. Evaluate whether the accommodation is needed, if needed, whether the accommodation would be effective, and if effective, whether providing the reasonable accommodation would impose an undue hardship.
4. Assess various accommodations;
5. Identify alternative accommodations or solutions;
6. Provide information from resources about the capabilities of persons with similar disabilities and the tools/techniques they use;
7. Determine a reasonable accommodation, if appropriate;
8. Provide a written determination to the department/unit and faculty or staff member;
9. Explain the department/unit's responsibility to fund an accepted accommodation or seek alternative funding, if needed.

Appeals

Appeal of the Determination

The Division of Inclusion and Equity will designate a trained University staff member to review the appeal. This staff member will be someone who was not involved at any point earlier in the interactive process.

Appeals are limited to the following grounds:

1. A procedural irregularity that would change the determination.
2. New information that would change the determination and that was not reasonably available at the time the determination was made.
3. The ADA advisor had a conflict of interest against the person requesting the accommodation that would change the determination.

Request for an Appeal

Submit a written request for appeal to the Division of Inclusion & Equity within three (3) business days of delivery of the determination by sending an email to fsaccessibility@gvsu.edu.

A trained staff member will meet with the person requesting the accommodation within ten (10) business days of delivery of the request for appeal to discuss the request.

Appeal Decision-making Process

Appeal decisions are to be deferential to the original determination, making changes only when there is a compelling justification to do so. The trained staff member responsible for the appeal decision may contact the faculty or staff member's supervisor/unit administrator, other uninvolved Accessibility Resources staff members, and/or legal counsel in preparation for the appeal decision, if needed and within the bounds of this policy.

Appeal Outcome

An appeal may be granted or denied. Appeals that are granted will result in a new accommodation determination that supplants the original determination. Appeals that are denied will result in the application of the original determination. Once an appeal is decided, the outcome is final.

Retaliation

Retaliation against a faculty or staff member who requests an accommodation is prohibited. Individuals who feel that they have experienced retaliation may [The University's](#)

RELIGIOUS INCLUSION POLICY

SLT 9.6

Date of Last Update:

November 19, 2012

Approved By:

- Senior Leadership Team

Responsible Office:

Inclusion and Equity/Office of Affirmative Action

POLICY STATEMENT

Possessing and mastering a range of thoughtful perspectives is necessary for open inquiry, a liberal education, and a healthy community. Recognizing this, the University seeks to include, engage, and support a diverse group of students, faculty, and staff. The institution values a multiplicity of opinions and backgrounds, and is dedicated to incorporating multiple voices and experiences into every aspect of its operations. We are committed to building institutional capacity and strengthening our liberal education through providing an inclusive environment for all of our University constituents.

Purpose

Many University students, staff, and faculty observe religious traditions from a variety of religions. This Religious Inclusion Policy ("Policy") acknowledges the right of students, staff, and faculty to engage in religious observances. The University is committed to accommodate the exercise of that right.

The University acknowledges that conflicts in scheduling mandatory academic requirements and employment obligations with religious observances are inevitable. Although the University does not observe religious holidays, it recognizes that there are a number of religious holidays that affect significant numbers of our students, staff, and faculty. This Policy is intended to provide clarity to students, staff, and faculty who seek accommodation to practice their faith.

PROCEDURES

Accommodations

Grand Valley State University will make a reasonable effort to allow its students, staff, or faculty to be away from work or a class to observe their religious beliefs, except where accommodating the request would result in undue hardship on the University in its mission, operation or in meeting its academic standards. The University provides quiet areas for student, staff, and faculty reflection, meditation, and prayer. A list of these quiet areas may be found on the Inclusion and Equity webpage.

Faculty should be sensitive to the observance of religious holidays so that students who miss classes to practice their faith are not disadvantaged. A list of religious holidays is found on the Inclusion and Equity website. Please note that this list is meant to be inclusive of most major religious traditions (although certainly not comprehensive), and that religious holidays have no official status at the University.

Faculty should make every effort to avoid scheduling examinations or assigning work that is due on religious holidays. Some religious holidays begin at sundown on the evening before the published date of the holiday. Consequently, faculty should avoid scheduling late afternoon

exams on these days.

Faculty shall not penalize any student who has properly notified the faculty member by complying with the Request Accommodation Procedure for his/her absence in classes, examination, or assignments. Faculty should accept a student's claim of a scheduling conflict on religious grounds at face value. If class attendance is required by the faculty member, classes missed to observe a religious holiday may not be counted as an absence.

Faculty must provide a reasonable opportunity for such a student to make up missed assignments and examinations within a reasonable time period before or after the student's absence, provided the student has properly notified the faculty member by submitting a Request Accommodation Form. Faculty must give the student the opportunity to do appropriate make-up work that is no more difficult or time-consuming than the original exam or assignment.

Nothing in this Policy, however, exempts a student from meeting course requirements or completing assignments. The faculty member may respond appropriately if the student fails to satisfactorily complete the make-up assignment or examination.

Further, when scheduling university events and activities, such as Family Weekend, Commencement, Convocation, and University sponsored conferences, planners should consult the list of religious holidays on the Inclusion and Equity website before selecting the date and time to ensure inclusiveness.

Religious Accommodation Procedure

All requests for accommodation for religious observance should be made in the following manner:

Students: Faculty should inform students of all examination dates and assignment deadlines at the start of each semester in the class syllabus. If a conflict with a religious observance exists, students must request a religious accommodation from their faculty within the first two weeks of each semester or as soon as reasonably possible after the instructor announces a particular mandatory class, examination, or assignment so that alternative arrangements can be made for any class, examinations, or assignments missed. If an accommodation is needed within the first two weeks of the semester, the student must provide the faculty member with reasonable advance notice of the need for accommodation. Requests for accommodation must be made through a Religious Accommodation Form, which may be found at the Dean of Students Office, the Office of Affirmative Action or under "Forms" at www.gvsu.edu/inclusion. It is the student's responsibility to provide faculty with reasonable notice of the need for accommodation and the timing of the notice may be taken into account in determining

whether granting the request would create an undue hardship.

The faculty member and the student should discuss and agree upon what would constitute a reasonable accommodation in each given case. If the student and faculty member agree upon an accommodation, the accommodation must be carried out and disclosed on the Religious Accommodation Form. The completed Religious Accommodation Form shall be filed by the faculty member in the Dean of Students Office.

If the student and faculty member cannot agree on an accommodation, either party may bring the matter to the Unit Head to determine the accommodation. Either party may appeal the Unit Head's decision to the Dean, who will make a final binding decision.

Where a student has obligations to a placement site (e.g. internships), that student must also work out arrangements with the placement site to make up for missed responsibilities or duties.

Staff: The use of vacation and personal leave is governed by the staff member's respective Board of Trustees' Policies, Staff Handbook, or Collective Bargaining Agreement. Vacation days requested for the express purpose of religious observance will not be unreasonably denied by the staff member's supervisor if the staff member has accrued vacation leave or is eligible for personal leave and the granting of leave or vacation time will not result in undue hardship for GVSU.

Faculty: The use of vacation and personal leave is governed by the Faculty Handbook. Requests by a faculty member for leave for religious accommodation, however, shall be considered under this Policy if the faculty member has made arrangements for any missed classes and the granting of the leave will not result in undue hardship for GVSU. Faculty that miss class time due to a religious observance must make alternate arrangements for that time with his or her Unit Head. If the Unit Head denies the request, the faculty member may appeal to the Dean, who will have final decision authority over the request.

Nothing in this Policy exempts a GVSU faculty or staff member from fulfilling their job responsibilities.

Confidentiality

Although discretion will be exercised, a guarantee of confidentiality or anonymity cannot be made because the determination of a reasonable religious accommodation will involve discussions with other parties. Information about the request for religious accommodation will be revealed only as the deliberation process requires. Discretion will be observed to the extent permitted by law and that is consistent with protecting the welfare of the students, staff, and faculty and the interests of the University.

Retaliation

Any attempt to retaliate against an individual who files a religious accommodation request or otherwise utilizes this Policy is prohibited.

MINORS ON CAMPUS POLICY

Human Resources

POLICY

“Grand Valley is committed to strengthening our living, learning, and working environment by recognizing and removing the barriers to full participation and providing a safe, inclusive, vibrant community for all.” -- *Inclusiveness* core value section of [the University's Strategic Plan](#).

Grand Valley State University is committed to being a safe and healthy environment for all. This includes students, faculty, staff, and campus visitors, especially those who are minors. As a public university open to everyone, the University welcomes children and teenagers on our campuses for a variety of programs and activities planned by the University or by outside organizations. In all situations, adults are expected to be positive role models for minors, acting in a respectful and responsible manner consistent with the mission and values of the University. To promote this vision, the University publishes and enforces policies, procedures, and guidelines that have the goal of promoting health, safety, and security for [minors on our campuses](#).

“Minors” are persons under the age of eighteen (18), and the term “Minor,” “Minors,” “Child,” and “Children” are used interchangeably in this policy. Further definitions may be found below. This policy addresses the following situations:

- A Minor will be physically present and participating in a University-sponsored program or

activity, either taking place on University property or under the authority and/or direction of the University at other locations (this includes academic and sports camps);

- A Minor child will be physically present and participating in a program or activity at the University that is sponsored by a third party (this includes programs for K-12 students sponsored by a school system);
- A Minor is enrolled in one or more courses on campus, either as a matriculated student, a guest student from another institution of higher education, or a dual-enrolled student; or,
- Other events where Minors are physically present at the University, such as situations when parents/legal guardians are expected to accompany and provide supervision to Minors in their care (this includes Admissions activities and events and performances open to the public).

POLICY STATEMENT

I. Requirements of Programs that Involve Minors

Programs are typically workshops, sports camps, academic camps, conferences, and similar activities. Some activities that are exempt from Section I can be found in Sections III-V.

A Sponsoring Unit offering or approving a [Program](#) that involves Minors or provides University housing for Minors participating in a Program, whether utilizing University housing or not, shall abide by the following:

1. Waiver or release forms: participation, medical treatment, use of photographs and other media: All Minors participating in a University Program must provide a waiver or release form for participation in the program, medical treatment authorization, and use of photographs and other media by the University. This can be one form or several, and all forms must be signed by a [Parent, Legal Guardian, or Foster Parent](#) prior to their participation in a Program.
2. Behavior of Minors on Campus. Minors are to be held to the same standards of behavior expected of enrolled students, as described in [University policies](#).
3. Information maintained by Programs. All Programs shall maintain an up-to-date list of all Program times and dates, locations, attendance information (names, ages and emergency contacts for Program Participants); list of all Authorized Adults, documentation of their training (item #5 below) and background check (item #6 below) for the Program; and a Program contact, so that in the event of an emergency, appropriate measures may be taken. All Programs must establish a procedure for the notification of a Program Participant's Parent/Legal Guardian/Foster Parent in the case of an emergency, which might include medical or behavioral issues involving the Minor, or changes in the Program due to unforeseen and significant disruptions. Parents/Legal

Guardians/Foster Parents must also be given contact information in a manner in which the Program Participant can be contacted while the Program is in session. All information, including release forms, shall be retained by the Sponsoring Unit for five years after the Program ends.

4. Supervision of Minors. All Programs must provide adequate supervision of Minors while they are on Campus. One-on-One Contact with Minors is discouraged, unless in public spaces. In general, it is required that two or more Authorized Adult will be involved in activities where Minors are present. Parents/Legal Guardians/Foster Parents may sign a waiver giving consent for their Child to be alone with an Authorized Adult. (For example, if music lessons are being provided by an adult instructor.) Exceptions in rare circumstances may also be granted (see below).
5. Training of Authorized Adults. Each [Authorized Adult](#), who is not the Minor's Parent, Legal Guardian, Foster Parent or an adult designated by the Parent or Legal Guardian, who will be participating with Minors in a Program, shall complete training in the conduct and reporting requirements of this policy. This training is given to maximize the protection of Minors from abuse of any kind. The appropriate vice president, dean, unit head, or area director may enhance and/or supplement the required training Program to meet specific needs of the particular Program involved. Documentation that the Authorized Adults have been trained should be maintained by a designated and identified member of the Program's Sponsoring Unit for five years.
6. Background checks of Authorized Adults. All Authorized Adults in the Program must complete and submit the Authorization for Release of Information for Background Check form to Human Resources. Background checks must be completed every five years. (See also [PC 10.7 Volunteers Policy](#), for Authorized Adults who are not University employees.)
7. Procedures for release of Minors. All Programs must establish a procedure for the pick-up and drop-off of Program Participants, specifying times and locations. The Authorized Adult(s) overseeing the pick-up and drop-off of Program Participants shall remain at the specified location until all Minors have been released. If a minor is not picked up, the Authorized Adult(s) will contact the parent or guardian, the program director and finally, Grand Valley Department of Public Safety if needed.

In rare circumstances, strict adherence to this policy's requirements may not always be feasible or be the best practice for managing risk. If a Program can justify an exception in consultation with and with approval from Human Resources, or, when appropriate, obtain written consent by the Parent/Legal Guardian/Foster Parent for the parameters applicable to the Program, certain requirements under this policy may be waived. Such waivers will be considered on a case-by-case basis.

II. Conduct Requirements of Authorized Adults

All Authorized Adults, participating in Programs and activities covered by this policy, should be positive role models and act in a caring, honest, respectful, and responsible manner. They are required to comply with all applicable laws and University policy. In addition, at all times, they shall:

1. In general, avoid One-on-One Contact with Minors, unless in public spaces. Two or more Authorized Adults must be involved in Programs where Minors are present unless a waiver has been signed or an exception has been granted.
2. Have separate accommodations from the Minors. An Authorized Adult should not have One-on-One Contact by entering a Minor's room, bathroom facility, or similar area without another Authorized Adult in attendance.
3. Not take photographs or digital images of Minors other than specified in the waiver for photography (see Section I.1).
4. Not engage in private communication not pertaining to Program matters with a Minor by email, telephone, text message, social media, or any other method at any time, except when there is a clear educational purpose and the communication is consistent with the mission of the University.
5. Not meet with Minors outside of established times for Program activities. Any exceptions require written Parent/Legal Guardian/Foster Parent authorization and must include more than one Authorized Adult from the Program.
6. In the presence of a Minor or during any University Program, not engage in any sexual activity or romantic conversations, or sexually explicit comments.
7. Not possess, have within reach and/or share sexually-oriented printed or computerized or portable materials (magazines, cards, videos, films, clothing, smartphones, etc.) in any form available to Minors participating in Programs or activities covered by this policy or assist them in any way in gaining access to such materials. The one exception would be legitimate sexual education Programs in which the Minor's Parent/Legal Guardian/Foster Parent have given prior written consent.
8. Not engage in abusive conduct of any kind toward, or in the presence of, a Minor. For example, no Authorized Adult shall strike, hit, administer corporal punishment or touch in an abusive or illegal manner any Minor. If necessary, touching should only be in the open, in response to the Minor's immediate physical needs, for a purpose that is consistent with the Program's mission and culture, or for a clear educational, development, safety, or health-related purpose (i.e., treatment of an injury).
9. Not possess fireworks, firearms, knives, or other weapons, unless being used for an officially sanctioned and approved instructional Program. (See also the Weapons policy [[PC 6.27](#)].)

10. Not transport Minors, except as specifically authorized in writing by the Minor's Parent/Legal Guardian/Foster Parent, or in the case of an emergency.
11. Not engage in the use of alcohol or illegal drugs, or be under the influence of alcohol or illegal drugs, during such Programs or activities. (See also the Alcohol and Other Drugs policy [[PC 5.1](#)].)
12. Respect and adhere to any resistance from the Minor unless it is a life- threatening emergency.
13. Not continue to participate in Programs or activities if an allegation of prohibited or illegal conduct has been made against an Authorized Adult covered by this Policy until such allegation has been satisfactorily resolved and future participation in Programs is permitted by the University.
14. Not engage in any activity that violates the policies of the University (www.gvsu.edu/policies). This includes the harassment policies [[PC 9.1](#)], the Sexual Misconduct policy [[PC 9.1](#)], and the Religious Inclusion policy [[PC 9.6](#)].

Those who do not meet the prescribed standards of behavior may be asked to leave the Campus and/or Program and may be subject to expulsion from the Program, suspension of attendance, being issued a "no-trespass" order by Public Safety, or disciplinary action up to and including termination of employment. (See also Section VII of this policy.)

The behavioral requirements in this policy are not meant to preclude enrolled University students from developing appropriate friendships with Minors who are close in age to the enrolled student; rather, the requirements are meant to protect Minors from abusive or illegal contact and inappropriate relationships.

III. Third Party Programs Held on University Property

Third Parties using University facilities for events that involve Minors shall operate within all policies and requirements to use University facilities. In addition, adults who interact with Minors in these activities shall conform to the conduct requirements in Section II of this policy.

IV. Minors Enrolled in Courses

Minors who are matriculated students of the University, guest students from other institutions, or dual-enrolled students are subject to all [university policies](#). Adults who interact with Minor students (e.g. faculty teaching courses, academic advisors) are also subject to all [university policies](#) and shall conform to the conduct requirements in Section II of this policy. The requirements of Section I of this policy do not apply.

V. Minors at the University Who Are Not Participating in a Program

1. Minors brought to Campus by an employee, student, or visitor, and who are not

participating in a Program by a Sponsoring Unit, are the sole responsibility of the employee, student, or visitor. The person bringing the child to Campus is responsible for all aspects of the Minor's behavior including the Minor's safety and is financially responsible for any damages caused by the Minor.

2. Minors are permitted at events and venues open to the public. However, the University reserves the right to determine, in its sole discretion, whether selected events or venues are appropriate for unescorted or unsupervised Minors.
3. In the event a Minor is on Campus and 1) is unsupervised by an adult, 2) they are not a Participant in a University Program, and 3) they are not a Participant in a Third Party Program (Section III), they may be required to leave the Campus.

Activities for which this Section V of the policy is relevant include:

- Events or performances on Campus that are open to the general public (e.g., athletic competitions, plays, concerts);
- Pre-enrollment visits such as admission, recruiting, and orientation events;
- Services provided by the Campus Health Center or other similar On-Campus clinical services during which a Minor is under the supervision of a Parent/Guardian/Foster Parent or a clinical provider;
- Non-residential field trips to Campus supervised by a Minor's school or organization;
- Private, personal events (e.g., birthday parties, weddings) for which the user has a separate, signed agreement with the University to use space on Campus.

The following activities are exempt from this policy: Off-campus clinical, practicum, internships, student teaching, or similar experiences in which (1) University students (undergraduate or graduate) interact with Minors as part of the experience and (2) are supervised by a third party. This also includes Off-Campus events in which registered student organizations participate with third-party organizations.

VI. Reporting Requirements

Reporting requirements of suspected child abuse or other illegal conduct towards a Minor shall be in accordance with applicable federal, state and local laws. In particular, see:

- [State of Michigan Department of Health and Human Services rules on reporting abuse and neglect](#) (This page includes indicators of child abuse and/or neglect and the State of Michigan's definition of "Mandatory Reporters".)

Individuals who witness or suspect child abuse should not conduct an investigation or delay in notifying the appropriate authorities **via 911**. Such actions could taint any appropriate criminal or administrative investigation and render evidence inadmissible.

In addition, the University's Police Department/Public Safety site provides up-to-date definitions of unlawful behavior:

<https://www.gvsu.edu/gvpd/title-ix-and-campus-security-authority-report-141.htm>

VII. Additional Considerations

1. When an Authorized Adult or other person has been alleged to engage in inappropriate conduct with a Minor, that individual must discontinue any further participation in Programs covered by this policy until such allegation has been satisfactorily resolved and the individual has been given written permission by the University to participate again in Programs. Resolution of the allegation will involve appropriate investigatory steps, and any written permission to continue participation (or participate in the future) in a Program covered by this policy must be coordinated with Human Resources.
2. Any person that requires accommodations due to a disability, while visiting campus must inform the Sponsoring Unit of their needs.

VIII. Interaction with Other Standards, Practices, and Requirements

Nothing in this policy is meant to supersede or replace the standards of practice of other entities in responding to child abuse, suspected incidents of child abuse or threats of child abuse. Satisfying the requirements of this policy does not relieve a person from any obligation to follow the protocols of another entity that may apply to the particular incident. Individual University units maintain the discretion to impose safety measures beyond those required by this policy on University Programs they sponsor or oversee. Additionally, all state and federal requirements must be followed.

PROCEDURES

Human Resources may develop forms and [guidelines](#) to assist Programs that wish to work with Minors on Campus. In addition, Human Resources will conduct random audits annually to ensure compliance with this policy.

POLICY STATEMENT

All faculty/staff communications from University email accounts should reflect the University's brand. To keep our brand identity strong and consistent, and to enhance credibility for our faculty and staff who communicate via email, all emails created by University employees and delivered via the University's email system should feature email signature blocks consistent with this policy.

An email signature block is text and other University information appended to the end of an email in order to identify the sender and facilitate further contact. Official University email signature blocks establish credibility for our faculty and staff by clearly identifying them and their roles at the University. The official signature block provides contact information for the employee and points email recipients to the University website, a key source of information about the University.

All emails using a University account should have signature blocks consistent with the University brand. The following items are permissible but not required:

- Employee's name
- Employee's official University title(s)
- Employee's department or office name
- Gender pronouns
- Grand Valley State University
- University's website address, www.gvsu.edu
- Department or Program website
- University or departmental trademarks or logos
- the University's general address or employee's University address
- Employee's department and/or office telephone number, and fax number
- Employee's mobile phone number
- Employee's campus email address

- Social media account addresses used solely for advancing scholarly or professional pursuits
- Other University related information may be added such as departmental mission statement, and a link to University created social media account(s)
- A confidentiality statement is permitted for use below the email signature on all outgoing emails, such as:

The content of this email is confidential and intended only for the recipient(s) specified. If you received this message by mistake, please reply so the sender can correct the error, and then delete this email immediately. Do NOT forward it to a third party without the written consent of the sender.

Employees may not add to their official email signature block any personal information, including links to personal websites or social media accounts that are not used solely for scholarly or professional pursuits related to their position at the University. Except for messages of and concerning the University no mottos, symbols, quotations, taglines or other statements may be added to the email signature block, as these may be misunderstood as representing the University's official positions, values or views.

All faculty and staff shall comply with this policy by creating an approved email signature block and using it consistently when communicating via their University email accounts. Should there be noncompliance to this policy, the individual's supervisor and/or vice president will enforce compliance through appropriate means.
