POLICY

This policy applies to all students and employees of Grand Valley State University as a condition of attendance and employment. Employees and students may apply for a medical or religious exemption, or a temporary postponement if their work responsibilities/classes are completely remote and they will not be coming to campus.

All students and employees covered by this policy are required to be fully vaccinated. Employees are considered fully vaccinated two weeks after completing primary vaccination with a COVID-19 vaccine. All students and employees are required to provide truthful and accurate information about their COVID-19 vaccination status, and, if applicable, their testing results. Students and employees not in compliance with this policy will be subject to discipline, including separation from the university.

Employees and students may apply for an exemption or postponement from this mandatory vaccination policy if the vaccine is medically contraindicated for them or medical necessity requires a delay in vaccination. Employees and students may also apply for a religious exemption. Requests for these exemptions or postponements must be initiated by completing the Exemption Form, which can be found on the Lakers Together website, GVSU Health Hub website or Human Resources website.
Vaccination is a vital tool to reduce the presence and severity of COVID-19 cases in the workplace, on campus, in classrooms, in communities and across the nation as a whole. Grand Valley State University has adopted this policy on mandatory vaccination to safeguard the health of our students and employees from the hazard of COVID-19.

**Confidentiality and Privacy:**
All medical information collected from individuals, including vaccination information, test results, and any other information obtained as a result of testing, will be treated in accordance with applicable laws and policies on confidentiality and privacy.

**PROCEDURES**

**Overview and General Information**
All Grand Valley State University students and employees must be fully vaccinated or have received an approved exemption or temporary postponement upon employment or attendance.

To be fully vaccinated one must:

- Obtain the first dose of a two-dose vaccine no later than the first day of work or on campus; and the second dose no later than what is recommended by the Centers for Disease Control & Prevention (CDC), or
- Obtain one dose of a single dose vaccine no later than the first day of work or on campus.

You will be considered fully vaccinated two weeks after receiving the requisite number of doses of a COVID-19 vaccine. You will be considered partially vaccinated if you have received only one dose of a two-dose vaccine.

Vaccines are available now from health care providers, pharmacies, and local health departments.

**Vaccination Status and Acceptable Forms of Proof of Vaccination**
All vaccinated individuals are required to provide proof of COVID-19 vaccination, regardless of where they received vaccination. Proof of vaccination status can be submitted via the online self-assessment or Med+Proctor.

Acceptable proof of vaccination status:

1. The record of immunization from a health care provider or pharmacy;
2. A copy of the COVID-19 Vaccination Record Card;
3. A copy of medical records documenting the vaccination;
4. A copy of immunization records from a public health, state, or tribal immunization information system; or
5. A copy of any other official documentation that contains the type of vaccine administered, date(s) of administration, and the name of the healthcare professional(s) or clinic site(s) administering the vaccine(s).

Proof of vaccination generally should include the individual’s name, the type of vaccine administered, the date(s) of administration, and the name of the health care professional(s) or clinic site(s) that administered the vaccine. In some cases, state immunization records may not include one or more of these data fields, such as clinic site; in those circumstances Grand Valley State University will still accept the state immunization record as acceptable proof of vaccination.

If you lost your COVID-19 vaccination record, the Michigan Department of Health and Human Services (MDHHS) has launched the Michigan Immunization Portal. Michiganders ages 18 and older with immunization records posted in the Michigan Care Improvement Registry (MCIR) will be able to locate their own record online and download, save or print this information. Users must create a MIlogin account at [Michigan.gov/MiImmsportal](http://Michigan.gov/MiImmsportal) and upload a valid government issued photo ID, such as a driver’s license, state ID or passport. There is no cost to access the portal.

All students and employees are required to inform Grand Valley State University of their vaccination status. The following table outlines the requirements for submitting vaccination status documentation.

**See Table Below:**

### Paid Time Off to Receive a COVID-19 Vaccination

**Employees** may take up to four hours of paid time per dose for travel to the vaccination site, receipt of a vaccination, and return to work for a maximum of eight hours of paid time for employees receiving two doses. Employees who take longer than four hours to get one dose of the vaccine must send their supervisor an email documenting the reason for the additional time. Additional time requested will be granted, if reasonable, but will be unpaid; employees can elect to use accrued leave, e.g., sick leave, to cover the additional time. If an employee is vaccinated outside of their approved duty time they will not be compensated.

Employees may utilize Emergency Paid Sick Leave (EPSL) immediately following each dose if they have side effects from the COVID-19 vaccination that prevent them from working. Usage
of this leave time is subject to availability.

**Employee Notification of COVID-19 and Removal from the Workplace**

Grand Valley State University will require employees to promptly notify their supervisor when they have tested positive for COVID-19 or have been diagnosed with COVID-19 by a licensed health care provider.

**Medical Removal from the Workplace**

Grand Valley State University has implemented a policy for keeping COVID-19 positive employees away from the workplace in certain circumstances. Grand Valley State University will immediately require an employee to leave the workplace if they have received a positive COVID-19 test or have been diagnosed with COVID-19 by a licensed health care provider (i.e., immediately send them home or to seek medical care, as appropriate).

**Return to Work Criteria**

For any employee removed because they are COVID-19 positive, Grand Valley State University will follow CDC guidance for isolation.

Asymptomatic employees, students or volunteers may return to work once 10 days have passed since the positive test. Symptomatic employees, students or volunteers may return to work after all of the following are true:

- At least 10 days have passed since symptoms first appeared, and
- At least 24 hours have passed with no fever without fever-reducing medication, and
- Other symptoms of COVID-19 are improving (loss of taste and smell may persist for weeks or months and need not delay the end of isolation).

*Note: The above may be updated as CDC isolation guidance is updated.

If an employee has severe COVID-19 or an immune disease, Grand Valley State University will follow the guidance of a licensed health care provider regarding return to work.

If a student or employee tests positive for COVID-19, they must record the positive result in their online self-assessment, which will detail next steps and prompt contact by a health professional.

If a GVSU employee, student or volunteer has a positive antigen test but doesn’t have any symptoms or known exposure, they may choose to have a confirmatory COVID-19 nucleic acid amplification test (NAAT), this is also known as a PCR test. They will need to isolate until they receive negative results.

If the PCR test is negative, they may return to work, class, or campus after they have a
negative PCR test. They need to remain isolated until they receive those results and report them to the GVSU COVID Assessment Team who will release them from isolation. If the PCR test is positive, they will be required to complete the remainder of their isolation as noted previously.

**COVID-19 Testing**

Students who receive an approved exemption to the vaccine requirement policy are required to test each week at the location of their choice. Free on-campus testing is available. These students will receive an email reminder each week with the testing schedule. Students must upload results each week to their online self-assessment.

If a student doesn’t get tested at an on-campus testing site, the student will need to test at a CLIA certified lab and will need to upload those testing results to the self-assessment. The documentation must be from a lab, pharmacy, health portal, or health care provider and must include: the name of the patient, date of test, results of test, type of test, name of testing facility, address, phone number. We will not accept verbal reports of tests administered elsewhere. We will not accept at-home tests for weekly testing.

If a student does not provide documentation of a COVID-19 test result as required by this policy, they will be subject to discipline per the GVSU Code of Conduct.

If an employee covered by this policy is not fully vaccinated (e.g., if they are granted an exemption from the mandatory vaccination requirement), the employee will be required to comply with this policy for testing.

Employees who report to the workplace at least once every seven days:

(A) must be tested for COVID-19 at least once every seven days; and

(B) If testing somewhere different than a GVSU site, one must upload test results weekly to the self-assessment or Med+Proctor at least once every seven days.

Any employee who does not report to the workplace during a period of seven or more days (e.g., if they were teleworking for two weeks prior to reporting to the workplace):

(A) must be tested for COVID-19 within seven days prior to returning to the workplace; and

(B) must provide documentation of that test result to the GVSU self-assessment or Med+Proctor upon return to the workplace.

If an employee does not provide documentation of a COVID-19 test result as required by this policy, they will be subject to discipline including separation from the university.
Employees who have received a positive COVID-19 test, or have been diagnosed with COVID-19 by a licensed health care provider, are not required to undergo weekly COVID-19 testing for 90 days following the date of their positive test or diagnosis unless they develop symptoms.

Employees who receive an approved exemption to the vaccine requirement policy are required to test each week at the location of their choice. Free on-campus testing is available. These employees will receive an email reminder each week with the testing schedule. Employees must upload results each week to their online self-assessment.

If an employee doesn’t get tested at an on-campus testing site, they will need to test at a CLIA certified lab and will need to upload those testing results to the self-assessment. The documentation must be from a lab, pharmacy, health portal, or healthcare provider and must include: the name of the patient, date of test, results of test, type of test, name of testing facility, address, phone number. We will not accept verbal reports of tests administered elsewhere. We will not accept at-home tests for weekly testing.

**Face Coverings**

The need to wear a face covering is tied to the Grand Valley State University’s alert level system, which considers several factors including community spread.

Employees and students are responsible for supplying their own face coverings. Face coverings must cover the mouth and nose and fit snugly against the sides of the face. A face covering is defined as having two layers of tightly woven, washable and breathable fabric or a medical procedure mask may be used or an N-95 mask without a valve.

The following are exemptions to Grand Valley State University’s requirements for face coverings:

1. When alone in a room with floor to ceiling walls and a closed door.
2. For a limited time, while eating or drinking in an area shared by others or for identification purposes in compliance with safety and security requirements.
3. When wearing a respirator or face mask.
4. Where Grand Valley State University has determined that the use of face coverings is infeasible or creates a greater hazard (e.g., when it is important to see a person’s mouth for reasons related to their job duties, when the work requires the use of the employee’s uncovered mouth, or when the use of a face covering presents a risk of serious injury or death to the employee).

Failure to comply with the face covering policy is subject to conduct violation for students and
policy violation for employees.

**New Hires:**

All new employees are required to comply with the vaccination requirements outlined in this policy as soon as practicable and as a condition of employment. Potential candidates for employment will be notified of the requirements of this policy prior to the start of employment.

**New Students/Learners:**

All new students/learners are required to comply with the vaccination requirements outlined in this policy prior to the first day of class. All prospective students/learners will be notified of the requirements of this policy prior to their class start day.

**USE OF SECURITY CAMERAS**

SLT 6.29

**Date of Last Update:**
May 15, 2019

**Approved By:**

- Senior Leadership Team

**Responsible Office:**
Public Safety

**POLICY STATEMENT**

Grand Valley State University seeks to promote campus safety and to provide its community with a secure environment. Security video camera systems are a critical component to a comprehensive emergency and security plan. A security camera is defined as video technology that records a specific area in order to detect, deter, prevent, or investigate crime or other threats to public safety. The University takes seriously its responsibility to protect personal privacy when it operates security camera systems. No security camera will be installed on University owned or controlled property in any location for which there is a
reasonable expectation of privacy. These areas include but are not limited to restrooms, locker rooms and occupied student residential rooms. This policy applies to stationary security cameras and not to portable or temporary camera applications.

This policy serves to regulate the installation and appropriate uses of security cameras, including the retention, viewing, release and destruction of recorded images, data or records produced by security camera use.

The existence of this policy does not imply or guarantee that security video cameras will be monitored in real time, continuously or otherwise, nor that any particular department is going to observe and respond to a crime in progress.

Video recordings with information about a specific student are considered law enforcement records unless the University uses the recording for disciplinary purposes or makes the recording part of the educational record. The Department of Public Safety, working in conjunction with the Information Technology Department has the authority to select, coordinate, operate, manage, and monitor all security camera systems pursuant to this policy.

PROCEDURES

Individual colleges, departments, programs, or organizations wishing to install security camera equipment on any of the University campuses are required to collaborate with Facilities Planning, Department of Public Safety and Information Technology prior to any installation. All equipment and installation must be approved and coordinated through the Department of Public Safety in order to meet the minimum technical specifications identified by the Department of Public Safety and Facilities Planning along with Information Technology for technical standards. All costs for purchase, installation, and maintenance of security cameras will be the responsibility of the appropriate project budget or the department/unit making the request.

Security Camera System Operator

Security Camera System Operators are trained staff members who have access and been assigned responsibility by the Department of Public Safety. Prior to being permitted access to any security cameras, these individuals will be trained by the Department of Public Safety in the technical, legal, and ethical parameters of appropriate camera use. The Department of Public Safety will maintain an up-to-date list of authorized Security Camera System Operators having access to the system and any live or recorded images. Access to viewing, copying, duplicating and/or retransmission of live, recorded video or still images will be limited to Security Camera System Operators.
Security Camera System Operators are responsible to appropriately protect the privacy of personal information that may have been captured by cameras under their control.

**Recordings**

Images recorded by security camera systems are considered sensitive information that are to be protected from unauthorized access for modifications, duplications or destruction. The stored images generated by University security cameras are to be kept in a central location and secured in a network location established by the Information Technology department.

Stored data may be released when it is related to any criminal investigation, civil suit, subpoena or court order, arrest, or to aid in a disciplinary proceeding against a student or personnel actions against an employee. Stored data needing to be retained as part of a civil or criminal investigation may be downloaded and retained by law enforcement personnel according to their individual department policies. Internal requests to release stored data are to be authorized by the Director of Public Safety or designee(s).

All recordings will be re-recorded over every 30 days unless there is a demonstrated business need, ongoing investigation, court order, or other bona fide use as approved by the Director of Public Safety or designee.

**Monitoring**

University security cameras are not monitored continuously under normal operating conditions but may be monitored for legitimate safety and security purposes that include, but are not limited to, the following: High risk areas, restricted access areas/locations, in response to an alarm, special events, and specific investigations authorized by the Director of Public Safety or designee(s).

Any person who tampers with or destroys video security equipment will be subject to criminal prosecution and/or campus disciplinary processes.

FUNDRAISING POLICY

SLT 8.3

Date of Last Update:
December 08, 2014

Approved By:

- Senior Leadership Team

Responsible Office:
University Development

POLICY STATEMENT

University Development helps Grand Valley State University fulfill its mission and realize its aspirations in three ways: (1) securing, stewarding and increasing financial support; (2)
building meaningful partnerships with external and internal constituents; and (3) communicating the university’s character, quality, priorities and goals.

Accordingly, University Development must strive at all times to ensure that its policies and procedures and those of the university are in compliance with local, state and federal regulations in regard to the solicitation and acceptance of gifts. Any deviation from the Internal Revenue Code could result in fines, public embarrassment and/or the loss of the University’s tax-exempt status.

For these and many other reasons, all fundraising requests made in the name of the University must be approved in advance by the Vice President for Development. In addition, only the Vice President for Development or their designee is empowered to issue the University’s official receipt that qualifies a donor’s charitable contribution as deductible for tax purposes.

Any fundraising activity that employs the name, image or reputation of the University, in an effort to secure financial gifts will be considered fundraising in the name of the University and is subject to this policy. In the area of “sponsored research”, University Development may work with the Office of Sponsored Research to determine the most appropriate fit for the project.

Any potential fundraising activities on behalf of an University program or initiative must first be approved by the appropriate dean and/or the divisional vice president before a request for assistance is directed to University Development. In all decisions related to funding, the priorities of the University, as approved by the Board of Trustees, shall guide the decision making process.

University Development will not share lists of donors or other constituents with individuals and organizations not affiliated with approved university fundraising activities.

This policy shall apply to any and all members of the University community, as well as to any other individuals or organizations who may represent themselves as members of the University community or who claim to be acting on behalf of the University. This policy does not apply to members of the University community when they are engaged in fundraising activities for other organizations and/or when they have explicitly stated that their fundraising activities are unrelated to the university.

Today’s donors have more outlets for their philanthropic desires than ever before. As competition for the philanthropic dollar has increased, donors now receive numerous appeals from multiple non-profit organizations. Consequently they are likely to become annoyed by multiple requests from the same organization. To ignore this is to risk reduced support, an
outright refusal, or perhaps even permanent discontinuation of support.

Grand Valley State University can be at the forefront of a donor’s choice if we are clear in our intent, focused on the university’s highest priorities, and present exciting opportunities for support. Coordination of university-wide fundraising activities is imperative.

Prohibited Activities

Members of the University community are prohibited from engaging in the following tactics and activities for purposes of fundraising:

- Use of home addresses from the university telephone directory to compile calling or mailing lists.
- Use of the Grand Valley State University Alumni Directory to compile calling or mailing lists.
- Using one’s status as a Grand Valley State University employee or student to secure a gift commitment unless specifically authorized to do so.
- Using “mass e-mails” on the campus intranet system to solicit gifts unless specifically authorized to do so by University Development.
- Conducting lotteries or similar games of chance, which the State of Michigan defines as gambling. Raffles may be conducted with prior approval from the Office of Student Life.

For procedures and protocols implementing this policy please contact the Development Office.

Responsible Office:
Office for Title IX and Institutional Equity
POLICY STATEMENT

GVSU is committed to providing an educational environment, a workplace, programs, and activities that are free from all forms of harassment, discrimination, retaliation, and sexual misconduct. This policy prohibits all forms of harassment and discrimination under Title IX of the Education Amendments of 1972, 2020 Title IX Regulations (34 CFR § 106), Section 304 of the Violence Against Women Reauthorization Act of 2013 (VAWA), Title VII of the Civil Rights Act of 1964, and other applicable statutes, including the Elliott-Larsen Civil Rights Act, Michigan PA 453 of 1976. GVSU values and upholds the equal dignity of all members of its community and strives to balance the rights of the parties in the grievance process during what is often a difficult time for all those involved. When an alleged violation of this policy is reported, the allegations are subject to resolution using GVSU’s “Process A: Grievance Process Under 2020 Title IX Regulations,” “Process B: Grievance Process for University Sexual Misconduct,” or “Process C: Resolution Process for Discrimination & Harassment,” as determined by the Title IX Coordinator, and as detailed in accompanying procedures.

4. **Sexual Exploitation:** taking non-consensual or abusive sexual advantage of another for their own benefit or for the benefit of anyone other than the person being exploited. Examples include, but are not limited to:
   a. Causing the *incapacitation* of another person (through alcohol, drugs, or any other means) for the purpose of compromising that person’s ability to give consent (as defined in this policy) to sexual activity;
   b. Allowing third parties to observe private sexual activity from a (a) hidden location (e.g., closet), or (b) through electronic means (e.g., Skype or live streaming of images);
   c. Engaging in voyeurism (e.g., watching private sexual activity without the consent of the participants or viewing another person’s intimate parts (including genitalia, groin, breasts or buttocks) in a place where that person would have a reasonable expectation of privacy);
   d. Recording or photographing private sexual activity and/or a person’s intimate parts (including genitalia, groin, breasts or buttocks) without consent;
   e. Disseminating or posting images of private sexual activity and/or a person’s intimate parts (including genitalia, groin, breasts or buttocks) without consent;
   f. Knowingly exposing another person to a sexually transmitted infection or virus
without the other’s knowledge;
g. Arranging for others to have non-consensual sexual contact, as defined by this policy, with a non-consenting person.

5. **Sexual Harassment**: unwelcome or unwanted conduct of a sexual nature whether verbal or nonverbal, graphic, physical or otherwise, where *Quid Pro Quo* is present and/or rises to the level of creating a *Hostile Environment*.

6. **Gender-Based Harassment**: unwelcome or unwanted conduct based on gender, sexual orientation, transgender, gender non-conforming, transitioning, gender identity, or gender expression that may include acts of aggression, intimidation, or hostility, whether verbal or non-verbal, graphic, physical, or otherwise, even if the acts do not involve conduct of a sexual nature, where *Quid Pro Quo* is present and/or rises to the level of creating a *Hostile Environment*.
   a. *Transgender* is an umbrella term that can be used to describe people whose gender identity and/or expression is different from their sex assigned at birth.
   b. *Gender non-conforming* describes people who have, or are perceived to have, gender characteristics and/or behaviors that do not conform to traditional or societal expectations.
   c. *Transition/Transitioning* is the process of changing one’s gender from the sex assigned at birth to one’s gender identity.
   d. *Gender Identity* is a personal, internal sense of oneself as, for example, male, female, both, or neither.
   e. *Gender Expression* is the external appearance of one’s gender identity, or how one represents one’s gender through hair style, clothing, mannerisms, etc.

7. **Discriminatory Harassment**: conduct on the basis of that person’s actual or perceived membership in one or more of the protected classes listed below, that could reasonably be understood as having the purpose or effect of creating an intimidating, hostile, or offensive environment; having the purpose or effect of unreasonably interfering with an individual’s work performance or access to educational activities and programs; adversely affecting an individual’s employment opportunities or access to educational activities and programs.
   a. *Protected Classes* are age, color, disability, familial status, gender, gender expression, gender identity, gender non-conforming, height, marital status, national origin, political affiliation, race, religion, sex, sexual orientation, transgender, transitioning, veteran or active duty military status, or weight.
8. **Retaliation**: taking or attempting to take materially adverse action by intimidating, threatening, coercing, harassing, or discriminating against any individual for the purpose of interfering with any right or privilege secured by law or policy, or because the individual: reported an incident of prohibited conduct under this policy, participated in a grievance process related to this policy, supported an impacted party, assisted in providing information relevant to an investigation, and/or acted in good faith to oppose conduct that constitutes a violation of this policy.

Acts of alleged retaliation should be reported immediately to the Title IX Coordinator and will be promptly investigated. GVSU will take all appropriate and available steps to protect individuals who are concerned that they may be subjected to retaliation.

The exercise of rights protected under the First Amendment does not constitute retaliation.

a. Retaliation under Title IX also includes:

Charges against an individual for conduct violations that do not involve sex discrimination or sexual harassment but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

Charging an individual with a conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy and procedure does not constitute retaliation, provided that a determination regarding responsibility, alone, is not sufficient to conclude that any party has made a materially false statement in bad faith.

9. **Title IX and Sexual Misconduct**

a. Title IX defines sexual harassment as conduct on the basis of sex that satisfies one or more of the following:

i. An employee of GVSU conditioning the provision of aid, benefit, or service of GVSU on an individual’s participation in unwelcome sexual conduct;

ii. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to GVSU’s education programs or activities; or

iii. “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v) (forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of

1. When evaluating responsibility for alleged Prohibited Conduct, GVSU considers the presence or absence of the following:

   a. **Consent** is affirmative, informed (knowing), voluntary (freely given), and clearly communicated by word or action.

      i. Consent can be withdrawn once given, as long as the withdrawal is reasonably and clearly communicated. If consent is withdrawn, that sexual activity should cease within a reasonable time.

      ii. When evaluating whether the Complainant has given consent, GVSU will also consider the presence of physical violence, threats, intimidation, and/or coercion.

      iii. Individuals may experience the same interaction in different ways. Therefore, it is the responsibility of each party to determine that the other has consented before engaging in the activity.

   iv. Consent cannot be obtained by taking advantage of the **incapacitation** of another, where it was known, or reasonably should have been known, that the other was incapacitated.

      a. **Incapacitation** is such that it renders the person incapable of self-care and protection and occurs when someone cannot make rational, reasonable decisions because they lack the capacity to give informed (knowing) consent (e.g., to understand the “who, what, when, where, why, or how” of their sexual interaction).

         i. Incapacitation could be the result of alcohol, other drugs, sleep or unconsciousness, a temporary or permanent physical or mental health condition, or involuntary physical restraint.

   b. **Quid Pro Quo** is unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature made by a person having power or authority over another constitutes sexual harassment when submission to sexual conduct is made either explicitly or implicitly a term or condition of rating or evaluating an individual’s educational or employment progress, development or performance. This includes when submission to such conduct would be a condition for access to receiving the benefits of any educational or employment program.

   c. **Hostile Environment** is sufficiently severe, or persistent or pervasive, and objectively offensive that it unreasonably interferes with, limits, or deprives an
individual from participating in or benefitting from GVSU’s education or employment programs and/or activities.

**Required Reporting**

When a Mandatory Reporter (as defined below) is notified of sexual misconduct, including sexual assault, stalking, intimate partner violence (dating/domestic violence), sexual exploitation, sexual harassment, or gender-based harassment, they must immediately report the information to the Title IX Coordinator. Following the filing of the report with the Title IX Coordinator, the Mandatory Reporter will keep all information they receive private. Federal and state funding is premised on compliance with the laws and guidance referenced in this policy.

While all employees are encouraged to report, Mandatory Reporters at GVSU are:

- Members of the Board of Trustees, as required by state law;
- Executive Officers and Appointing Officers;
- Deans, directors, department heads/chairs (including those serving in assistant or associate roles);
- Supervisors;
- GVSU faculty or staff providing oversight to, or traveling with, students on GVSU-related travel, including GVSU-sponsored study abroad, research, fieldwork, clinicals or internship programs;
- Faculty and staff, who serve as advisors to or coaches of GVSU-recognized student groups;
- Any individual, whether an employee or not, who serves as a coach of a club sports team;
- All employees, including student-employees (while working), working in the Division of Student Affairs (including Resident Assistants at all times), Division of Inclusion and Equity, Enrollment Development Division, Department of Public Safety, and Athletics, except those who serve in non-supervisory clerical capacities;
- Campus Security Authorities designated by GVSU under the Clery Act not otherwise specified;
- Individuals serving in any of the positions described above on an acting or interim basis.

Failure of a Mandatory Reporter, as described above in this section, to report an incident of which they become aware is a violation of this policy and can be subject to disciplinary action.

**GVSU’s Statement on Non-discrimination**
Grand Valley State University does not discriminate against students, faculty or staff in any of its employment practices or in its educational programs or activities. Grand Valley State University is guided by values for inclusiveness and community which are integral to our mission to educate students to shape their lives, their professions, and their societies, and to enrich the community through excellent teaching, active scholarship, and public service.

The University is an affirmative action, equal opportunity institution. It encourages diversity and provides equal opportunity in education, employment, all of its programs, and the use of its facilities. Members of the University community, including candidates for employment or admissions, and visitors or guests, have the right to be free from acts of harassment and discrimination, which are prohibited if they discriminate or harass on the basis of age, color, disability, familial status, height, marital status, national origin, political affiliation, race, religion, veteran or active duty military status or weight. In addition, Grand Valley is required by Title IX of the Education Amendments of 1972 to ensure that none of its education programs and activities discriminate on the basis of sex/gender. Sex includes sex stereotypes, gender identity, gender expression, sexual orientation, and pregnancy or parenting status.

The Office for Title IX and Institutional Equity serves as a resource for the GVSU community and assists individuals who may have been impacted by discrimination or harassment in connecting with resources, imposes measures that protect or support access to programs and activities, and oversees the university’s grievance process for allegations of discrimination and harassment. Inquiries regarding the application of Title IX may be referred to the Title IX Coordinator, 4015 Zumberge Hall, titleix@gvsu.edu, (616) 331-9530.

**PROCEDURES**

Procedures for responding to reports of Harassment, Discrimination, Retaliation, & Sexual Misconduct (including Sexual Assault, Intimate Partner violence, Stalking, & Sexual Exploitation) under this policy are published at [gvsu.edu/titleix/procedures](http://gvsu.edu/titleix/procedures).

POLICY STATEMENT

Possessing and mastering a range of thoughtful perspectives is necessary for open inquiry, a liberal education, and a healthy community. Recognizing this, the University seeks to include, engage, and support a diverse group of students, faculty, and staff. The institution values a multiplicity of opinions and backgrounds, and is dedicated to incorporating multiple voices and experiences into every aspect of its operations. We are committed to building institutional capacity and strengthening our liberal education through providing an inclusive environment for all of our University constituents.

Article I. Purpose

The University’s goals are to maintain a positive work environment and a climate conducive to learning for students. The unequal institutional power inherent in academic and work relationships may heighten the vulnerability of those in subordinate positions. Accordingly, individuals holding positions of authority at the University must be aware of and sensitive to the potential conflict of interest, ethical concerns, and issues of sexual harassment that may occur in consensual relationships. Specifically, the parties to a consensual relationship must be aware that such relationships can create in co-workers and students perceived and real conflicts of interest. These relationships also create an environment of fear of unfair treatment in terms of promotions, grades, professional and/or educational opportunities, etc. This Policy outlines expectations for institutional and individual conduct that apply to all University faculty and staff members and students.

Article II. Consensual Relationships

Consensual romantic and sexual relationships between faculty and their students or between supervisors and their subordinates are inappropriate. Individuals should be aware that these relationships may create a perception of favoritism while the relationships continue. These relationships may be less consensual than perceived by the individual whose position confers power. The relationship also may be viewed in different ways by each of the parties, particularly in retrospect. Furthermore, circumstances may change and the conduct that was previously welcome may become unwelcome. If a sexual harassment complaint is subsequently filed, the argument that the relationship was consensual will be evaluated in light of the power differential in determining whether the University’s Anti-Harassment Policy has been violated. Under these circumstances, it will be extremely difficult to use mutual
Consensual Romantic or Sexual Relationships between Faculty/Staff and Students. A faculty or staff member who has educational, supervisory, evaluation, advising, coaching, or counseling responsibilities for students shall not assume or maintain those responsibilities for a student with whom the faculty or staff member has engaged in romantic or sexual relations, even if such relations were consensual. Whether such romantic or sexual relationships predate the assumption of educational, supervisory, evaluation, advising, coaching, or counseling responsibility for the student, or arise out of the educational relationship, the faculty or staff member shall immediately disclose the romantic or sexual relationship to his or her Unit Head or supervisor, who shall promptly arrange alternate oversight of the student.

Consensual Romantic or Sexual Relationships between Supervisors and Subordinates. If a romantic or sexual relationship exists or develops between a supervisor, manager, or administrator and an employee for whom he or she has professional responsibility, the individuals involved in the relationship must promptly consult the next highest level of supervision (e.g., a supervisor, department head, Vice President, Dean) to determine whether arrangements can be made to eliminate all conflicts of interest. If such arrangements can be made that do not disadvantage the subordinate and are acceptable to the supervisor, manager, or administrator, they must be documented, and ensure that the supervisor does not hire, supervise, advise, evaluate, or otherwise directly influence the subordinate’s employment. Relationships between supervisors, managers, or administrators and their subordinates are prohibited when the working relationship is such that it is not possible to eliminate the conflicts of interest. Students employed by the University who supervise other student employees are covered by this section.

Consensual romantic or sexual relationships between students. Complaints concerning relationships between students are governed by the GVSU Student Code.

Article III. Disciplinary Actions
Disciplinary action will be taken against faculty or staff members who violate this Policy, either by entering into or engaging in a sexual relationship with a student or subordinate for whom he or she has educational, supervisory, evaluation, advisory, coaching, or counseling responsibilities or by failing to report such relationship or failing to cooperate in making alternative arrangements.

Article IV. Confidentiality
Confidentiality of the disclosure of consensual romantic or sexual relationships will be observed to the extent permitted by law and that is consistent with protecting the welfare of
DISABILITY ACCOMMODATION POLICY FOR FACULTY AND STAFF

Inclusion and Equity

POLICY STATEMENT

Grand Valley State University is committed to the fundamental academic principles of equity and accessibility by providing all faculty, staff and students with access to the University’s programs, services, events and activities. The aim of this policy is to support an inclusive academic environment by incorporating design concepts that reduce or remove barriers. University faculty or staff members who are persons with a disability are not required to identify themselves as persons with a disability or to request an accommodation. However, the University cannot accommodate an individual who does not inform the University about his/her disability and his/her need for an accommodation. A faculty or staff member seeking an accommodation must request it by submitting their request to the Disability Support Resources Office following its procedures.

PROCEDURES

The Disability Support Resources Accommodation Process

To request an accommodation, a University faculty or staff member must:

A. Self-identify as a person with a disability by application to the Disability Support Resources office (DSR). It should be noted that The University conducts a survey of faculty and staff for statistical purposes and this does not constitute a method of self identification consistent with this policy. If a faculty or staff member requests an accommodation, the supervisor/unit administrator should refer the faculty or staff
member to the DSR or its web site at http://www.gvsu.edu/dsr/

B. Provide documentation of the disability; and

C. Indicate in the application to the Disability Support Resources office, his/her need for accommodation and provide supporting medical documentation from an appropriate professional, if requested by the Disability Support Resources office. The medical professional must have first-hand knowledge of the condition and a familiarity with the physical, emotional and cognitive demands of the disability.

Once an application has been submitted to the DSR, a DSR advisor will review the application and may contact the faculty or staff member who submitted the application. The advisor will contact the supervisor/unit administrator and discuss whether an accommodation is warranted, explore possible accommodations, and assess the effectiveness each would have in enabling the faculty or staff member to perform his/her job including the following:

A. The essential job functions of the position. The essential functions are the fundamental job duties of the employment position at issue. To be qualified for a position, an individual must be able to perform the essential functions of the job, with or without a reasonable accommodation.

B. The faculty or staff member’s ability to perform essential job functions with or without a reasonable accommodation; and,

C. Possible types of reasonable accommodations, if any are needed.

Reasonable accommodations vary depending on the circumstances of each case. In evaluating alternatives for accommodation, the preferences of the individual are considered, but the ultimate decision regarding what type of accommodation, if any, will be provided is made by the University. Nothing in this document shall be construed to waive the University’s right to contest whether a faculty or staff member is disabled or is entitled to an accommodation.

Medical documentation, as well as other related materials, will be maintained at DSR. Such documentation is kept confidential, except as necessary to administer the accommodation process or otherwise permitted by law. Such documentation may be shared only with those individuals involved in the accommodation process on an as needed basis.

During the accommodation request process, DSR may:

A. Request additional documentation;

B. Consult with Human Resource Office;
C. Evaluate whether any accommodation is needed and, if it is, whether an accommodation is reasonable and should be made (this evaluation may include preparing cost estimates);

D. Assess various accommodations;

E. Identify alternative accommodations or solutions;

F. Provide information from resources about the capabilities of persons with similar disabilities and the tools/techniques they use;

G. Determine a reasonable accommodation, if appropriate;

H. Provide a written determination to the department/unit and faculty or staff member;

I. Explain the department/unit's responsibility to fund an accepted accommodation or seek alternative funding, if needed;

DSR makes a determination regarding implementation of accommodations. DSR will consider each request for reasonable accommodation and determine: (1) whether the accommodation is needed, (2) if needed, whether the accommodation would be effective, and (3) if effective, whether providing the reasonable accommodation would impose an undue hardship.

Appeals

If a faculty or staff member or supervisor/unit administrator disagrees with the DSR determination, the decision may be appealed to the Vice President of Inclusion and Equity, in writing to:

Vice President of Inclusion and Equity

RELIGIOUS INCLUSION POLICY

SLT 9.6

Date of Last Update:

Approved By:

- Senior Leadership Team

Responsible Office:
Inclusion and Equity/Office of Affirmative Action

POLICY STATEMENT

Possessing and mastering a range of thoughtful perspectives is necessary for open inquiry, a liberal education, and a healthy community. Recognizing this, the University seeks to include, engage, and support a diverse group of students, faculty, and staff. The institution values a multiplicity of opinions and backgrounds, and is dedicated to incorporating multiple voices and experiences into every aspect of its operations. We are committed to building institutional capacity and strengthening our liberal education through providing an inclusive environment for all of our University constituents.

Purpose

Many University students, staff, and faculty observe religious traditions from a variety of religions. This Religious Inclusion Policy (“Policy”) acknowledges the right of students, staff, and faculty to engage in religious observances. The University is committed to accommodate the exercise of that right.

The University acknowledges that conflicts in scheduling mandatory academic requirements and employment obligations with religious observances are inevitable. Although the University does not observe religious holidays, it recognizes that there are a number of religious holidays that affect significant numbers of our students, staff, and faculty. This Policy is intended to provide clarity to students, staff, and faculty who seek accommodation to practice their faith.
PROCEDURES

Accommodations
Grand Valley State University will make a reasonable effort to allow its students, staff, or faculty to be away from work or a class to observe their religious beliefs, except where accommodating the request would result in undue hardship on the University in its mission, operation or in meeting its academic standards. The University provides quiet areas for student, staff, and faculty reflection, meditation, and prayer. A list of these quiet areas may be found on the Inclusion and Equity webpage.

Faculty should be sensitive to the observance of religious holidays so that students who miss classes to practice their faith are not disadvantaged. A list of religious holidays is found on the Inclusion and Equity website. Please note that this list is meant to be inclusive of most major religious traditions (although certainly not comprehensive), and that religious holidays have no official status at the University.

Faculty should make every effort to avoid scheduling examinations or assigning work that is due on religious holidays. Some religious holidays begin at sundown on the evening before the published date of the holiday. Consequently, faculty should avoid scheduling late afternoon exams on these days.

Faculty shall not penalize any student who has properly notified the faculty member by complying with the Request Accommodation Procedure for his/her absence in classes, examination, or assignments. Faculty should accept a student’s claim of a scheduling conflict on religious grounds at face value. If class attendance is required by the faculty member, classes missed to observe a religious holiday may not be counted as an absence.

Faculty must provide a reasonable opportunity for such a student to make up missed assignments and examinations within a reasonable time period before or after the student’s absence, provided the student has properly notified the faculty member by submitting a Request Accommodation Form. Faculty must give the student the opportunity to do appropriate make-up work that is no more difficult or time-consuming than the original exam or assignment.

Nothing in this Policy, however, exempts a student from meeting course requirements or completing assignments. The faculty member may respond appropriately if the student fails to satisfactorily complete the make-up assignment or examination.

Further, when scheduling university events and activities, such as Family Weekend, Commencement, Convocation, and University sponsored conferences, planners should consult the list of religious holidays on the Inclusion and Equity website before selecting the date and time to ensure inclusiveness.
Religious Accommodation Procedure

All requests for accommodation for religious observance should be made in the following manner:

Students: Faculty should inform students of all examination dates and assignment deadlines at the start of each semester in the class syllabus. If a conflict with a religious observance exists, students must request a religious accommodation from their faculty within the first two weeks of each semester or as soon as reasonably possible after the instructor announces a particular mandatory class, examination, or assignment so that alternative arrangements can be made for any class, examinations, or assignments missed. If an accommodation is needed within the first two weeks of the semester, the student must provide the faculty member with reasonable advance notice of the need for accommodation. Requests for accommodation must be made through a Religious Accommodation Form, which may be found at the Dean of Students Office, the Office of Affirmative Action or under “Forms” at www.gvsu.edu/inclusion. It is the student’s responsibility to provide faculty with reasonable notice of the need for accommodation and the timing of the notice may be taken into account in determining whether granting the request would create an undue hardship.

The faculty member and the student should discuss and agree upon what would constitute a reasonable accommodation in each given case. If the student and faculty member agree upon an accommodation, the accommodation must be carried out and disclosed on the Religious Accommodation Form. The completed Religious Accommodation Form shall be filed by the faculty member in the Dean of Students Office.

If the student and faculty member cannot agree on an accommodation, either party may bring the matter to the Unit Head to determine the accommodation. Either party may appeal the Unit Head’s decision to the Dean, who will make a final binding decision.

Where a student has obligations to a placement site (e.g. internships), that student must also work out arrangements with the placement site to make up for missed responsibilities or duties.

Staff: The use of vacation and personal leave is governed by the staff member’s respective Board of Trustees’ Policies, Staff Handbook, or Collective Bargaining Agreement. Vacation days requested for the express purpose of religious observance will not be unreasonably denied by the staff member’s supervisor if the staff member has accrued vacation leave or is eligible for personal leave and the granting of leave or vacation time will not result in undue hardship for GVSU.

Faculty: The use of vacation and personal leave is governed by the Faculty Handbook.
Requests by a faculty member for leave for religious accommodation, however, shall be considered under this Policy if the faculty member has made arrangements for any missed classes and the granting of the leave will not result in undue hardship for GVSU. Faculty that miss class time due to a religious observance must make alternate arrangements for that time with his or her Unit Head. If the Unit Head denies the request, the faculty member may appeal to the Dean, who will have final decision authority over the request.

Nothing in this Policy exempts a GVSU faculty or staff member from fulfilling their job responsibilities.

Confidentiality
Although discretion will be exercised, a guarantee of confidentiality or anonymity cannot be made because the determination of a reasonable religious accommodation will involve discussions with other parties. Information about the request for religious accommodation will be revealed only as the deliberation process requires. Discretion will be observed to the extent permitted by law and that is consistent with protecting the welfare of the students, staff, and faculty and the interests of the University.

Retaliation
Any attempt to retaliate against an individual who files a religious accommodation request or otherwise utilizes this Policy is prohibited.

Equity, Planning, and Compliance Unit

POLICY STATEMENT

Grand Valley State University is committed to the fundamental academic principles of equity and accessibility by providing all students and staff with equitable access to the University’s
programs, services, events and staff development activities. The aim of this policy is to support an inclusive academic environment by incorporating design concepts that reduce or remove barriers to our websites or to provide equally effective alternative access.

This policy establishes minimum standards for the accessibility of web-based information and services considered necessary to meet the University’s goals and ensure compliance with applicable law. The University has assigned web accessibility responsibilities to its Americans with Disabilities Act Coordinator and Web Manager, or their designees.

This policy applies to all official web pages and associated web-based services developed by or for a college, school, department, program, or unit of the University.

The University will ensure that new online content and functionality developed, procured, or used will be fully accessible to individuals with disabilities. This action will include any staff training that may be necessary to ensure full implementation.

All new web pages published by any University college, school, department, program, or unit on or after the effective date of this policy must conform to WCAG 2.0 Level AA Technologies Accessibility Standards and this policy.

For existing online content, the University has: developed a strategy for identifying inaccessible content and functionality for individuals with disabilities; developed a notice to person with disabilities regarding how to request that the University provide access to online information or functionality; prominently posted this notice on its home page and throughout its website; and developed a process to ensure that, upon request, inaccessible content and functionality will be made accessible in an expedient manner.

Each web site must contain a link to report accessibility issues, or to request an accessible version, should users have trouble accessing content within the site. This would usually be the site administrator or content author.

PROCEDURES

Training

Accessibility training will be provided and required of all faculty, staff and other authorized representatives prior to being given access to manage any online content through the Content Management System (CMS) or through remote access to a web server (FTP, SFTP, SSH, etc.).

This training will help content administrators produce accessible content, and assess and correct content that may be inaccessible. All content administrators will be required to attend
Accessibility Training on an annual basis as long as they manage online content.

**Enforcement**

If necessary, at the discretion of the Web Accessibility Coordinators or their designees, some or all non-compliant portions of the web pages and resources may be taken offline, or brought into compliance by designated staff or contractors.

**Purchasing of Outside Content**

All web-based content and systems, whether developed internally or obtained from third-parties that the University chooses to make available, is expected to conform to accessibility standards set forth in this policy. Accessibility of these technologies should be verified by University staff with demonstrated ability in accessibility evaluation. This verification process should be accomplished through hands-on evaluation of the product, prior to purchase.

When evaluating third-party products, it is advisable to choose the most accessible product in the space. However, not always will there be accessible choices, or the most accessible choice may not align with other dominant selection criteria. In cases where a product with limited accessibility has been purchased, interim, equivalent accommodations documented in an approved ADA exception should be in place until the service can be made accessible.

**Contact Information**

Any concerns with the accessibility of online content should be directed to the Americans with Disabilities Act Coordinator, 4035 James H. Zumberge Hall, 616-331-3296 and/or Web Manager, 2090 James H. Zumberge Hall, 616-331-2525 or their designees who serve as the University’s Web Accessibility Coordinators. POLICY

“Grand Valley is committed to strengthening our living, learning, and working environment by recognizing and removing the barriers to full participation and providing a safe, inclusive, vibrant community for all.” -- Inclusiveness core value section of the University’s Strategic Plan.

Grand Valley State University is committed to being a safe and healthy environment for all. This includes students, faculty, staff, and campus visitors, especially those who are minors. As a public university open to everyone, the University welcomes children and teenagers on our campuses for a variety of programs and activities planned by the University or by outside organizations. In all situations, adults are expected to be positive role models for minors, acting in a respectful and responsible manner consistent with the mission and values of the University. To promote this vision, the University publishes and enforces policies, procedures, and guidelines that have the goal of promoting health, safety, and security for minors on our campuses.

“Minors” are persons under the age of eighteen (18), and the term “Minor,” “Minors,” “Child,” and “Children” are used interchangeably in this policy. Further definitions may be found below. This policy addresses the following situations:

- A Minor will be physically present and participating in a University-sponsored program or activity, either taking place on University property or under the authority and/or direction of the University at other locations (this includes academic and sports camps);
- A Minor child will be physically present and participating in a program or activity at the University that is sponsored by a third party (this includes programs for K-12 students sponsored by a school system);
- A Minor is enrolled in one or more courses on campus, either as a matriculated student, a guest student from another institution of higher education, or a dual-enrolled student; or,
- Other events where Minors are physically present at the University, such as situations when parents/legal guardians are expected to accompany and provide supervision to Minors in their care (this includes Admissions activities and events and performances open to the public).

POLICY STATEMENT

I. Requirements of Programs that Involve Minors
Programs are typically workshops, sports camps, academic camps, conferences, and similar activities. Some activities that are exempt from Section I can be found in Sections III-V.

A Sponsoring Unit offering or approving a Program that involves Minors or provides University housing for Minors participating in a Program, whether utilizing University housing or not, shall abide by the following:

1. Waiver or release forms: participation, medical treatment, use of photographs and other media: All Minors participating in a University Program must provide a waiver or release form for participation in the program, medical treatment authorization, and use of photographs and other media by the University. This can be one form or several, and all forms must be signed by a Parent, Legal Guardian, or Foster Parent prior to their participation in a Program.

2. Behavior of Minors on Campus. Minors are to be held to the same standards of behavior expected of enrolled students, as described in University policies.

3. Information maintained by Programs. All Programs shall maintain an up-to-date list of all Program times and dates, locations, attendance information (names, ages and emergency contacts for Program Participants); list of all Authorized Adults, documentation of their training (item #5 below) and background check (item #6 below) for the Program; and a Program contact, so that in the event of an emergency, appropriate measures may be taken. All Programs must establish a procedure for the notification of a Program Participant’s Parent/Legal Guardian/Foster Parent in the case of an emergency, which might include medical or behavioral issues involving the Minor, or changes in the Program due to unforeseen and significant disruptions. Parents/Legal Guardians/Foster Parents must also be given contact information in a manner in which the Program Participant can be contacted while the Program is in session. All information, including release forms, shall be retained by the Sponsoring Unit for five years after the Program ends.

4. Supervision of Minors. All Programs must provide adequate supervision of Minors while they are on Campus. One-on-One Contact with Minors is discouraged, unless in public spaces. In general, it is required that two or more Authorized Adult will be involved in activities where Minors are present. Parents/Legal Guardians/Foster Parents may sign a waiver giving consent for their Child to be alone with an Authorized Adult. (For example, if music lessons are being provided by an adult instructor.) Exceptions in rare circumstances may also be granted (see below).

5. Training of Authorized Adults. Each Authorized Adult, who is not the Minor’s Parent, Legal Guardian, Foster Parent or an adult designated by the Parent or Legal Guardian, who will be participating with Minors in a Program, shall complete training in the conduct
and reporting requirements of this policy. This training is given to maximize the protection of Minors from abuse of any kind. The appropriate vice president, dean, unit head, or area director may enhance and/or supplement the required training Program to meet specific needs of the particular Program involved. Documentation that the Authorized Adults have been trained should be maintained by a designated and identified member of the Program’s Sponsoring Unit for five years.

6. Background checks of Authorized Adults. All Authorized Adults in the Program must complete and submit the Authorization for Release of Information for Background Check form to Human Resources. Background checks must be completed every five years. (See also PC 10.7 Volunteers Policy, for Authorized Adults who are not University employees.)

7. Procedures for release of Minors. All Programs must establish a procedure for the pick-up and drop-off of Program Participants, specifying times and locations. The Authorized Adult(s) overseeing the pick-up and drop-off of Program Participants shall remain at the specified location until all Minors have been released. If a minor is not picked up, the Authorized Adult(s) will contact the parent or guardian, the program director and finally, Grand Valley Department of Public Safety if needed.

In rare circumstances, strict adherence to this policy’s requirements may not always be feasible or be the best practice for managing risk. If a Program can justify an exception in consultation with and with approval from Human Resources, or, when appropriate, obtain written consent by the Parent/Legal Guardian/Foster Parent for the parameters applicable to the Program, certain requirements under this policy may be waived. Such waivers will be considered on a case-by-case basis.

II. Conduct Requirements of Authorized Adults

All Authorized Adults, participating in Programs and activities covered by this policy, should be positive role models and act in a caring, honest, respectful, and responsible manner. They are required to comply with all applicable laws and University policy. In addition, at all times, they shall:

1. In general, avoid One-on-One Contact with Minors, unless in public spaces. Two or more Authorized Adults must be involved in Programs where Minors are present unless a waiver has been signed or an exception has been granted.

2. Have separate accommodations from the Minors. An Authorized Adult should not have One-on-One Contact by entering a Minor’s room, bathroom facility, or similar area without another Authorized Adult in attendance.

3. Not take photographs or digital images of Minors other than specified in the waiver for photography (see Section I.1).
4. Not engage in private communication not pertaining to Program matters with a Minor by email, telephone, text message, social media, or any other method at any time, except when there is a clear educational purpose and the communication is consistent with the mission of the University.

5. Not meet with Minors outside of established times for Program activities. Any exceptions require written Parent/Legal Guardian/Foster Parent authorization and must include more than one Authorized Adult from the Program.

6. In the presence of a Minor or during any University Program, not engage in any sexual activity or romantic conversations, or sexually explicit comments.

7. Not possess, have within reach and/or share sexually-oriented printed or computerized or portable materials (magazines, cards, videos, films, clothing, smartphones, etc.) in any form available to Minors participating in Programs or activities covered by this policy or assist them in any way in gaining access to such materials. The one exception would be legitimate sexual education Programs in which the Minor’s Parent/Legal Guardian/Foster Parent have given prior written consent.

8. Not engage in abusive conduct of any kind toward, or in the presence of, a Minor. For example, no Authorized Adult shall strike, hit, administer corporal punishment or touch in an abusive or illegal manner any Minor. If necessary, touching should only be in the open, in response to the Minor’s immediate physical needs, for a purpose that is consistent with the Program’s mission and culture, or for a clear educational, development, safety, or health-related purpose (i.e., treatment of an injury).

9. Not possess fireworks, firearms, knives, or other weapons, unless being used for an officially sanctioned and approved instructional Program. (See also the Weapons policy [PC 6.27].)

10. Not transport Minors, except as specifically authorized in writing by the Minor’s Parent/Legal Guardian/Foster Parent, or in the case of an emergency.

11. Not engage in the use of alcohol or illegal drugs, or be under the influence of alcohol or illegal drugs, during such Programs or activities. (See also the Alcohol and Other Drugs policy [PC 5.1].)

12. Respect and adhere to any resistance from the Minor unless it is a life-threatening emergency.

13. Not continue to participate in Programs or activities if an allegation of prohibited or illegal conduct has been made against an Authorized Adult covered by this Policy until such allegation has been satisfactorily resolved and future participation in Programs is permitted by the University.

14. Not engage in any activity that violates the policies of the University (www.gvsu.edu/policies). This includes the harassment policies [PC 9.1], the Sexual
Misconduct policy [PC 9.1], and the Religious Inclusion policy [PC 9.6].

Those who do not meet the prescribed standards of behavior may be asked to leave the Campus and/or Program and may be subject to expulsion from the Program, suspension of attendance, being issued a “no-trespass” order by Public Safety, or disciplinary action up to and including termination of employment. (See also Section VII of this policy.)

The behavioral requirements in this policy are not meant to preclude enrolled University students from developing appropriate friendships with Minors who are close in age to the enrolled student; rather, the requirements are meant to protect Minors from abusive or illegal contact and inappropriate relationships.

III. Third Party Programs Held on University Property

Third Parties using University facilities for events that involve Minors shall operate within all policies and requirements to use University facilities. In addition, adults who interact with Minors in these activities shall conform to the conduct requirements in Section II of this policy.

IV. Minors Enrolled in Courses

Minors who are matriculated students of the University, guest students from other institutions, or dual-enrolled students are subject to all university policies. Adults who interact with Minor students (e.g. faculty teaching courses, academic advisors) are also subject to all university policies and shall conform to the conduct requirements in Section II of this policy. The requirements of Section I of this policy do not apply.

V. Minors at the University Who Are Not Participating in a Program

1. Minors brought to Campus by an employee, student, or visitor, and who are not participating in a Program by a Sponsoring Unit, are the sole responsibility of the employee, student, or visitor. The person bringing the child to Campus is responsible for all aspects of the Minor’s behavior including the Minor’s safety and is financially responsible for any damages caused by the Minor.

2. Minors are permitted at events and venues open to the public. However, the University reserves the right to determine, in its sole discretion, whether selected events or venues are appropriate for unescorted or unsupervised Minors.

3. In the event a Minor is on Campus and 1) is unsupervised by an adult, 2) they are not a Participant in a University Program, and 3) they are not a Participant in a Third Party Program (Section III), they may be required to leave the Campus.

Activities for which this Section V of the policy is relevant include:

- Events or performances on Campus that are open to the general public (e.g., athletic
competitions, plays, concerts);
- Pre-enrollment visits such as admission, recruiting, and orientation events;
- Services provided by the Campus Health Center or other similar On-Campus clinical services during which a Minor is under the supervision of a Parent/Guardian/Foster Parent or a clinical provider;
- Non-residential field trips to Campus supervised by a Minor’s school or organization;
- Private, personal events (e.g., birthday parties, weddings) for which the user has a separate, signed agreement with the University to use space on Campus.

The following activities are exempt from this policy: Off-campus clinical, practicum, internships, student teaching, or similar experiences in which (1) University students (undergraduate or graduate) interact with Minors as part of the experience and (2) are supervised by a third party. This also includes Off-Campus events in which registered student organizations participate with third-party organizations.

VI. Reporting Requirements

Reporting requirements of suspected child abuse or other illegal conduct towards a Minor shall be in accordance with applicable federal, state and local laws. In particular, see:

- State of Michigan Department of Health and Human Services rules on reporting abuse and neglect. (This page includes indicators of child abuse and/or neglect and the State of Michigan’s definition of “Mandatory Reporters”.)

Individuals who witness or suspect child abuse should not conduct an investigation or delay in notifying the appropriate authorities via 911. Such actions could taint any appropriate criminal or administrative investigation and render evidence inadmissible.

In addition, the University’s Police Department/Public Safety site provides up-to-date definitions of unlawful behavior:

VII. Additional Considerations

1. When an Authorized Adult or other person has been alleged to engage in inappropriate conduct with a Minor, that individual must discontinue any further participation in Programs covered by this policy until such allegation has been satisfactorily resolved and he or she has been given written permission by the University to participate again in Programs. Resolution of the allegation will involve appropriate investigatory steps, and any written permission to continue participation (or participate in the future) in a Program covered by this policy must be coordinated with Human Resources.

2. Any person that requires accommodations due to a disability, while visiting campus must
inform the Sponsoring Unit of their needs.

VIII. Interaction with Other Standards, Practices, and Requirements

Nothing in this policy is meant to supersede or replace the standards of practice of other entities in responding to child abuse, suspected incidents of child abuse or threats of child abuse. Satisfying the requirements of this policy does not relieve a person from any obligation to follow the protocols of another entity that may apply to the particular incident. Individual University units maintain the discretion to impose safety measures beyond those required by this policy on University Programs they sponsor or oversee. Additionally, all state and federal requirements must be followed.

PROCEDURES

Human Resources may develop forms and guidelines to assist Programs that wish to work with Minors on Campus. In addition, Human Resources will conduct random audits annually to ensure compliance with this policy.

DEFINITIONS

Definitions

1. “Authorized Adult” is an individual, age 18 and older, paid or unpaid, who supervises, chaperones, or otherwise works with Minors in Program activities, or recreational, and/or residential facilities. This includes but is not limited to faculty, employees, student employees, staff, volunteers, graduate and undergraduate students, interns, teachers, employees provided by temporary agencies, third-party hosts, and independent contractors/consultants. The role of Authorized Adult may include positions such as counselors, chaperones, coaches, instructors, and other similarly situated persons. Temporary guest speakers, presenters and other individuals who have no direct contact or only incidental contact with Program Participants, other than as short-term activities supervised by Program staff, are not considered Authorized Adults but are still expected to conform to the conduct requirements in Section II of this policy.

2. “Campus” includes all domestic real property owned or leased by the University and can include any of its campuses.

3. “Parent” is the natural Parent or adoptive Parent as recognized under the law, of a Minor child whose parental rights and responsibilities have not been terminated under applicable law. “Legal Guardian” is any person appointed under applicable law to have the care and management of the person, the estate, or both of a Minor. “Foster Parent” is a
person appointed by the court to temporarily provide the care and management of the minor child.

4. “One-on-One Contact” is personal, unsupervised interaction between any Authorized Adult and a single Program Participant Minor without at least one other Authorized Adult, Parent or Legal Guardian being present. Unless in public spaces, such contact is to be avoided by all adults on Campus, whether considered an Authorized Adult under this policy or not.

5. “Program” or “Programs” are programs and activities offered by various academic or administrative units of the University, whether on University property or not, that potentially will include Minors as Program Participants. This includes but is not limited to workshops, sports camps, academic camps, conferences, and similar activities.

6. “Program Participants” are Minors who are involved in University-sponsored Programs both on and off Campus.

7. “Sponsoring Unit” is the academic or administrative unit of the University that offers a Program or gives approval for housing or other use of facilities.

FREEDOM OF INFORMATION ACT POLICY

Office of General Counsel

POLICY STATEMENT

Section 1 of the Michigan Freedom of Information Act (“FOIA” or “the statute”) provides, “It is the public policy of this state that all persons, except those persons incarcerated in state or local correctional facilities, are entitled to full and complete information regarding the affairs of government and the official acts of those who represent them as public officials and public employees, consistent with this act. The people shall be informed so that they may fully participate in the democratic process.”(1) To that end, all people, excluding prisoners, are allowed to file FOIA requests with a Grand Valley State University (the “University”). A requester must simply file a request in writing with the University’s FOIA Coordinator, and the University will begin processing his or her request.(2) Each request must include the requesting person’s complete name, address (in compliance with United States Postal Service addressing standards), and either a telephone number or email address.

The University, in its initial response, will do one of the following within the timeframe permitted by the statute: grant the request, partially grant the request, deny the request, inform the requester that additional time is needed, require a fee deposit prior to further processing, or inform the requester that the requested record has not been sufficiently described.

If a request is denied or partially denied, the University will explain why the documents have not been released and inform the requester of his or her challenge and appeal options.

A fee deposit will be required when processing a request that will require significant University
employee time and resources. The University will notify the requester of the estimated cost and provide a non-binding, best efforts estimate of the time it will take to complete the processing of the request. It is possible that after further processing of the request, the University will determine that the cost of processing the request is significantly less or greater than the estimated cost. If that is the case, the University will notify the requester to allow the requester to determine whether and how he or she wants to proceed with the request.

After the University receives a required deposit, it will make every effort to provide the requested documents within the time estimate provided. Requesters must understand, however, that at any given time, the University is processing multiple requests and cannot devote all of its time to one particular request.

If a requester feels that he or she was wrongly denied responsive documents, he or she may appeal to the Head of the Public Body, which for the purposes of these Procedures and Guidelines is the Vice President and General Counsel, or file a civil action. If a requester believes that the University has required a fee that exceeds the amount permitted under the Procedures and Guidelines, he or she may file a civil action. Requesters are also always free to contact the FOIA Coordinator at 616-331-2067 or foia@gvsu.edu with any questions about the processing of their requests. Detailed Procedures and Guidelines follow.

PROCEDURES

1. How to submit a FOIA request to the University

   a. A FOIA request must be submitted in writing to the FOIA Coordinator in the Office of General Counsel. The request may be transmitted in hard copy, by email, or by facsimile.

   b. The University's FOIA Coordinator address 4068 James H. Zumberge Hall, Grand Valley State University, Allendale, MI 49401. The email address is foia@gvsu.edu. The fax number is (616) 331-3950.

   c. A request should describe the record(s) sought sufficiently to enable the University to find the record(s) and should provide the requester’s contact information.

   d. Requests should state that they are submitted pursuant to the Michigan Freedom of Information Act.

   e. Requests received electronically are deemed received the next business day. A business day is defined as Monday through Friday, exclusive of holidays and institutional closure days.

   f. If a request is delivered to the FOIA Coordinator’s junk mail folder, the request will be
deemed received one business day after the FOIA Coordinator becomes aware of the request. The FOIA Coordinator will check the junk mail folder at least once per week.

2. Responses to FOIA requests to the University

a. The University will respond to a FOIA request within five (5) business days of the FOIA Coordinator receiving the request.

b. A response will consist of one or more of the following:

   i. A granting of the request

   ii. A partial granting of the request, and a partial denial because some or a portion of the records do not exist, are not in the possession of the University, and/or are exempt from disclosure

   iii. A complete denial of the request because all of the records do not exist, are not in the possession of the University, and/or are exempt from disclosure

   iv. A notice that more time is needed to process the request

      1. If more time is needed, the University will send out a follow up response within 10 business days of the initial response.

   v. A notice that a fee deposit is required prior to further processing

      1. If a fee deposit is required, the University will include in its response a non-binding, best efforts estimate regarding the time it will take to provide the records to the requester.

      vi. A notice that the record(s) sought has (have) not been sufficiently described to enable the University to locate the record(s).

c. The response will state the FOIA exemptions under which any information and/or documents are withheld, if applicable.

d. If any part of a request for records is denied for any reason, the response will set forth the procedures for appealing the denial.

3. Deposit Requirements

a. A fee deposit will be required when the processing of a request will result in fees equal to or greater than $50.00.

b. The required deposit will equal up to 50% of the estimated cost of fulfilling the request as calculated at the time of the initial response.
c. If the University requires a deposit, it will not process the FOIA request further until the deposit is paid.

d. If a deposit is not received by the FOIA Coordinator within 45 days of the initial notice, the request will be considered withdrawn. Notice of a deposit requirement is considered received three days after it is sent, regardless of the means of transmission.

e. If, after receipt of the deposit and further processing of the request, the University learns that the processing costs will be significantly different from the estimated costs, the University will so notify the requester. Where the actual effort to search for, review and separate exempt material significantly exceeds the original estimate, the University will notify the requester. The requester may choose to receive a revised fee deposit notice, or limit his/her original request to those records, which may be processed within the time stated in the original fee estimate.

f. A person who makes a FOIA request for which a deposit is required may withdraw that FOIA request without charge instead of paying the required deposit. Failure to pay the deposit will be deemed a withdrawal of the FOIA request.

g. The University will treat multiple concurrent FOIA requests on the same topic(s) and/or regarding the same record keeper(s) and from the same person as one FOIA request for purposes of determining whether the fee is below $50.00.

h. Where a requester who has not paid the final fee for the processing of an earlier request files a new FOIA request, the University may require a deposit of all (100%) of the estimated fees for processing the subsequent request prior to processing the subsequent request.

4. Calculation and Payment of Fees

a. Fees are calculated by adding together the following costs:

i. The labor costs for searching for, locating, and examining responsive records

ii. The labor costs for review, separation, and deletion of exempt information from non-exempt information

iii. The cost of non-paper physical media, if used

iv. The cost per copy of paper copies, not to exceed $.05/page for standard 8 ½ x 11 inch paper

v. The labor costs directly associated with duplication or publication, which may include copying to non-paper media

vi. The cost of mailing
b. Final fees for responding to a FOIA request will be billed when the University responds to the FOIA request. A detailed FOIA fee itemization form will be provided by the University with the response. The amount invoiced must be paid within ninety (90) days. The University reserves the right to require payment in full of all fees incurred in processing a FOIA request before delivering the final, responsive documents.

c. The University’s decision to deny access to public records sought by a FOIA request because those records are, in whole or in part, exempt from disclosure does not excuse the person who files that FOIA request from payment of fees for the work undertaken by the University in response to that request.

d. The University may waive or reduce the fees it is authorized to charge if it determines that a waiver or reduction of the fee is in the public interest because responding to the FOIA request can be considered as primarily benefiting the general public.

e. Fee reductions or waivers are required in certain instances involving proven indigence or non-profit organizations. The University will apply these reductions or waivers in accordance with the statute.

5. Procedures for Challenge and Appeal

a. If the University denies a request in whole or in part, the requester may:

   i. Submit an appeal to the Head of the Public Body, which for the purpose of these Procedures and Guidelines is the Vice President and General Counsel, in writing, via the FOIA Coordinator, using the contact information listed in Item 1, above. The appeal must specifically use the word “appeal” and identify the reason(s) the requester seeks reversal of the denial. The Head of the Public Body must respond to the appeal within ten (10) business days by doing one of the following:

      1. Reversing the FOIA Coordinator’s decision
      2. Upholding the FOIA Coordinator’s decision
      3. Reversing in part and upholding in part the FOIA Coordinator’s decision
      4. Issuing a notice of extension for not more than ten (10) additional business days.

   ii. Commence a civil action in the Court of Claims within one hundred eighty (180) days after the University’s final determination to deny a request.

b. If a requester believes that the University has required payment of a fee that exceeds the amount permitted under these Procedures and Guidelines, he or she may commence
an action in the Court of Claims for a fee reduction within forty five (45) days after receiving the notice of the required fee.

c. If a requester has questions regarding any FOIA response, including estimated fees or actual fees assessed, the requester should not hesitate to contact the FOIA Coordinator by email foia@gvsu.edu or telephone 616-331-2067.

FOOTNOTES

(1) M.C.L.A. 15.231.

(2) Verbal requests for information are not FOIA requests for purposes of these Procedures and Guidelines. If a verbal request for information is received by a University employee who knows that the information is available on the University’s website, the employee, where practicable, will inform the requester about the University’s website address.

(3) The University has determined, consistent with FOIA, that failure to charge fees in situations where the fees would be equal to or greater than $50.00 would result in unreasonably high costs to the University.

(4) A copy of the standard form that the University uses for fee itemization, with additional explanatory information, is attached to these Procedures and Guidelines.

(5) Labor costs will be estimated and charged in increments of 15 minutes or more, with all partial time increments rounded down. The labor is charged at the hourly rate of the lowest paid University employee capable of doing the work, plus fringe benefits, if applicable. If it is not possible for the work to be done by a University employee, the University will contract the work out and charge per the provisions of the statute.

GROUND AND FACILITY USE POLICY

Responsible Office:
Office of General Counsel
POLICY STATEMENT

I. Pursuant to Article VIII of the Michigan Constitution of 1963, Grand Valley State University (“the University”) has the responsibility to serve as a public institution of higher education. To carry out this Constitutional mandate, the University owns and/or controls property and facilities. The University has established the following grounds and facility use policy to ensure the University’s educational mission is actualized, while allowing for the exchange of ideas.

This policy applies to all buildings, grounds, and other spaces owned or controlled by the University.

For purposes of this policy, the term "Expressive Activity" includes:

1. Meetings and other group activities of students and student organizations;
2. Speeches, performances, demonstrations, rallies, vigils, and other events by students, student organizations, and outside groups invited by student organizations;
3. Distributions of literature, such as leafleting and pamphleting; and
4. Any other expression protected by the First Amendment to the U.S. Constitution.

University property is primarily dedicated to academic, student life and administrative functions. But it also represents the "marketplace of ideas," and especially for students, many areas of campus represent a public forum for speech and other Expressive Activities. For students and registered student organizations, certain areas of campus are venues for free expression, including speeches, demonstrations, and the distribution of literature, as provided by this policy.

The University shall not consider the content or viewpoint of the Expressive Activity or the possible reaction to that Expressive Activity in applying this policy. The University shall not impose restrictions on students, student organizations, or university employees due to the content or viewpoint of their Expressive Activity or the possible reaction to that Expressive Activity. In the event that other persons react negatively to a student’s, registered student organization’s, or university employee’s Expressive Activity, the University (including representatives from the Department of Public Safety) shall take all necessary steps to ensure public safety while allowing the Expressive Activity to continue, unless the University’s operations are materially and substantially disrupted.

No Expressive Activity shall be permitted to violate or hinder the rights of others within the campus community.

The University does not assume any obligation or responsibility for the content of the materials distributed.
II.

A. General Rules.

Subject to the additional rules set forth herein, students and student organizations shall be allowed to conduct Expressive Activities on University property within the following parameters:

1. The Expressive Activity does not block access to campus buildings and does not impede ingress or egress to the University, any University property, parking lot, building, facility, or event (generally a minimum of 25 feet).
2. The Expressive Activity takes place at least 50 feet from academic buildings.
3. The Expressive Activity does not obstruct vehicular or pedestrian traffic.
4. The Expressive Activity does not constitute unlawful activity.
5. The Expressive Activity does not create a clear and present threat to public safety.
6. The Expressive Activity does not take place in a location that has already been reserved by the University, a registered student organization, or an outside organization.
7. The Expressive Activity may use an amplification device so long as the sound does not create a material and substantial disruption to the University’s operations.
8. The Expressive Activity does not include posting materials on University property, except as provided by the University Posting Guidelines (http://www.gvsu.edu/posting/).
9. The Expressive Activity does not include soliciting or accepting donations, except as provided in this policy.
10. The Expressive Activity takes place between the hours of 8 a.m. and 5 p.m., except as otherwise provided in this policy. Gatherings at the Carillon Tower or the Transformational Link may take place until 11 p.m.
11. Distribution of printed materials must be done in person.
12. Individuals and/or groups engaged in Expressive Activity are responsible for picking up any printed materials dropped on the ground around the areas of distribution. The University may charge such individuals and/or groups a reasonable clean up fee if they fail to do so.
13. Parking lots, ramps, and garages are not designated or suitable for Expressive Activities, and windshield flyers are not permitted.
14. Individuals and/or groups engaging in Expressive Activity agree to pay for any damage they cause to University property.
15. For University employees, the Expressive Activity addresses a matter of public concern.
This policy shall not apply to any person or organizations desiring to sell merchandise or services on campus. Any person or organization desiring to sell merchandise or services on campus should contact the Event Services Office at 616-331-2350.

B. Outdoor Locations.

For outdoor University areas, students, registered student organizations, and employees may freely engage in spontaneous Expressive Activities provided that such activities are in compliance with all other provisions of this policy.

Students and registered student organizations may reserve outdoor University facilities to solicit and accept donations for charitable causes or to engage in other Expressive Activities.

C. Indoor Locations.

For indoor University facilities and areas, students, registered student organizations, and University employees may freely engage in spontaneous Expressive Activities subject to the following conditions:

1. Distribution of written or printed materials, such as leafleting or pamphleting, and petitioning for signatures may be conducted at all outdoor locations and the indoor locations specified in this policy.
2. Guests may speak at indoor locations as long as they are invited by a student or a registered student organization.
3. The Expressive Activities are in compliance with all other provisions of this policy.

Students and registered student organizations may use the Kirkhof Center for the following activities:

1. Students and registered student organizations may reserve space in the Kirkhof Center for any proper purpose, including, but not limited to, to promote a cause or event, to promote a student organization, or to solicit and accept donations for charitable causes.
2. Distribution of written or printed materials, such as leafleting or pamphleting, and petitioning for signatures may be conducted inside the Kirkhof Center, as long as the student or registered student organization reserves the space pursuant to this policy.

D. Reserving Campus Facilities:

1. If students, registered student organizations, or University employees wish to reserve indoor or outdoor campus facilities, they shall submit their application for reservation to Event Services at least two business days prior to the reservation date. The University will respond to the reservation application within one business day.
2. If individuals or organizations who are not members of the University community (i.e.,
not students, student organizations, or University employees) wish to use campus facilities for Expressive Activities on campus, they may use either the area surrounding the Carillon Tower or the plaza surrounding the Transformational Link. Use of this space is free of charge and may be reserved by contacting Event Services at 616-331-2350. A reservation for use of the space will take precedence over a spontaneous Expressive Activity. Expressive Activities must stay within 50 feet of each of these landmarks and are to follow the General Rules provided herein.

3. Students, registered student organizations, University employees, and non University members may reserve facilities for Expressive Activities to take place after 5 p.m., subject to the facility’s hours and availability.

4. Reservation requests will be processed and granted on a first-come, first-served basis. These requests may be denied for the following reasons only:
   
   a. The requested venue is an indoor facility and the request conflicts with any other provision of this policy;

   b. The venue is already reserved for another event(1);

   c. The activity will attract a crowd larger than the venue can safely contain;

   d. The activity is a clear and present threat to public safety, according to the university’s police or security department;

   e. The activity will occur during college examination periods; or

   f. The activity is unlawful.

5. During an event, the student, student organization, or University employee requesting the reservation is responsible for preserving and maintaining the facility it reserved. If it causes any damage to those facilities, the person(s) or organization (and its officers, if applicable) shall assume responsibility.

---

**FOOTNOTES**

(1) In the event that multiple individuals or organizations submit conflicting reservation requests, the following order of precedence shall govern: (1) official University activities and events; (2) registered student organization activities and events; (3) student activities and events; and (4) all other activities and events.

The University reserves the right to deny proposed Commercial Activities that compete with the University or its operations. This policy does not apply to the use of student housing facilities by residents, which is subject to the terms and conditions of the housing agreement. The use of University property for government functions is not subject to this policy.

Definitions

For the purposes of this policy, the term “Commercial Activities” includes:

1. The lawful selling, promotion, or offering of products, goods, or services;
2. The dissemination or collection of information for the purpose of facilitating the sale of goods or services;

1. When an RSO is using University property for Commercial Activities, 100% of the proceeds must either return to the RSO or be donated to a specified charitable organization.
2. RSOs may not sponsor or partner with outside solicitors as part of a Commercial Activity.
3. RSOs must have at least one of their organization’s members present at all times during the Commercial Activity period, and all sales must be made on a person-to-person basis.

### POLITICAL ACTIVITY POLICY
POLICY STATEMENT

Political activity of faculty and staff members at Grand Valley State University as addressed in the Grand Valley State University Board of Trustees' Policies BOT 4.1.6.3, in pertinent part, states: “The University affirms the rights of its faculty and staff members as citizens to be active in political affairs which do not conflict with the professional standards and ethics in employment.”

Further, the Board of Trustees address the subject of Academic Freedom of faculty in the Grand Valley State University Board of Trustees' Policies BOT 4.2.2 specifically sections 2 & 3:

2. Faculty members are entitled to freedom in the classroom in discussing their subject, but they should be careful not to introduce into their teaching controversial matter, which has no relation to their subject. (The words faculty member as used in this document are understood to include the investigator who is attached to an academic institution without teaching duties.)

3. University or university faculty members are citizens, members of a learned profession, and officers of an educational institution. When they speak or write as citizens, they should be free from institutional censorship or discipline, but their special position in the community imposes special obligations. As persons of learning and as educational officers, they should remember that the public may judge their profession and their institution by their utterances. Hence they should at all times act in a professional and responsible manner, and should make every effort to indicate that they are not institutional spokespersons.

In addition to University policy, state law, specifically the Michigan Campaign Finance Act, regulates political activities of public bodies, such as state universities, and its employees.

PROCEDURES

In light of University Board of Trustees’ policies and state law, the following guidelines are
intended to help faculty and staff with compliance:

1. Faculty and staff members may engage themselves, as private citizens, in political activities including support or opposition to candidates for office or ballot questions on their own time. If you are working for the University and charging your time to a federal grant, any activity to support a political candidate or ballot question must be conducted on personal time. For questions about federal grants, contact the Office of Sponsored Programs for more information.

2. University departments or programs may sponsor presentations and discussion groups about an upcoming election provided that the purpose is to provide factual information on a political subject or issue if the communication does not support or oppose a ballot question or candidate by name or clear inference.

3. Classroom discussions of candidates and ballot questions must be related to course content as described in the catalog and course syllabus. A reminder to students to register to vote and to vote is permissible.

4. Faculty and staff members may express their support or opposition to candidates or ballot questions by wearing buttons.

5. Faculty and staff members, as private citizens, may elect to lend their names to support one or more candidates for office or in support of or opposition to a ballot question. However, care must be exercised to assure that the faculty or staff member does not use their University title in relation to such advocacy.

6. Faculty and staff members shall not use University resources for political activity to support or oppose candidates for office or ballot questions. “University resources” includes, but is not limited to:

   a. University funds or money administered through a University budget;
   b. University facilities including office space or meeting rooms (except speech in open forum areas) or use of University office address;
   c. University equipment including office or cellular telephones, computer hardware or software, printers, copiers and facsimile machines;
   d. University-provided email addresses or use of the University email system;
   e. University supplies including stationary, paper, postage, pens, pencils, and other office supplies;
   f. University identifying marks including trademarks, logos, University letterhead, and University titles; and
   g. University time including when the faculty or staff member is working or the use of clerical or student worker time.

POLICY STATEMENT

Grand Valley State University provides its faculty, staff and students with electronic mail intended for University-related purposes including direct and indirect support of the University's instructions, research, and service missions; of University administrative functions; of student and campus life activities, and of the free exchange of ideas among members of the University community and between the University community and the wider local, national, and world communities.

The rights of academic freedom and freedom of expression apply to the use of University electronic mail. Electronic mail sent or received using University facilities is, however, University business and cannot be guaranteed total privacy. The University does not routinely inspect, monitor, or disclose electronic mail without the holder's consent. Nonetheless, subject to the requirements for authorization, notification, and other conditions specified in this Policy, the University may deny access to its electronic mail services and may in exceptional circumstances inspect, monitor, or disclose electronic mail.

PROCEDURES

Applicability

This Policy applies to:

- All electronic mail systems and services provided or owned by the University
- All users, holders, and uses of University e-mail services
- All University e-mail records in the possession of University faculty, staff or students or other e-mail users of electronic mail services provided by the University
This Policy applies only to electronic mail in its electronic form. The Policy does not apply to printed copies of electronic mail.

This Policy applies equally to transactional information (such as e-mail headers, summaries, and addresses) associated with e-mail records as it does to the contents of those records.

All users of University electronic mail are subject to:

- Comply with all federal, Michigan, and other applicable laws and regulations; all generally applicable University rules and policies; and all applicable contracts and licenses. Examples of such laws, rules, policies, contracts, and licenses include the laws of libel, privacy, copyright, trademark, obscenity, and child pornography; the Electronic Communications Privacy Act and the Computer Fraud and Abuse Act, which prohibit unauthorized use or entry into another's account; the University's Student Code; the University's Anti-Harassment policy; and all applicable software licenses.
- Users who engage in electronic communications with persons in other states or countries or on other systems or networks should be aware that they may also be subject to the laws of those other states and countries and the rules and policies of those other systems and networks. Users are responsible for ascertaining, understanding, and complying with the laws, rules, policies, contracts, and licenses applicable to their particular uses.
- Act within the normal standards of professional and personal courtesy and conduct. Access to University electronic mail services, when provided, is a privilege that may be wholly or partially restricted by the University without prior notice and without the consent of the e-mail users when required by and consistent with violations of University polices, regulations and law.
- Use only those computing resources that they are authorized to use and use them only in the manner and to the extent authorized. Ability to access computing resources does not, by itself, imply authorization to do so. Users are responsible for ascertaining what authorizations are necessary and for obtaining them before proceeding. Accounts and passwords may not, under any circumstances, be shared with, or used by, persons other than those to whom they have been assigned by the University.
- Respect the finite capacity of the resources and limit use so as not to consume an unreasonable amount of those resources or to interfere unreasonably with the activity of other users. Although there is no set bandwidth limit or CPU time, uses of University electronic mail may be required to limit resources in accordance with this principle.
- Inspection, monitoring or disclosure of University e-mail records will be at the e-mail holders consent wherever possible. However, if consent cannot be obtained either voluntarily or involuntarily, the request shall be brought before University Counsel.
Specific Provisions

A. Users
Users of University electronic mail services are to be limited primarily to University students, faculty, staff, retirees, and others authorized by the University. Upon normal termination of employment, employees may retain access to the e-mail account for 30 days. Employees terminated by the University will have the e-mail account terminated immediately. Retired employees may request access to the e-mail account as part of the benefit package. Students retain access to an e-mail account as long as they are registered for courses or completed graduation. GVSU retains the right to remove email services at any time.

B. Account Usage
GVSU has the right to restrict the amount of storage space available on the network. If an individual wishes to backup and store e-mail for extended purposes, it is the individual’s responsibility to do so.

Users are granted access to services only for so long as they abide by the Computing Conditions of Use policy. No person shall gain use of the University’s computer system without proper authorization. Any attempt by a user to gain access to another person’s network account, private network drive, or restricted areas on the GVSU computer system is prohibited.

University e-mail services shall not be used to send unsolicited commercial emails and such use may result in your account being disabled.

University e-mail services shall not be used for purposes that could reasonably be expected to cause, directly or indirectly, excessive strain on any computing resources (bandwidth issues), or unwarranted or unsolicited interference with others use of e-mail or e-mail systems. Such uses include, but are not limited to, the use of e-mail services to: (1) send or forward e-mail chain letters; (2) "spam," that is, to exploit listservs or similar broadcast systems for purposes beyond their intended scope to amplify the widespread distribution of unsolicited e-mail; and (3) "letterbomb," that is, to resend the same e-mail repeatedly to one or more recipients to interfere with the recipient’s use of e-mail.

C. Representation
Electronic mail users shall not give the impression that they are representing, giving opinions, or otherwise making statements on behalf of the University or any unit of the University unless appropriately authorized (explicitly or implicitly) to do so. Where appropriate, an explicit disclaimer shall be included unless it is clear from the context that the author is not representing the University. An appropriate disclaimer is: "These statements are my own, not those of the Grand Valley State University."
Policy Violations
Violations of University policies governing the use of University electronic mail services may result in restriction of access to University information technology resources. In addition, disciplinary action, up to and including dismissal, may be applicable under other University policies, guidelines, implementing procedures, or collective bargaining agreements.

Violations will normally be handled through the University disciplinary procedures applicable to the relevant user. The University may temporarily suspend or block access to an account, prior to the initiation or completion of such procedures, when it reasonably appears necessary to do so in order to protect the integrity, security, or functionality of University or other computing resources or to protect the University from liability. The University may also refer suspected violations of applicable law to appropriate law enforcement agencies.

Refer to Appendix A. for detail on additional polices and guidelines.

Security and Privacy
The University owns all electronic mail address assigned by the University. The University employs various measures to protect the security of its computing resources and of their users’ accounts. Users should be aware, however, that the University couldn’t guarantee such security. Users should therefore engage in "safe computing" practices by establishing appropriate access restrictions for their accounts, guarding their passwords, and changing them regularly. Security and privacy of e-mail sent or received outside of GVSU is subject to standards of other organizations and may be more or less restrictive and provide more or less privacy protection.

Users should also be aware that their uses of University computing resources are not completely private. While the University does not routinely monitor individual usage of its computing resources, the normal operation and maintenance of the University’s computing resources require the backup and caching of data and communications, the logging of activity, the monitoring of general usage patterns, and other such activities that are necessary for the rendition of service.

The University reserves the right to monitor e-mail records, without notice, when

a. The user has voluntarily made them accessible to the public
b. It reasonably appears necessary to do so to protect the integrity, security, or functionality of University or other computing resources or to protect the University from liability

c. There is reasonable cause to believe that the user has violated, or is violating, this Policy
d. An account appears to be engaged in unusual or unusually excessive activity, as indicated by the monitoring of general activity and usage patterns

e. It is otherwise required or permitted by law

Any such individual monitoring, other than that specified in "a" above, required by law, or necessary to respond to perceived emergency and/or time-sensitive situations, must be authorized in advance by University Counsel and an Executive Officer.

The University, in its discretion, may disclose the results of any such general or individual monitoring, including the contents and records of individual communications, to appropriate University personnel or law enforcement agencies and may use those results in appropriate University disciplinary proceedings.

Normal examination of e-mail headers by the e-mail administrator is standard procedure to resolve problems and redirect incorrect addressed e-mail.

### Posting and Authority to Change

Because University policies are subject to change, this list may change from time to time. The authoritative list at any time will be posted under the listings of University policies posted on the World Wide Web. Authority to change this list rests with the Vice Provost of Academic Services and Information Technology acting, where policies affecting faculty are concerned, with the advice of the Academic Senate, where policies affecting students are concerned, with the advice of the Dean of Students, where policies concerning legal matters, with the advice of University Counsel.

POLICY STATEMENT

All faculty/staff communications from University email accounts should reflect the University’s brand. To keep our brand identity strong and consistent, and to enhance credibility for our faculty and staff who communicate via email, all emails created by University employees and delivered via the University’s email system should feature email signature blocks consistent with this policy.

An email signature block is text and other University information appended to the end of an email in order to identify the sender and facilitate further contact. Official University email signature blocks establish credibility for our faculty and staff by clearly identifying them and their roles at the University. The official signature block provides contact information for the employee and points email recipients to the University website, a key source of information about the University.
All emails using a University account should have signature blocks consistent with the University brand. The following items are permissible but not required:

- Employee’s name
- Employee’s official University title(s)
- Employee’s department or office name
- Gender pronouns
- Grand Valley State University
- University’s website address, www.gvsu.edu
- Department or Program website
- University or departmental trademarks or logos
- the University’s general address or employee’s University address
- Employee’s department and/or office telephone number, and fax number
- Employee’s mobile phone number
- Employee’s campus email address
- Social media account addresses used solely for advancing scholarly or professional pursuits
- Other University related information may be added such as departmental mission statement, and a link to University created social media account(s)

- A confidentiality statement is permitted for use below the email signature on all outgoing emails, such as:

  The content of this email is confidential and intended only for the recipient(s) specified. If you received this message by mistake, please reply so the sender can correct the error, and then delete this email immediately. Do NOT forward it to a third party without the written consent of the sender.

Employees may not add to their official email signature block any personal information, including links to personal websites or social media accounts that are not used solely for scholarly or professional pursuits related to their position at the University. Except for messages of and concerning the University no mottos, symbols, quotations, taglines or other statements may be added to the email signature block, as these may be misunderstood as representing the University’s official positions, values or views.
All faculty and staff shall comply with this policy by creating an approved email signature block and using it consistently when communicating via their University email accounts. Should there be noncompliance to this policy, the individual’s supervisor and/or vice president will enforce compliance through appropriate means.

POLICY STATEMENT

Department main numbers and widely published phone numbers are “must-answer” lines and are not assigned PhoneMail. Personal lines and other lines that do utilize PhoneMail must follow the procedures below.

PROCEDURES

Department main numbers and widely published phone numbers are “must-answer lines” and will not be assigned PhoneMail. These numbers should always be answered by a person.

A department main number is never to be forwarded to a PhoneMail box as this causes callers to be put into an endless PhoneMail loop.

All greetings are to be personalized and changed when users intend to be out of the office for more than one day, especially if they do not intend to check PhoneMail.

Users are to provide the caller with an alternative person’s name and telephone number to contact if they are going to be gone for any length of time.

PhoneMail users are to respond to messages within one business day unless they are on vacation.

Unit heads should monitor PhoneMail greetings when the initial installation is made and on a regular basis thereafter.

If you have any questions about PhoneMail usage or need to report a problem please call either extension 12148 or 12145 during working hours.

Vice President approval is required for PSS personnel to have PhoneMail installed.

SOFTWARE SUPPORT POLICY

SLT 11.12

Date of Last Update:
April 19, 2015

Approved By:
• Senior Leadership Team

Responsible Office:
Information Technology

POLICY STATEMENT

Information Technology is responsible for providing software support to the campus community. IT resources are finite. Therefore, reasonable limits must be identified regarding the number and variety of software products supported by IT. This policy is intended to define those limits.

PROCEDURES

The software industry is characterized by constant change. Therefore, it is unreasonable to establish a single, static list of supported software. It is equally unreasonable to force the campus community to change software on a frequent basis.

Information Technology will provide support for the most recent operating systems for Windows and Macintosh platforms as well as one version back.

Standard software applications issued with a university computer will be supported in the most recent version and one version back unless compatibility issues arise.

Institutional ownership of a site license does not imply IT support for all products covered by the license. Software provided in labs and classrooms outside of the standard applications listed above are not supported by Information Technology. Software assistance is required through the vendor providing the application.
