Please refer to the [holidays table](#).

Two (2) floating holidays scheduled during the Winter break; plus up to two (2) additional floating holidays scheduled during the Christmas - New Year's break (Winter break), if the university is officially closed. 3. **Salary Continuation.** Affiliate Faculty are eligible to participate in the University's salary continuation program. The program is designed to provide salary protection in the event of personal circumstances, which do not allow an Affiliate Faculty member to continue work. This program is intended only as a form of insurance and is subject to careful scrutiny of each appointing officer. The appointing officer may require proof that any absence at any time is appropriate. Salary continuation may be approved

only for the following reasons:

- a. Affiliate Faculty member's childbirth, illness, injury, hospitalization, and appointments pertaining to health. In cases of injury compensable under workers' compensation or no fault auto insurance, salary continuation may be used to the extent that payments fail to equal the Affiliate Faculty member's regular base earnings.
- b. Affiliate Faculty member's child, stepchild, foster child, spouse, parent, or household member's injury, hospitalization, and appointments pertaining to health (limited to a reasonable amount).
- c. The death of an Affiliate Faculty member's child, stepchild, foster child, spouse, brother, brother-in-law, sister, sister-in-law, parent, parent-in-law, grandparent, grandparent-in-law, or household member.

4. **Leaves of Absence with Partial Pay.**

- b. **Military Duty.** An Affiliate Faculty member who loses time from their assigned responsibilities because of military training as a reservist or National Guard or due to a civil disturbance, not exceeding four weeks per year, will receive the difference between their military base pay and their regular pay if such service occurs while the Affiliate Faculty member is on pay status.

5. **Leaves of Absence without Pay from the University.** An Affiliate Faculty member may request a leave of absence without pay for educational, medical, or personal reasons for a period of one to twelve months provided that such leave does not extend beyond the current contract term. Such request is subject to the approval of the appointing officer. Any accrued benefits will be protected during the leave although

additional benefits will not accrue. The Affiliate Faculty member may continue existing group benefits with the appropriate University's contribution. Contribution to the retirement plan will not accrue during the leave period. In case of medical leave, the University may require a physician's statement concerning the Affiliate Faculty member's ability to perform their assigned responsibilities either before departure or just prior to returning to active employment.

Absences without pay for a period of less than one month will be considered as lost time and are subject to the approval of the appointing officer.

6. **Life and Medical Insurance.** The University will provide life insurance coverage for all Affiliate Faculty appointed one-half time or more, medical insurance coverage for Affiliate Faculty appointed three-quarter time or more, and medical insurance coverage for Affiliate Faculty hired prior to July 15, 2016 appointed one-half time or more, and their dependents and household members (as defined by plan documents) to the extent of the group insurance policies in effect provided the Affiliate Faculty member's appropriate payments are maintained. The schedule of benefits provided and their cost are described in the materials available through the Human Resources Office.

9. **Retirement Plan Contributions.** Affiliate Faculty will be eligible to participate in the University's retirement plan for regular Faculty. Plan information is available in the Human Resources Office.

10. **Supplemental Retirement Accounts.** Affiliate Faculty may elect to have the University provide payment for tax deferred saving plans which qualify for IRS Code Section 403(b) and beginning July 1, 2002 section 457(b) status through companies approved by the University. Affiliate Faculty can defer in such amounts as permitted by the IRS Code Section 403(b) and 457(b). The election of such a benefit in no way affects the Affiliate Faculty member's mandatory participation in the University's retirement program. The university retains the right to modify or terminate this optional deferral program upon reasonable notice to the participating Affiliate Faculty. Plan information is

available in the Human Resources Office.

11. **Tuition Reduction**

12. **Flexible Spending Accounts.** Affiliate Faculty may elect once a year to participate in the Flexible Spending Accounts pursuant to the plan established under IRS Code Section 125. The University retains the right to modify or terminate this program upon reasonable notice to staff. Plan information is available in the Human Resources Office.

13. **Maternity and Other Temporary Medical Leave Policies.** [Section 4.3.3.3](#) provides for Salary Continuation for Affiliate Faculty subject to the terms of that section. The Maternity and Other Temporary Medical Leave Policies are intended to supplement and not substitute for Salary Continuation. This section applies only to Affiliate Faculty members with a three-year contract.

a. **Maternity Leave Policy**

Under the Pregnancy Discrimination Act (PDA), a pregnancy will be treated the same as any other "disability." The standard medical disability leave for childbirth is six weeks for a regular birth and eight weeks for a Caesarean. Depending on the timing of the standard medical disability leave, this Affiliate Faculty absence can cause significant interruption in students' learning. Therefore, to ensure continuity in students' learning, an Affiliate Faculty member will, with full pay, be released from responsibilities for student learning, except when, for example, the birth date occurs in the late spring or early summer, in which case, no release time may be needed for Affiliate Faculty on an academic-year appointment. A release from "responsibilities for student learning" means a release from teaching as a principal instructor of a regularly scheduled, semester-long course.

A written maternity leave plan signed by the Affiliate Faculty member, the unit head, and the dean should be submitted to the Work Life Consultant in the Human Resources Office prior to the beginning of the Affiliate Faculty member's absence. This plan should note the disability leave dates, whether additional paid maternity release is being granted under the above policy, and if so, describe what duties will be resumed and what other assigned responsibilities will be completed after the standard medical disability leave is expired. Finally, the anticipated date of complete return should be included in the plan. The plan can be amended if unanticipated medical issues occur.

Additional information about the Maternity Leave Policy and possible leave arrangements can be found on the Human Resources website.

b. Other Temporary Medical Leave Policy

Temporary disability leaves due to illness, surgery or recovery from injury of an Affiliate Faculty member can also cause disruptions to student learning, depending on the length and timing of the temporary disability leave. If a temporary disability leave will exceed six weeks, an Affiliate Faculty member will, with full pay, be released from responsibilities for student learning except when, for example, the temporary disability occurs in the late spring or early summer, in which case no release time may be needed for Affiliate Faculty on an academic-year appointment. A release from "responsibilities for student learning" means a release from teaching as a principal instructor of a regularly scheduled, semester-long course.

A written medical leave plan signed by the Affiliate Faculty member, the unit head, and the dean must be submitted to the Work Life Consultant in the Human Resources Office prior to the beginning of the Affiliate Faculty member's absence. This plan should note the medical leave dates, whether additional paid release is being granted under the above policy, and if so, describe what duties will be resumed and what other assigned responsibilities will be completed after the standard medical leave is expired. Finally, the anticipated date of complete return should be included in the plan. The plan can be amended if unanticipated medical issues occur. If the medical leave is an emergency, a plan should be submitted when there is enough information to do so.

POLICY STATEMENT

Guidelines for Implementing Reduction in Faculty Due to Changing Enrollment Patterns

The following guidelines should be followed for any reduction in workforce. See Board of Trustees' Policies [BOT 4.2.15](#) for additional information.

A. Role of the Unit

The unit is evaluated with respect to the University's role and mission, and the University curriculum, as well as its relationship to other programs in the region and state.

B. Enrollment History

The enrollment history is evaluated on the basis of a list of the full-time equivalent students (FTES) taught by the unit.

C. Efficiency

In addition to the student/faculty ratio, both cost per student credit hour and teaching load are examined.

D. Number of Majors

The number of majors for a unit reported for each year is reviewed.

E. Service Factor

The service factor measures the dependence of other collegiate units on the one being evaluated. This evaluation is based on the number of credits taught by the unit to majors not their own (balance of trade) as well as by an examination of general education and cognate requirements.

F. Professional and Community Contributions

The professional and community contributions by the unit are considered. Sources of such information include unit evaluations, consultant reports, and departmental records.

G. Future Demand

The future demand for the unit is a judgment based on the impact of additions, deletions, or modifications in programs. In addition, changes in institutional need and external conditions will be considered.

PARTNER ACCOMMODATION

Human Resources

POLICY**Partner Accommodation**

Dual career couples have emerged as an important recruitment issue in higher education. The job prospects for both partners are often seriously considered when academic couples weigh career opportunities. Grand Valley State University has responded to the increasing incidence of dual career partners through the actions described below.

Higher Education Recruitment Consortium: GVSU is a member of Michigan HERC. HERCs are formal organizations of area colleges that provide a list of open positions for a geographic area.

Human Resource Office Assistance: Grand Valley's Human Resource Office can provide assistance with identifying opportunities, preparing resumes, and interview preparation for a relocating partner.

Temporary Appointments: GVSU utilizes several kinds of temporary faculty appointments. These include visiting faculty (one-year contract that is renewable up to three years), part-time instructors (per class basis), and affiliate faculty (normally, a three-year renewable appointment). A qualified academic partner can be appointed to one of these positions, although the university does not guarantee such an appointment. The unit receiving the appointment must agree to the accommodation.

Open Faculty Positions: In accordance with state law, federal law, and GVSU's commitment to faculty governance, the university uses inclusive, non-discriminatory, open recruitment and hiring practices. If an academic partner is qualified for an open tenure-track position, the academic partner must participate in the normal hiring process unless either the Provost or the President approve otherwise.

Shared Positions: The University will consider arranging a shared position. In this type of appointment, partners share a tenure-track position with defined responsibilities for teaching, research, and service. The shared position must total at least 100 percent of a full-time position. This form of accommodation works best for two faculty members in the same or closely related disciplines.

Creation of a New Position: The creation of a position for a partner is at the discretion of

university administration, normally with consultation with the appropriate unit head and dean. Funding for such positions is determined by the Office of the Provost.

Provost Office

POLICY STATEMENT

SG 6.01 Unit Head Responsibilities

Policies relating to the appointment, term and evaluation of unit heads are covered in a document approved by UAS February 11, 1983 with [a revised version approved by UAS on April 10, 2009](#). Among the provisions of this document are the following:

- Each academic unit shall have a unit head; this person will be designated as chairperson or director based on the nature of the unit involved.
- The authority to appoint the unit head is vested in the dean of the college. When there is a vacancy in the position of unit head, the faculty of the unit shall meet, and, after deliberating among themselves and in consultation with the dean, shall recommend a nominee or nominees for appointment as unit head. Normally, the dean appoints the nominee recommended by the unit. Should the dean appoint a unit head who has not been recommended by the unit faculty, the dean shall communicate the rationale to the unit. If the unit is not able to make a nomination, the dean shall make an appointment.
- Normally the appointment will be for a three-year period. A unit head may be reappointed when eligible.
- There shall be a formal evaluation of the unit head every three years, resulting in a written statement. This report will be shared by the dean, the unit head, and the faculty involved, and be restricted to these persons. This evaluation shall be carried out by the

associated unit faculty and the administrators within University, college, and unit personnel guidelines. This evaluation shall be based on the performance of the unit head in carrying out the duties and responsibilities of the position. This evaluation neither precludes nor takes the place of the usual faculty evaluation for tenure, promotion, or contract renewal.

E. All appointees shall have faculty status, or have the academic credentials to be awarded faculty status, with the associated responsibilities and benefits of faculty rank.

Characteristically, unit heads will be senior faculty, with tenure, chosen on the basis of their ability as teachers, their experience in their discipline, and their leadership capabilities.

On March 30, 1983, ECS also adopted a report on the "Duties and Authority of the Unit Head" which outlines the responsibility, authority, and interaction of the dean and the unit head.

"The dean of the college has the administrative authority and responsibility for all academic aspects of the college. . . The dean can and usually does delegate some responsibility and authority to unit heads or coordinators." Areas the unit heads deal with include but are not limited to the following: fiscal matters; personnel matters; teaching; scholarly, & research activities; professional conduct matters; faculty absences; office assignments; meetings & communications; secretarial & technical services; faculty assignments; adjunct faculty; curriculum; library resources; course scheduling; student relations & advising; student help; equipment, facilities, & records.

POLICY

Undergraduate Student Employees

Full-time students enrolled at the University may be hired as student employees. All units should have a budget allocation for student employees. Wages paid to a student employee

must follow the wage schedule available in the Student Employment Office. In addition, when classes are in session students without work-study are not permitted to work in excess of 25 hours per week. Students with work-study are restricted to the number of hours according to their work-study award. Work-study and regular student employees must be paid an hourly rate and hours-worked reported in the University's electronic time keeping system. Faculty members should communicate their needs for student employees to their unit heads. All student employees must complete the online training session with their supervisor to work as a student employee of the University.

Student employees may assist in departmental operations, tutoring, and laboratory and studio sessions under the direct supervision of appropriate staff and faculty. Student employees may also assist in the evaluation of student exams and assignments, provided that they have been approved by the Dean of the unit in which they work and they have completed FERPA training offered by the university. The scope of their assistance, including questions on access to gradebooks, are addressed in the FERPA training. Student employees are expressly barred from providing independent instruction in the classroom. They are also barred from administering or proctoring exams and assignments without faculty or approved staff supervision. Student employees may not be exposed to confidential personnel matters or academic records that are irrelevant to their work assignment.

This policy does not apply to graduate student assistants.

ADOPTION LEAVE POLICY

SLT 4.1

Date of Last Update:

Approved By:

- Senior Leadership Team

Responsible Office:

Human Resources

POLICY STATEMENT

The University recognizes the need for family and medical related leave. The following policy complies with the Family and Medical Leave Act (FMLA) and provides guidelines for

procedures regarding paid or unpaid leave. By enacting this policy Grand Valley aims to allow necessary time away from the university for individuals to cope with and adapt to various family and medical related situations as described in this policy.

PROCEDURES

Adoption Leave

Grand Valley State University provides paid time off for bonding for all GVSU employees who are eligible for salary continuation/short term disability policies holding parental relationships for adoption. Please refer to the Parental Leave Policy regarding paid leave time.

Qualifying Expenses

Qualifying adoption expenses will be reimbursed up to a maximum of \$3,000 per child. Qualifying expenses are defined as those that are reasonable and necessary adoption fees, court costs, attorney fees, traveling expenses while away from home, and other expenses related to, and whose principal purpose is for, the legal adoption of a child.

Process for Applying for Benefits

Upon formal placement of the adopted child, submit an adoption assistance claim form to Human Resources at 1090 James H. Zumberge Hall along with detailed receipts for eligible expenses. Human Resources will determine eligible expenses, the amount payable for reimbursement and will submit a request to the Payroll Office for payment. The reimbursement will be processed with the next payroll.

Taxation of Benefits

The amount of tax credits and exclusions available to adopting parents vary. Since an employer's adoption assistance is not subject to income tax withholding, GVSU will not determine the extent to which the payment of reimbursement on behalf of each employee is eligible for the exclusion. However, GVSU will withhold taxes only for Social Security and Medicare.

Adding Dependent to Insurance

At the time of placement, you may add your child to your benefit plans. Any additions or changes must occur within 30 days of the official placement. Contact Human Resources at 331- 2215 to add dependent.

FAMILY AND MEDICAL LEAVE ACT (FMLA) POLICY

SLT 4.3

Date of Last Update:

February 04, 2022

Approved By:

- Senior Leadership Team

Responsible Office:

Human Resources

POLICY STATEMENT

The Family and Medical Leave Act of 1993 (FMLA) gives eligible Grand Valley State University faculty and staff the right to take unpaid leave or paid leave, if appropriate benefits have been earned, for a period of up to 12 work weeks in a 12-month period because of the birth of a child or the placement of a child for adoption or foster care, because the faculty or staff member is needed to care for a family member (child, spouse, or parent) with a serious health condition, or because the faculty or staff member's own serious health condition makes them unable to do their job, or because of any qualifying exigency arising out of the fact that the staff member's spouse, child, or parent is a covered military member on active duty (or notified of impending call or order to active duty) in support of a contingency operation, or to care for a covered servicemember with a serious injury or illness if the staff member is the spouse, child, parent, or next of kin of servicemember. Leave taken for one or more of these reasons, when combined together, may not exceed 12 weeks during the rolling backward 12-month period. Under certain circumstances, this leave may be taken on an intermittent basis rather than all at once, or the faculty or staff member may work a part-time schedule.

PROCEDURES

A faculty or staff member on FMLA leave is entitled to maintain the same health benefits (such as medical, dental and vision insurance) as they had before going on leave. The faculty or staff member, however, would continue to pay their share of any applicable premiums during the leave period.

A faculty or staff member generally has a right to return to the same position or an equivalent position with equivalent pay, benefits and working condition at the conclusion of the leave.

Grand Valley State University also requires notification, as explained in this policy, from faculty and staff members who wish to take a leave under the parameters of the FMLA.

A. Who is eligible for FMLA?

1. All full-time and part-time faculty or staff members who meet all of the following criteria:
 - a. Have worked at Grand Valley State University for at least 12 months.
 - b. Have worked at least 1,250 hours of service during the 12-month period before the leave.
2. Grant, contract and temporary-funded faculty or staff members may be eligible for benefits under the FMLA during the term of their grant, contract or funding. The provisions of the FMLA do not continue past the date the funding or contract expires.

B. Notification Requirements

1. In order to receive leave under the FMLA, the faculty or staff member must notify their supervisor and Human Resources of the need for leave. When possible, this should be a minimum of 30 calendar days prior to the date the leave will begin.
2. If the faculty or staff member is unable to provide 30 days advance notice (such as a medical emergency) the faculty or staff member must notify their supervisor and Human Resources as soon as possible.
3. Failure to provide advance notice (when determined it was possible to do so) may result in delaying approval of the FMLA leave.

C. Faculty/Staff Job Rights

1. Subject to the specific limitations contained in this Policy, eligible faculty or staff members may take a total of up to 12 weeks of FMLA leave during a 12- month period.
2. The faculty or staff member will be returned to their position or equivalent position at the end of the FMLA leave, provided: the grant/contract/term of employment did not expire during the leave, or the University is still offering those services previously performed by the faculty or staff member at the time the faculty or staff member is ready to return to work, or the faculty or staff member's position was not eliminated due to a business or economic reason.
3. If a faculty or staff member is requesting an intermittent or reduced schedule leave, the University has the right to transfer the faculty or staff to another position during the time period of such leave. However, such a temporary transfer would be to a similarly situated and similarly classified position. The faculty or staff member's salary, benefits, etc. would not be negatively affected.
4. If a faculty or staff member does not return to work after the FMLA leave is over and they do not apply for and receive approval for another University leave, they will be considered to have voluntarily resigned employment with the University.

5. The University will not discharge or discriminate against, or otherwise interfere with, restrain or deny a faculty or staff member from exercising rights under the FMLA.

D. Time Period

1. For purposes of the FMLA, the 12-month period will be a "rolling" 12-month "look back" period based on the faculty or staff member's use of the FMLA leave during the previous 12 months. Therefore, an employee will not be entitled to more than 12 weeks of FMLA leave during any 12-month period.
2. A faculty or staff member requesting a FMLA leave may be required to use available accrued vacation for all or part of the leave. If they do not have enough accrued vacation to cover the leave period they may use a combination of vacation and unpaid leave.
3. University policies on leaves of absences, sick leave, salary continuation etc., will run concurrently with the provisions of the FMLA when applicable. Additional paid or unpaid leave may be considered, consistent with other University approved leave of absence policies.

E. Faculty/Staff Member Benefits

1. The faculty or staff member on FMLA leave will continue to receive University provided medical and dental insurance as though they were working. Such benefits will continue whether the leave is paid or unpaid. If a premium is required, provision to pay the premium during an unpaid leave must be arranged by the faculty or staff member by contacting the Human Resources Office. The same procedure will be followed for collecting premiums under an unpaid FMLA leave as is done for other unpaid leaves. Failure to make required payments will result in loss of coverage, or in an obligation to repay the University if it elects to advance moneys to keep the coverage in affect. If the leave is paid, any required premium will continue to be deducted from the faculty or staff member's paycheck, as is the customary manner.
2. If a faculty or staff member does not return from the FMLA leave, they may be required to repay the University for the cost of benefits received while they were on leave.
3. If the faculty or staff member does not return from leave, they may continue their medical and dental coverage by paying all required premiums under the COBRA provisions.

F. Intermittent and/or Reduced Schedule Leaves

1. Faculty or staff members may request and be granted intermittent/reduced schedule leave in the case of a serious illness of themselves, their parent, spouse or child if there is a medical necessity, or for the birth of a child, adoption or foster care in collaboration with approval of the supervisor, and if the leave needs can be best accommodated through such a leave.

2. Intermittent/reduced schedule leave must be scheduled whenever possible at least ten (10) days in advance.
3. Intermittent/reduced schedule leave must be taken in 15-minute increments.
4. Intermittent/reduced schedule leave is counted toward the 12 week maximum FMLA leave which can be used during a 12-month period.
5. Intermittent/reduced schedule leaves, unless otherwise noted, are subject to the appropriate general provisions of this policy.
6. The faculty or staff member is required to schedule intermittent leave, when possible, so not to unduly interfere with the department's operations.
7. If the faculty or staff member was temporarily transferred to another position during their intermittent or reduced schedule leave, the employee must give the University ten (10) days notice of the ability to end the leave and return to their former position or an equivalent position.

G. Conditions and Procedures for Birth and Adoption (Family Leave)

An eligible faculty or staff member is entitled to take up to 12 consecutive weeks off for family leave for the birth of their newborn child, for the legal adoption of their child: or, to accept foster care placement of a child. The following conditions apply:

1. The 12 weeks of leave is typically taken consecutively and must be within the first 12 months after the birth or adoption. Intermittent or reduced schedule leaves may be considered and will be done in collaboration and with the approval of the supervisor and Human Resources.
2. Each employee is entitled to 12 weeks except if both spouses work for Grand Valley State University. In that case, the total number of bonding weeks taken between the two faculty or staff members cannot exceed 12. This does not include the personal medical recovery period for a birth parent. Leave time must be taken concurrently, unless otherwise approved by the University.
3. The medical recovery period for the birth of a baby will be considered as a medical leave, and be counted towards the 12 weeks of FMLA. This bonding period must be taken within the first 12 months following the baby's birth. The bonding period will also be counted toward the 12 weeks of FMLA.
4. The faculty or staff member requesting family leave for birth/adoption (other than under the provisions of Income Protection) may use available accrued vacation time, unpaid leave or a combination of paid and unpaid leave as part of the FMLA leave, or the University may

require the faculty or staff member to substitute available paid leave for FMLA leave. If the employee does not have enough paid benefit time to cover the leave, they will go on an unpaid leave.

5. Verification of adoption, birth of a child or foster placement may be requested.

H. Procedures on Serious Health Condition of Family Member

An eligible faculty or staff member is entitled to take up to 12 weeks off from work to care for a spouse, parent or child with a serious health condition.

1. A serious health condition means an illness, injury, impairment or physical or mental condition that involves inpatient care or continuing treatment by a health care provider.
2. The "need to care for" a family member includes both physical and psychological care when the family member is unable to care for their own basic medical hygienic or nutritional needs or safety, or is unable to transport themselves to the doctor, etc. It also includes time needed to make arrangements for changes in care, such as transfer to a nursing home.
3. A "child" includes a biological, adopted, or foster child, stepchild, legal ward, or a child of a person standing in loco parentis who is under the age of 18 or, if older than 18, is incapable of self-care because of mental or physical disability. The term "spouse" means husband or wife. "Parent" is the person who acted as a parent when the faculty or staff member was a child but does not include mother-in-law or father-in-law.
4. The leave may be taken intermittently or on a reduced schedule but the total amount of time off cannot exceed 12 weeks of the faculty or staff member's normal hours worked.

Example: Full-time faculty or staff member: 40 hours/week X 12 weeks = 480 hours

Part-time faculty or staff member: 20 hours/week X 12 weeks = 240 hours

5. Only in cases where both parents are university employees and one must stay home to take care of the other who is seriously ill, or where there is a serious illness of a child that is so serious as to require a parent to stay with the child, can each parent take 12 weeks off

I. Procedures on Faculty/Staff Member's Own Serious Health Condition

An eligible faculty or staff member is entitled to take up to 12 weeks off from work due to their own serious health condition, which prevents them from being able to perform the functions of their position.

1. A serious health condition means an illness, injury, impairment or physical or mental condition that involves inpatient care or continuing treatment by a health care provider.

J. Military Family Leave

1. An eligible faculty or staff member is entitled to take up to 12 weeks off from work because of any qualifying exigency arising out of the fact that the staff member's spouse, son, daughter, or parent is a covered military member on active duty (or notified of impending call or order to active duty) in support of a contingency operation.

2. Qualifying exigencies may include attending certain military events, arranging for an alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

3. The University will provide eligible employees up to 26 weeks of leave during a single (one time only) 12-month period to care for a covered service member (spouse, son, daughter, parent, or next of kin). Leave to care for an injured or ill service member, when combined with other FMLA-qualifying leave, may not exceed 26 weeks in a single 12-month period.

a. A "covered servicemember" means:

i. A member of the Armed Forces (including the National Guard or Reserves) who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness.

ii. A veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first day the eligible employee take FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy of a serious injury or illness.

b. The term "serious injury or illness" means:

i. In the case of a member of the Armed Forces, means an injury or illness that was incurred (or aggravated) by the member in the line of duty while on active duty in the Armed Forces, provided that such injury or illness may render the family member medically unfit to perform duties of the member's office, grade, rank or rating.

ii. In the case of a veteran who was a member of the Armed Forces at any time during a period when the person was a covered servicemember, means a qualifying injury or illness that was incurred (or aggravated) by the member in the line of duty and that manifested itself before or after the member became a veteran.

K. Certification of Need for FMLA Leave

1. Initial Certification - Grand Valley may require certification from the faculty or staff member's health care provider for the following reasons: to verify that the faculty or staff member is needed to care for the family member, or the faculty or staff member is not able to perform their job duties. The University reserves the right to ask for a second opinion by a

health care provider chosen by the University. Such an opinion will be paid for by the University. If the University requests a third opinion, that opinion will be final and binding. If the second opinion and the original opinion conflict, the University will pay for a third opinion. The University and the faculty or staff member will work together to reach agreement on whom to use for the third opinion. All certification must be provided to the University within 15 calendar days of the University's request, if practical. The third opinion will be final and binding.

2. Continuing Certification - Each 30 days, the University may request verification of the need to continue the leave. Failure to provide such requested documentation in a 15-day period may result in termination of FMLA leave.

3. A "health care provider" may include, for example, a licensed doctor of medicine or osteopathy, dentist, clinical psychologist, and other health care providers authorized under the Family Medical Leave Act.

4. When the faculty or staff member is ready to return from their leave, they may be required to submit medical verification (if applicable) of their ability to return to work.

L. Questions and Policy Interpretation

1. The Human Resources Office is responsible for implementing and coordinating the provisions of the FMLA for the campus. Questions may be directed to the Human Resources Office, extension X12215.

2. If there are any conflicts between the University policy and provisions of the Federal Act, the provisions of the Federal Act will supersede, with the exception of situations where University policy, handbooks or contracts provide benefits greater than the act. The Federal Act and the Federal regulations will be used to resolve issues that arise.

Discussion

A phased retirement is when an employee reduces their workload and compensation during their final years of GVSU employment. An example would be a full-time employee shifts to half-time at half of the previous compensation for a year before retiring. The employee does not enter retired status until the end of the phased retirement.

Limitations

Phased retirements are at the sole discretion of the executive offer. There is no entitlement or expectation for the individual.

Phased retirements are not available for bargaining unit employees.

Phased retirements are limited to 2 years.

EO's must sign off on a comprehensive plan detailing how the work will be distributed (current state vs. future state), and how the cost will be absorbed. This plan will be provided to HR and budget office.

There can be no full-time FTE growth attributable to the phased retirement.

No additional funding will be provided to support the phased retirement, all adjustments must come from base resources through prioritization and reallocation. Salary savings from the reduced workload of the employee on the phased retirement may be reallocated to hire temporary, adjunct or other non-benefit employees if needed. Visiting professors (with

benefits) may be hired for the term of the phased retirement provided total compensation (including benefits) is covered by the salary savings of the person on phased retirement.

Divisional reserves cannot be used to support phased retirement workload distribution plans. Exceptions may be considered for critical AP staff where a new hire is required to work full-time during a limited transition period while the retiring staff member overlaps to pass off organizational knowledge and key duties. The maximum phased retirement time period for critical AP positions and use of reserves in this instance shall not exceed six months.

Phased retirements and sabbaticals cannot happen simultaneously.

Phased retirements cannot start until after one year after a sabbatical has ended.
