FACULTY QUALIFICATIONS

SG 3.06

Date of Last Update:

January 07, 2019

Approved By:

- University Academic Senate / Provost

Responsible Office:

Provost Office

POLICY STATEMENT

The importance of faculty members having the appropriate expertise in the subjects they teach is reflected in the University's Guidelines for Faculty Qualifications, as required by the Higher Learning Commission (the regional accrediting body for the University). In addition, faculty who wish to engage in graduate education must be approved through an application process.
