## PROCEDURES

### TYPES OF COMMUNICATION

#### **Emergency Notification:**

An emergency is defined as a serious, unexpected, and often dangerous situation requiring immediate action. A university emergency is generally defined as any incident or event causing or potentially causing serious injury to persons, extensive property damage, loss of life, or disruption of university operations.

**NOTE: *The Comprehensive Emergency Management Plan can be found at <http://gvsu.edu/s/0pC>***

If an **Emergency Notification** should be sent, GVPD will write the initial notification message and send it using Grand Valley's emergency notification system (RAVE). The crisis communication director, and the crisis communication coordinators will determine who else needs to be notified and the appropriate action and follow-up messages as it relates to each campus.

The Vice President for University Relations and the Associate Vice President for University Communications, or their designees, will write any subsequent message(s). A designated representative from University Communications will be responsible for distributing the alert using RAVE. University Communications will post messages on the university home page, GVNext and/or use the university's social media outlets.

**NOTE: Evacuation of Building procedures should follow instructions found in the *Annual Security and Fire Safety Report* ([www.gvsu.edu/gvpd/securityreport](http://www.gvsu.edu/gvpd/securityreport)).**

If a **Timely Warning** should be considered, GVPD will notify the crisis communication director

and/or crisis communication coordinator(s). A **Timely Warning** is required if GVPD receives a report that a Clery crime has been committed on GVSU Clery geography and considers there to be a serious or continuing threat to students and employees. The content of a Timely Warning needs to include information that would promote safety and aid in the prevention of similar crimes and information about the crime that triggered the Timely Warning. The Vice President for University Relations and the Associate Vice President for University Communications, or their designees, will write the message(s). A designated representative from University Communications will be responsible for distributing the alert using RAVE. University Communications may post messages on the university home page, GVNext and the university's social media outlets.

### **SAFETY NOTICE FOR OFF-CAMPUS INCIDENTS**

Grand Valley may elect to issue a safety notice to members of the University when it is determined there is a reoccurring series of criminal activity, a disruption to operations, or when the Department of Public Safety determines that there may be a serious continuing or ongoing threat to the health or safety of off-campus students. When deemed necessary, the Department of Public Safety will notify the Vice President for University Relations or Associate Vice President for University Communications for dissemination.

### **PUBLIC WEATHER INFORMATION**

If the weather poses an immediate threat to the campus community the Comprehensive Emergency Management Plan (CEMP) will be followed and communications made accordingly.

When there is inclement weather that requires cancellation or closure, the GVSU Cancellation/Closure Policy shall be followed.

### **REPORTING TO UNIVERSITY COMMUNICATIONS POTENTIAL REPUTATIONAL INCIDENTS OR CRISES**

Whenever an event or issue appears to have potential for becoming a controversial news story the Grand Valley staff or faculty member aware of the circumstance should immediately notify the unit head who has responsibility in the situation.

The unit head should immediately communicate all available information to the appropriate appointing officer/dean and/or executive officer, and the Associate Vice President for University Communications. University Communications should be notified regardless of the availability of the appointing officer/dean and/or executive officer.
