Levels of Keys and Issuance

A system of keys ranging from Grand Master (GM) Keys down to the lowest level key is used to satisfy user needs. Facilities Services aims to issue the smallest number of keys possible. Keys will not be issued where card access is available.

Grand Master Key is the highest-level key on campus. These keys cover all of the keyways within the entire key system. All GM key requests must receive the approval of the

appropriate division heads, the Associate Vice President for Facilities Services, and the Vice President for Finance and Administration. These key(s) are issued to the Associate Vice President for Facilities, Director of Facilities, Assistant Director, or Manager of Facilities Services, the Director of Facilities Planning, Project Managers, the Director of Public Safety Services, Facilities Services Supervisors and Public Safety Officers. Other Facilities Services staff and some university personnel may be approved, but only after administrative, and executive officer authorization.

Due to the level of access granted by a GM key, all GM keys will be issued on a tamper proof key ring, and require a tracking device be added to any key ring containing this level of key. The initial tracking device will be issued by Facilities Services Allendale or Facilities Services Grand Rapids and Regional Centers. Data collected through the tracking device is for use only by Facilities Services - Allendale, Security staff, and Facilities Services – Grand Rapids and Regional Centers and is for the sole purpose of locating a GM key in the event of loss or theft. Employees are prohibited from tampering or attempting to alter or disable the tracking device or key ring which the GM key was issued. The employee will be responsible for costs associated with replacing a tracking device due to loss or theft. Replacement due to damaged, worn, or non-working tracking devices will be covered by Facilities Services – Allendale or Facilities Services – Grand Rapids and Regional Centers, so long as the damaged, worn or non-working tracking device is returned.

Master Keys operate all keyways except mechanical rooms and designated restricted areas. These keys are issued to Deans or Administrative Assistants with responsibility for all building and department activities. Custodial Staff will also be issued appropriate keys for the building to which they are assigned. Issuance of these keys must be approved by the Associate Vice President for Facilities Services.

Sub-Master Keys operate a sub-group of locks within a master key system such as an individual department. These are issued based on proof of need and require approval of the Associate Vice President for Facilities Services.

Operator Keys allow entry to individual offices or rooms. These are the primary keys issued to faculty and staff. Approval is from the Associate Vice President for Facilities Services.

Entrance Keys operate entrance doors to buildings, departments, or suites. Approval is from the Associate Vice President for Facilities Services.

File Keys are issued as requested to allow access to department files or personal office files, desks or cabinets.

Key Records

A Key record is maintained for each employee possessing a University key or access card. The information in the key system includes the employee's name, job title, department and phone number. The system also lists the date the key is issued, the key code, access location, room numbers, employee's signature, and dates of key/access card return.

Key Request Procedures

- Access to locked areas of the University is based upon need.
- Whenever possible, employees will be issued the minimum number of keys and access cards at the lowest level allowing access to their areas of assignment only.
- Students, Grad Assistants, and temporary employees will not be issued brass keys to academic buildings. Employees signing out keys for these individuals *will* be held responsible for the keys.
- Access cards may be issued if a student is enrolled in a program that requires card access i.e: Engineering, Health Campus Programs, CLAS.
- Grad Assistants may be issued access cards for the duration of their employment to buildings or spaces where they work.
- All key requests must be submitted in the [KEY SYSTEM](#), which is available on the Facilities Services website.
- Information in the [KEY SYSTEM](#) must be complete with proper supervisor or department approval. Incomplete requests will be denied. Proper justification must be provided for anything other than keys to specific doors.

Upon termination of university employment, Facilities Services Allendale and Facilities Services Grand Rapids and Regional Centers will be notified by Human Resources.

The employee's supervisor should follow up and direct the proper return of keys to Facilities Services Allendale and Facilities Services Grand Rapids and Regional Centers. These key changes are reflected in the key records and the file is closed.

Under no circumstances are keys to be retained by the department and given to a new employee.

Contractors and Vendors - Special Key Issuance and Lost keys

Vendors are issued temporary keys and access cards through the Facilities Services Allendale office or the Facilities Services Grand Rapids and Regional Centers office. Such keys and access cards are to be returned immediately upon completion of the contracted service or by 5:00 p.m. each day. Keys may be kept overnight with university manager approval.

In addition to the fee for a lost key, the responsible person/vendor accepts the responsibility to pay for the re-core of the building or buildings which the lost key was assigned to open. The cost of such a re-core may reach \$10,000.00 or more depending on the size of the building and number of cores to replace. We urge all of our contractors/vendors to maintain custody of your keys and access cards at all times.

Students and Temporary Job Assignments

Students and temporary employees may have keys or access cards temporarily assigned to them for the duration of their shift and must return them daily. These are to be checked out through the Facilities Services Allendale office or the Facilities Services Grand Rapids and Regional Centers office and require supervisor's permission.
