## A GVSU INTERNSHIP PROGRAM

### United Kingdom: EUSA Internship Open to: All majors

#### TELL ME ABOUT THIS PROGRAM

With over seven million people from all over the world, London is the largest city in Western Europe and is the capital of the United Kingdom. This cosmopolitan, bustling metropolis boasts an amazing array of cutting-edge businesses, home grown companies, NGOs, and other organizations offering internships. Because London is one of the most culturally diverse cities in the world, the person you find yourself working alongside is as likely to be from Turkey or Latvia as from London. Placements are available for undergraduates in almost any major who would like to gain valuable work experience. You will participate in the program working full-time, six hours, four days a week, for four weeks and attend two courses, "Understanding the London Experience," and "How Britain Works" for four weeks. Work placements are in professional offices in an industry related to your academic major and career goals. Because the program is designed to be academic in nature, the internships are unpaid.

#### WHEN CAN I GO?

May 21 - July 14, 2018  
(8 weeks total, 4 weeks of internship)

#### WHERE WILL I LIVE?

Students will live in shared apartments.
