#### TELL ME ABOUT THIS PROGRAM

Nestled between the historic market town of Ormskirk and rolling green fields in North West England, Edge Hill University's beautiful campus is just 25 minutes outside the city centre of culturally diverse Liverpool, and 40 minutes to the bright lights of Manchester.

During your stay Edge Hill University you'll be able to mix with students from all over the world, take in the lakes and scenery on campus, and relax in our cutting-edge sports complex, Sporting Edge. We know that studying in a foreign country can be both a daunting and life-changing experience, so our International Team and academic staff will provide you with dedicated support, from Welcome and Orientation right through to program completion. You'll be living in on campus accommodation, with your own room as well as shared bathrooms and kitchens to chat with new friends.

When you're not busy broadening your mind, you'll broaden your horizons with excursions us to beautiful places like Manchester, historical York and Chester, Conwy Castle in Wales and the breath-taking Lake District.

#### WHERE WILL I LIVE?

All Edge Hill's study abroad students live on campus, in the dorms with British students and receive a meal plan for on-campus dining, to ensure maximum opportunity to discover what it is really like to be a student in UK higher education. And don't expect the room next door to have an American occupant - at Edge Hill we always try to ensure that US students are well-mixed in with the British!

You will have access to a fully fitted kitchen and all cooking utensils so you will be able to prepare your own meals with your friends, however you will also have a meal plan that provides up to 12 meals per week. We have various catering outlets available on campus and a variety of cafes, restaurants and shops in Ormskirk town centre (10 minutes' walk). The beautiful port city of Liverpool as just a 25-minute journey from campus, so whatever your preference, there will be something to keep you entertained.

There is also a 24-hour campus support team if ever you need a hand.
