

CHILE

A GVSU PARTNERSHIP PROGRAM

Chile: Universidad del Bío Bío Open to: All majors

TELL ME ABOUT THIS PROGRAM

Having earned a reputation for high academic standards, a supportive educational environment, and a vibrant student culture, UBB offers GV students an opportunity to fully immerse into Chilean life and culture. With two primary campuses, Concepción and Chillan, UBB offers a wide-range of curricular options including: business, engineering, education, English, psychology, social work, health sciences, social sciences, mathematics, physics, chemistry, statistics, Chilean culture and more. This program is most suitable for Spanish majors and minors, but it is also a great location for those interested in English education.

The city of Concepción, where UBB's main campus is located, offers a lively environment with bustling plazas, pedestrian streets packed with local shops, and restaurants serving a wide range of local and international cuisine. Concepcion is 20 minutes from the coast and is centrally located for those who have an interest in exploring other parts of Chile.

Chillan is an hour east of Concepción and is near the Andes Mountain range. While Chillan is a much smaller town, it offers a very friendly plaza where people of all ages meet to socialize. Just a few blocks from the plaza is one of the areas largest markets with everything from Chilean-made handicrafts to fresh produce, clothes and more. Chillan was described as a place that quickly feels like a home away from home.
