A GVSU PARTNERSHIP PROGRAM

Japan: International Christian University Open to: All majors

TELL ME ABOUT THIS PROGRAM

International Christian University is located in Mitaka City, a suburban community adjacent to the district comprising Tokyo proper. A separate administrative entity of metropolitan Tokyo, Mitaka is geographically apart of the Musashino Plain, which extends to the Chichibu range of mountains visible from the ICU campus. Mount Fuji is also visible from the campus on a clear day. Students can choose between the full academic year program or the six-week summer language and culture program.

GVSU exchange students typically enroll in the Japanese language and culture program offered by the University. The program offers all levels of Japanese, however, it is recommended that students have a minimum of two semesters of Japanese prior to attending ICU.
